- **DDSD updates on Proposed DD Waiver Standards Revisions:** Christopher Futey, Systems Improvement Bureau Chief provided proposed edits for Chapters 19, 20 and 22 in relation to Therap additions. Please see attached document.
- **Follow-up answers to questions related to last ACQ Steering Committee meeting.**
 - ✓ Question about Dual Case Load: Case Managers will be able to carry a total of 50 individuals across all Waivers
 - ✓ LOC 45 to 30 days: Thank you for suggestion – yes aligning with other LOC submission deadlines of no later than 30 days prior to expiration.
 - ✓ JCM visits moving forward from 2x/month to 1x/month? This also was taken into consideration but at this time JCM visits will remain 2x/month.
- **General Topics for future meetings.** Supporting use of technology and telehealth, use of Therap, EVV.
- **Discussion about maintaining ACQ-LCA committee.** Would like to see ACQ-LCA committee as well as this committee to work through potential Service Standards Revisions the next 4-5 years instead of waiting last minute (6 months-year) to work on Standards Revisions before they are due.

Follow-Up Items for Next Meeting:

- Updates regarding feedback provided on Chapters 19,20,22.
