Bureau; Chris Melon, MPA, Healthcare Surveyor, Division of Health Improvement/Quality

Management Bureau; Barbara Kane, BAS, Healthcare Surveyor, Division of Health

Improvement/Quality Management Bureau; Kandis Gomez, AA, Healthcare Surveyor, Division of Health Improvement/Quality Management Bureau; Lora Norby, Healthcare Surveyor, Division of Health Improvement/Quality Management Bureau; Tony Fragua, BFA, Health Program Manager, Division of Health Improvement/Quality Management Bureau; Crystal Lopez-Beck, Deputy Bureau Chief, Division of Health Improvement/Quality Management Bureau and Valerie Valdez, Bureau Chief, MS, Division of Health Improvement/Quality

Management Bureau

Dear Mr. Kivitz;

The Division of Health Improvement/Quality Management Bureau has completed a compliance survey of the services identified above. The purpose of the survey was to determine compliance with federal and state standards; to assure the health, safety, and welfare of individuals receiving services through the Developmental Disabilities Waiver; and to identify opportunities for improvement. This Report of Findings will be shared with the Developmental

#### **DIVISION OF HEALTH IMPROVEMENT**

5301 Central Avenue NE, Suite 400 • Albuquerque, New Mexico • 87108 (505) 222-8623 • FAX: (505) 222-8661 • <a href="http://www.dhi.health.state.nm.us">http://www.dhi.health.state.nm.us</a>

Disabilities Supports Division for their use in determining your current and future provider agreements. Upon receipt of this letter and Report of Findings your agency must immediately correct all deficiencies which place Individuals served at risk of harm.

# **Determination of Compliance:**

The Division of Health Improvement, Quality Management Bureau has determined your agency is in:

# Compliance with all Conditions of Participation.

This determination is based on your agency's compliance with CMS waiver assurances at the Condition of Participation level. The attached QMB Report of Findings indicates Standard Level deficiencies identified and requires implementation of a Plan of Correction.

#### Plan of Correction:

The attached Report of Findings identifies the Standard Level and/or Condition of Participation deficiencies found during your agency's compliance review. You are required to complete and implement a Plan of Correction. Your agency has a total of 45 business days (10 business days to submit your POC for approval and 35 days to implement your *approved* Plan of Correction) from the receipt of this letter.

During the exit interview of your on-site survey Attachment A on the Plan of Correction Process was provided to you. Please refer to Attachment A for specific instruction on completing your Plan of Correction. At a minimum your Plan of Correction should address the following for each Tag cited:

#### Corrective Action:

How is the deficiency going to be corrected? (i.e. obtained documents, retrain staff, individuals and/or staff
no longer in service, void/adjusts completed, etc.) This can be specific to each deficiency cited or if possible
an overall correction, i.e. all documents will be requested and filed as appropriate.

# On-going Quality Assurance/Quality Improvement Processes:

- What is going to be done? (i.e. file reviews, periodic check with checklist, etc.)
- How many individuals is this going to affect? (i.e. percentage of individuals reviewed, number of files reviewed, etc.)
- How often will this be completed? (i.e. weekly, monthly, quarterly, etc.)
- Who is responsible? (responsible position)
- What steps will be taken if issues are found? (i.e. retraining, requesting documents, filing RORI, etc.)

# **Submission of your Plan of Correction:**

Please submit your agency's Plan of Correction in the space on the two right columns of the Report of Findings. (See attachment "A" for additional guidance in completing the Plan of Correction).

Within 10 business days of receipt of this letter your agency Plan of Correction must be submitted to the parties below:

- 1. Quality Management Bureau, Attention: Amanda Castaneda, Plan of Correction Coordinator 1170 North Solano Suite D Las Cruces, New Mexico 88001
- 2. Developmental Disabilities Supports Division Regional Office for region of service surveyed

Upon notification from QMB that your *Plan of Correction has been approved*, you must implement all remedies and corrective actions to come into compliance. If your Plan of Correction is denied, you must resubmit a revised plan as soon as possible for approval, as your POC approval and all remedies must be completed within 45 business days of the receipt of this letter.

Failure to submit your POC within the allotted 10 business days or complete and implement your Plan of Correction within the total 45 business days allowed may result in the imposition of a \$200 per day Civil Monetary Penalty until it is received, completed and/or implemented.

### **Billing Deficiencies:**

If you have deficiencies noted in this report of findings under the *Service Domain: Medicaid Billing/Reimbursement*, you must complete a Void/Adjust claims or remit the identified overpayment via a check within 30 calendar days of the date of this letter to HSD/OIG/PIU, *though this is not the preferred method of payment*. If you choose to pay via check, please include a copy of this letter with the payment. Make the check payable to the New Mexico Human Services Department and mail to:

Attention: Lisa Medina-Lujan HSD/OIG Program Integrity Unit 2025 S. Pacheco Street Santa Fe, New Mexico 87505

Or if using UPS, FedEx, DHL (courier mail) send to physical address at:

Attention: Lisa Medina-Lujan HSD/OIG Program Integrity Unit 1474 Rodeo Road Santa Fe, New Mexico 87505

Please be advised that there is a one-week lag period for applying payments received by check to Voided/Adjusted claims. During this lag period, your other claim payments may be applied to the amount you owe even though you have sent a refund, reducing your payment amount. For this reason, we recommend that you allow the system to recover the overpayment instead of sending in a check.

## Request for Informal Reconsideration of Findings (IRF):

If you disagree with a finding of deficient practice, you have 10 business days upon receipt of this notice to request an IRF. Submit your request for an IRF in writing to:

QMB Deputy Bureau Chief 5301 Central Ave NE Suite #400 Albuquerque, NM 87108 Attention: IRF request

See Attachment "C" for additional guidance in completing the request for Informal Reconsideration of Findings. The request for an IRF will not delay the implementation of your Plan of Correction which must be completed within 45 total business days (10 business days to submit your POC for approval and 35 days to implement your *approved* Plan of Correction). Providers may not appeal the nature or interpretation of the standard or regulation, the team composition or sampling methodology. If the IRF approves the modification or removal of a finding, you will be advised of any changes.

Please call the Plan of Correction Coordinator Amanda Castaneda at 575-373-5716 if you have questions about the Report of Findings or Plan of Correction. Thank you for your cooperation and for the work you perform.

Sincerely,

Tricia L. Hart, AAS

# Provider Instructions for Completing the QMB Plan of Correction (POC) Process

#### Introduction:

After a QMB Compliance Survey, your QMB Report of Findings will be sent to you via e-mail.

Each provider must develop and implement a Plan of Correction (POC) that identifies specific quality assurance and quality improvement activities the agency will implement to correct deficiencies and prevent continued deficiencies and non-compliance.

Agencies must submit their Plan of Correction within ten (10) business days from the date you receive the QMB Report of Findings. (Providers who do not submit a POC within 10 business days may be referred to the Internal Review Committee [IRC] for possible actions or sanctions).

Agencies must fully implement their approved Plan of Correction within 45 business days (10 business days to submit your POC for approval and 35 days to implement your approved Plan of Correction) from the date they receive the QMB Report of Findings (Providers who fail to complete a POC within the 45 business days allowed will be referred to the IRC for possible actions or sanctions.)

If you have questions about the Plan of Correction process, call the Plan of Correction Coordinator at 575-373-5716 or email at <a href="mailto:AmandaE.Castaneda@state.nm.us">AmandaE.Castaneda@state.nm.us</a>. Requests for technical assistance must be requested through your Regional DDSD Office.

The POC process cannot resolve disputes regarding findings. If you wish to dispute a finding on the official Report of Findings, you must file an Informal Reconsideration of Findings (IRF) request within ten (10) business days of receiving your report. Please note that you must still submit a POC for findings that are in question (see Attachment "C").

# Instructions for Completing Agency POC:

# Required Content

Your Plan of Correction should provide a step-by-step description of the methods to correct each deficient practice to prevent recurrence and information that ensures the regulation cited is in compliance. The remedies noted in your POC are expected to be added to your Agency's required, annual Quality Assurance Plan.

If a deficiency has already been corrected, the plan should state how it was corrected, the completion date (date the correction was accomplished), and how possible recurrence of the deficiency will be prevented.

# The Plan of Correction must address the six required Center for Medicare and Medicaid Services (CMS) core elements to address each deficiency cited in the Report of Findings:

- 1. How the specific and realistic corrective action will be accomplished for individuals found to have been affected by the deficient practice.
- 2. How the agency will identify other individuals who have the potential to be affected by the same deficient practice, and how the agency will act to protect individuals in similar situations.
- 3. What QA measures will be put into place or systemic changes made to ensure that the deficient practice will not recur
- 4. Indicate how the agency plans to monitor its performance to make sure that solutions are sustained. The agency must develop a QA plan for ensuring that correction is achieved and

- sustained. This QA plan must be implemented, and the corrective action evaluated for its effectiveness. The plan of correction is integrated into the agency quality assurance system; and
- 5. Include dates when corrective action will be completed. The corrective action completion dates must be acceptable to the State.

The following details should be considered when developing your Plan of Correction:

- Details about how and when Consumer, Personnel and Residential files are audited by Agency personnel to ensure they contain required documents;
- Information about how Medication Administration Records are reviewed to verify they contain all required information before they are distributed, as they are being used, and after they are completed;
- Your processes for ensuring that all staff are trained in Core Competencies, Abuse, Neglect and Exploitation Reporting, and Individual-Specific service requirements, etc.;
- How accuracy in Billing/Reimbursement documentation is assured;
- How health, safety is assured;
- For Case Management Providers, how Individual Specific Plans are reviewed to verify they
  meet requirements, how the timeliness of LOC packet submissions and consumer visits are
  tracked:
- Your process for gathering, analyzing and responding to Quality data indicators; and,
- Details about Quality Targets in various areas, current status, analyses about why targets were not met, and remedies implemented.

**Note:** <u>Instruction or in-service of staff alone may not be a sufficient plan of correction.</u> This is a good first step toward correction, but additional steps must be taken to ensure the deficiency is corrected and will not recur.

# **Completion Dates**

- The plan of correction must include a **completion date** (entered in the far right-hand column) for each finding. Be sure the date is **realistic** in the amount of time your Agency will need to correct the deficiency; not to exceed 45 total business days.
- Direct care issues should be corrected immediately and monitored appropriately.
- Some deficiencies may require a staged plan to accomplish total correction.
- Deficiencies requiring replacement of equipment, etc., may require more time to accomplish correction but should show reasonable time frames.

# Initial Submission of the Plan of Correction Requirements

- 1. The Plan of Correction must be completed on the official QMB Survey Report of Findings/Plan of Correction Form and received by QMB within ten (10) business days from the date you received the report of findings.
- 2. For questions about the POC process, call the POC Coordinator, Amanda Castaneda at 575-373-5716 or email at <a href="mailto:AmandaE.Castaneda@state.nm.us">AmandaE.Castaneda@state.nm.us</a> for assistance.
- For Technical Assistance (TA) in developing or implementing your POC, contact your Regional DDSD Office.
- 4. Submit your POC to Amanda Castaneda, POC Coordinator in any of the following ways:
  - a. Electronically at AmandaE.Castaneda@state.nm.us (preferred method)
  - b. Fax to 575-528-5019, or
  - c. Mail to POC Coordinator, 1170 North Solano Ste D, Las Cruces, New Mexico 88001
- 5. Do not submit supporting documentation (evidence of compliance) to QMB until after your POC has been approved by the QMB.
- 6. QMB will notify you when your POC has been "approved" or "denied."

- a. During this time, whether your POC is "approved," or "denied," you will have a maximum of 45 business days from the date of receipt of your Report of Findings to correct all survey deficiencies.
- b. If your POC is denied, it must be revised and resubmitted as soon as possible, as the 45 business day limit is in effect.
- c. If your POC is denied a second time your agency may be referred to the Internal Review Committee.
- d. You will receive written confirmation when your POC has been approved by QMB and a final deadline for completion of your POC.
- e. Please note that all POC correspondence will be sent electronically unless otherwise requested.
- 7. Failure to submit your POC within 10 business days without prior approval of an extension by QMB will result in a referral to the Internal Review Committee and the possible implementation of monetary penalties and/or sanctions.

# **POC Document Submission Requirements**

Once your POC has been approved by the QMB Plan of Correction Coordinator you must submit copies of documents as evidence that all deficiencies have been corrected, as follows.

- 1. Your internal documents are due within a <u>maximum</u> of 45 business days of receipt of your Report of Findings.
- 2. It is preferred that you submit your documents via USPS or other carrier (scanned and saved to CD/DVD disc, flash drive, etc.). If the documents do not contain protected Health information (PHI) the preferred method is that you submit your documents electronically (scanned and attached to e-mails).
- All submitted documents <u>must be annotated</u>; please be sure the tag numbers and Identification numbers are indicated on each document submitted. Documents which are not annotated with the Tag number and Identification number may not be accepted.
- 4. Do not submit original documents; Please provide copies or scanned electronic files for evidence. Originals must be maintained in the agency file(s) per DDSD Standards.
- 5. In lieu of some documents, you may submit copies of file or home audit forms that clearly indicate cited deficiencies have been corrected, other attestations of correction must be approved by the Plan of Correction Coordinator prior to their submission.
- 6. When billing deficiencies are cited, you must provide documentation to justify billing and/or void and adjust forms submitted to Xerox State Healthcare, LLC for the deficiencies cited in the Report of Findings.

Revisions, Modifications or Extensions to your Plan of Correction (post QMB approval) must be made in writing and submitted to the Plan of Correction Coordinator, prior to the due date and are approved on a case-by-case basis. No changes may be made to your POC or the timeframes for implementation without written approval of the POC Coordinator.

#### Attachment B

# Department of Health, Division of Health Improvement QMB Determination of Compliance Process

The Division of Health Improvement, Quality Management Bureau (QMB) surveys compliance of the Developmental Disabilities Waiver (DDW) standards and state and federal regulations. QMB has grouped the CMS assurances into five Service Domains: Level of Care; Plan of Care; Qualified Providers; Health, Welfare and Safety; and Administrative Oversight (note that Administrative Oversight listed in this document is not the same as the CMS assurance of Administrative Authority. Used in this context it is related to the agency's operational policies and procedures, Quality Management system and Medicaid billing and reimbursement processes.)

The QMB Determination of Compliance process is based on provider compliance or non-compliance with standards and regulations identified in the QMB Report of Findings. All deficiencies (non-compliance with standards and regulations) are identified and cited as either a Standard level deficiency or a Condition of Participation level deficiency in the QMB Reports of Findings. All deficiencies require corrective action when non-compliance is identified.

Within the QMB Service Domains there are fundamental regulations, standards, or policies with which a provider must be in essential compliance in order to ensure the health and welfare of individuals served known as Conditions of Participation (CoPs).

The Determination of Compliance for each service type is based on a provider's compliance with CoPs in the following Service Domains.

Case Management Services (Four Service Domains):

- Plan of Care: ISP Development & Monitoring
- Level of Care
- Qualified Providers
- Health, Safety and Welfare

Community Living Supports / Inclusion Supports (Three Service Domains):

- Service Plans: ISP Implementation
- Qualified Provider
- Health, Safety and Welfare

#### **Conditions of Participation (CoPs)**

A CoP is an identified fundamental regulation, standard, or policy with which a provider must be in compliance in order to ensure the health and welfare of individuals served. CoPs are based on the Centers for Medicare and Medicaid Services, Home and Community-Based Waiver required assurances. A provider must be in compliance with CoPs to participate as a waiver provider.

QMB surveyors use professional judgment when reviewing the critical elements of each standard and regulation to determine when non-compliance with a standard level deficiency rises to the level of a CoP out of compliance. Only some deficiencies can rise to the level of a CoP (See the next section for a list of CoPs). The QMB survey team analyzes the relevant finding in terms of scope, actual harm or potential for harm, unique situations, patterns of performance, and other factors to determine if there is the potential for a negative outcome which would rise to the level of a CoP. A Standard level deficiency becomes a CoP out of compliance when the team's analysis establishes that there is an identified potential for

significant harm or actual harm. It is then cited as a CoP out of compliance. If the deficiency does not rise to the level of a CoP out of compliance, it is cited as a Standard Level Deficiency.

The Division of Health Improvement (DHI) and the Developmental Disabilities Supports Division (DDSD) collaborated to revise the current Conditions of Participation (CoPs). There are seven Conditions of Participation in which providers must be in compliance.

# CoPs and Service Domains for Case Management Supports are as follows:

# Service Domain: Plan of Care ISP Development & Monitoring

Condition of Participation:

1. **Individual Service Plan (ISP) Creation and Development**: Each individual shall have an ISP. The ISP shall be developed in accordance with DDSD regulations and standards and is updated at least annually or when warranted by changes in the individual's needs.

# Condition of Participation:

2. **ISP Monitoring and Evaluation:** The Case Manager shall ensure the health and welfare of the individual through monitoring the implementation of ISP desired outcomes.

# Service Domain: Level of Care

Condition of Participation:

3. **Level of Care**: The Case Manager shall complete all required elements of the Long Term Care Assessment Abstract (LTCAA) to ensure ongoing eligibility for waiver services.

# CoPs and Service Domain for ALL Service Providers is as follows:

# **Service Domain: Qualified Providers**

Condition of Participation:

4. **Qualified Providers**: Agencies shall ensure support staff has completed criminal background screening and all mandated trainings as required by the DDSD.

#### CoPs and Service Domains for Living Supports and Inclusion Supports are as follows:

#### **Service Domain: Service Plan: ISP Implementation**

Condition of Participation:

5. **ISP Implementation**: Services provided shall be consistent with the components of the ISP and implemented to achieve desired outcomes / action step.

# Service Domain: Health, Welfare and Safety

Condition of Participation:

6. **Individual Health, Safety and Welfare: (Safety)** Individuals have the right to live and work in a safe environment.

# Condition of Participation:

7. **Individual Health, Safety and Welfare (Healthcare Oversight)**: The provider shall support individuals to access needed healthcare services in a timely manner. Nursing, healthcare services and healthcare oversight shall be available and provided as needed to address individuals' health, safety and welfare.

# **QMB Determinations of Compliance**

# Compliance with Conditions of Participation

The QMB determination of *Compliance with Conditions of Participation* indicates that a provider is in compliance with all Conditions of Participation, (CoP). The agency has obtained a level of compliance such that there is a minimal potential for harm to individuals' health and safety. To qualify for a determination of Compliance with Conditions of Participation, the provider must be in compliance with all Conditions of Participation in all relevant Service Domains. The agency may also have Standard level deficiencies (deficiencies which are not at the condition level) out of compliance in any of the Service Domains.

# Partial-Compliance with Conditions of Participation

The QMB determination of *Partial-Compliance with Conditions of Participation* indicates that a provider is out of compliance with Conditions of Participation in one (1) to two (2) Service Domains. The agency may have one or more Condition level tags within a Service Domain. This partial-compliance, if not corrected, may result in a serious negative outcome or the potential for more than minimal harm to individuals' health and safety. The agency may also have Standard level deficiencies (deficiencies which are not at the condition level) in any of the Service Domains.

Providers receiving a <u>repeat</u> determination of Partial-Compliance for repeat deficiencies at the level of a Condition in any Service Domain may be referred by the Quality Management Bureau to the Internal Review Committee (IRC) for consideration of remedies and possible actions or sanctions.

# Non-Compliance with Conditions of Participation

The QMB determination of *Non-Compliance with Conditions of Participation* indicates a provider is significantly out of compliance with Conditions of Participation in multiple Service Domains. The agency may have one or more Condition level tags in each of 3 relevant Service Domains and/or 6 or more Condition of Participation level deficiencies overall, as well as widespread Standard level deficiencies identified in the attached QMB Report of Findings and requires implementation of a Plan of Correction.

This non-compliance, if not corrected, may result in a serious negative outcome or the potential for more than minimal harm to individuals' health and safety. The agency may also have Standard level deficiencies (deficiencies which are not at the condition level) in any of the Service Domains

Providers receiving a <u>repeat</u> determination of Non-Compliance will be referred by Quality Management Bureau to the Internal Review Committee (IRC) for consideration of remedies and possible actions or sanctions.

#### Attachment C

# Guidelines for the Provider Informal Reconsideration of Finding (IRF) Process

#### Introduction:

Throughout the QMB Survey process, surveyors are openly communicating with providers. Open communication means surveyors have clarified issues and/or requested missing information before completing the review through the use of the signed/dated "Document Request," or "Administrative Needs," etc. forms. Regardless, there may still be instances where the provider disagrees with a specific finding. Providers may use the following process to informally dispute a finding.

#### Instructions:

- 1. The Informal Reconsideration of the Finding (IRF) request must be received in writing to the QMB Deputy Bureau Chief <u>within 10 business days</u> of receipt of the final Report of Findings.
- 2. The written request for an IRF *must* be completed on the QMB Request for Informal Reconsideration of Finding form available on the QMB website: <a href="http://dhi.health.state.nm.us/qmb">http://dhi.health.state.nm.us/qmb</a>
- 3. The written request for an IRF must specify in detail the request for reconsideration and why the finding is inaccurate.
- 4. The IRF request must include all supporting documentation or evidence.
- 5. If you have questions about the IRF process, email the IRF Chairperson, Crystal Lopez-Beck at <a href="mailto:Crystal.Lopez-Beck@state.nm.us">Crystal.Lopez-Beck@state.nm.us</a> for assistance.

# The following limitations apply to the IRF process:

- The written request for an IRF and all supporting evidence must be received within 10 business days.
- Findings based on evidence requested during the survey and not provided may not be subject to reconsideration.
- The supporting documentation must be new evidence not previously reviewed or requested by the survey team.
- Providers must continue to complete their Plan of Correction during the IRF process
- Providers may not request an IRF to challenge the sampling methodology.
- Providers may not request an IRF based on disagreement with the nature of the standard or regulation.
- Providers may not request an IRF to challenge the team composition.
- Providers may not request an IRF to challenge the DHI/QMB determination of compliance or the length of their DDSD provider contract.

A Provider forfeits the right to an IRF if the request is not received within 10 business days of receiving the report and/or does not include all supporting documentation or evidence to show compliance with the standards and regulations.

The IRF Committee will review the request; the Provider will be notified in writing of the ruling; no face-to-face meeting will be conducted.

When a Provider requests that a finding be reconsidered, it does not stop or delay the Plan of Correction process. **Providers must continue to complete the Plan of Correction, including the finding in dispute regardless of the IRF status.** If a finding is removed or modified, it will be noted and removed or modified from the Report of Findings. It should be noted that in some cases a Plan of Correction may be completed prior to the IRF process being completed. The provider will be notified in writing on the decisions of the IRF committee.

Tag # 1A32 and LS14 / 6L14 Individual Service Plan Implementation	Standard Level Deficiency		
NMAC 7.26.5.16.C and D Development of the ISP. Implementation of the ISP. The ISP shall be implemented according to the timelines determined by the IDT and as specified in the ISP for each stated desired outcomes and action	Based on record review, the Agency did not implement the ISP according to the timelines determined by the IDT and as specified in the ISP for each stated desired outcomes and action plan for 12 of 46 individuals.	Provider: State your Plan of Correction for the deficiencies cited in this tag here (How is the deficiency going to be corrected? This can be specific to each deficiency cited or if possible an	
C. The IDT shall review and discuss information and recommendations with the individual, with the goal of supporting the individual in attaining desired outcomes. The IDT develops an ISP based upon the individual's personal vision statement, strengths, needs, interests and preferences. The ISP is a dynamic document, revised periodically, as needed, and amended to reflect progress towards personal goals and achievements consistent with the individual's future vision. This regulation is consistent with standards established for individual plan development as set forth by the commission on the accreditation of rehabilitation facilities (CARF) and/or other program accreditation approved and adopted by the developmental disabilities division (DDD), that to the extent permitted by funding, each individual receive supports and services that will assist and encourage independence and productivity in the community and attempt to prevent regression or loss of current capabilities. Services and supports include specialized and/or generic services,	As indicated by Individuals ISP the following was found with regards to the implementation of ISP Outcomes:  Administrative Files Reviewed:  Supported Living Data Collection/Data Tracking/Progress with regards to ISP Outcomes:  Individual #3  • According to the Fun Outcome; Action Step for "With staff support will choose a community center or park to visit" is to be completed 2 times per ISP year, evidence found indicated it was not being completed at the required frequency as indicated in the ISP for 1/2017.  Individual #27  • None found regarding: Live Outcome/Action Step: " will plan a date to invite family and friends" for 11/2016 – 1/2017. Action step is to be completed 2 times per month.  • None found regarding: Live Outcome/Action	Provider: Enter your ongoing Quality Assurance/Quality Improvement processes as it related to this tag number here (What is going to be done? How many individuals is this going to effect? How often will this be completed? Who is responsible? What steps will be taken if issues are found?): →	
training, education and/or treatment as determined by the IDT and documented in the ISP.	Step: " will choose the snacks to prepare" for 11/2016 – 1/2017. Action step is to be completed 2 times per month.		
D. The intent is to provide choice and obtain opportunities for individuals to live, work and play with full participation in their communities.	None found regarding: Live Outcome/Action Step: " will make and send out invitations"		

The following principles provide direction and for 11/2016 - 1/2017. Action step is to be purpose in planning for individuals with completed 2 times per month. developmental disabilities. [05/03/94; 01/15/97; Recompiled 10/31/01] None found regarding: Live Outcome/Action Step: "... will host his party" for 11/2016 -1/2017. Action step is to be completed 2 times per month. Individual #28 According to the Work/Learn Outcome; Action Step for "... will deliver card during the meals on wheels" is to be completed 1 time per month, evidence found indicated it was not being completed at the required frequency as indicated in the ISP for 1/2017. Individual #36 According to the Live Outcome; Action Step for "...will collect samples of oils of his choice" is to be completed 1 time per week, evidence found indicated it was not being completed at the required frequency as indicated in the ISP for 12/2016. Individual #44 • According to the Live Outcome: Action Step: "Use VOCA to indicate when she wants to go to bed" is to be completed 3 times per week, evidence found indicated it was not being completed at the required frequency as indicated in the ISP for 11/2016. • According to the Live Outcome; Action Step: "Use VOCA to indicate when she wants to listen to music" is to be completed 3 times per week, evidence found indicated it was not being completed at the required frequency as indicated in the ISP for 11/2016.

Family Living Data Collection/Data Tracking/Progress with regards to ISP

Outcomes:	
Individual #13	

- None found regarding: Live Outcome/Action Step: "... will prepare the dish" for 11/2016 – 12/2016. Action step is to be completed 2 times per month.
- None found regarding: Live Outcome/Action Step: "... will take a picture of said creation" for 11/2016 – 1/2017. Action step is to be completed 2 times per month.

#### Individual #22

None found regarding: Work/learn
 Outcome/Action Step: "...will call his family
 members with one prompt" for 11/2016 –
 1/2017. Action step is to be completed 2
 times per week.

# Customized Community Supports Data Collection/Data Tracking/Progress with regards to ISP Outcomes:

#### Individual #13

- None found regarding: Work/learn
   Outcome/Action Step: "...will choose what
   activity she wants to participate in" for
   11/2016 1/2017. Action step is to be
   completed 2 times per day.
- None found regarding: Work/learn
   Outcome/Action Step: "...will participate in
   activity for 15 minutes" for 11/2016 –
   1/2017. Action step is to be completed 2
   times per day.

#### Individual #48

 According to the Fun Outcome; Action Step for "... will work on his game" is to be completed 1 time per week, evidence found indicated it was not being completed at the required frequency as indicated in the ISP for 11/2016 and 1/2016.

Customized In-Home Supports Data Collection/Data Tracking/Progress with regards to ISP Outcomes:

#### Individual #12

- According to the Live Outcome; Action Step for "... will utilize his task list" is to be completed 2 times per week, evidence found indicated it was not being completed at the required frequency as indicated in the ISP for 11/2016 – 1/2017.
- According to the Live Outcome; Action Step for "... will utilize his calendar and schedule appointments and activities" is to be completed 2 times per month, evidence found indicated it was not being completed at the required frequency as indicated in the ISP for 11/2016 – 12/2016.
- According to the Live Outcome; Action Step for "... will plan and prepare a meal" is to be completed 1 time per week, evidence found indicated it was not being completed at the required frequency as indicated in the ISP for 11/2016 – 1/2017.

#### Residential Files Reviewed:

A. All case management, living supports, customized in-home supports, community integrated employment and customized community supports providers must maintain records for individuals served through DD Waiver in accordance with the Individual Case File Matrix incorporated in this director's release.

H. Readily accessible electronic records are accessible, including those stored through the Therap web-based system.

# Developmental Disabilities (DD) Waiver Service Standards effective 4/1/2007 CHAPTER 6. VIII. COMMUNITY LIVING SERVICE PROVIDER AGENCY REQUIREMENTS

A. Residence Case File: For individuals receiving Supported Living or Family Living, the Agency shall maintain in the individual's home a complete and current confidential case file for each individual. For individuals receiving Independent Living Services, rather than maintaining this file at the individual's home, the complete and current confidential case file for each individual shall be maintained at the agency's administrative site. Each file shall include the following:

(1) Complete and current ISP and all supplemental plans specific to the individual;

- Individual #27 TSS not found for the following Action Steps:
- Live Outcome Statement
  - > "... will plan a date to invite family and friends."
  - "... will choose the snacks to prepare."
  - > "... will make and send out invitations."
  - > "... will host his party."
- Individual #43 TSS not found for the following Action Steps:
- ° Live Outcome Statement
  - > "...will have two activities choices and will choose one."
  - > "... will do the activity."
- ° Fun Outcome Statement
  - "...will choose items for his area."
    - "... will create decorations with assistance."
- Behavior Crisis Intervention Plan (#23)
- Speech Therapy Plan (#3)
- Occupational Therapy Plan (#5, 36)
- Physical Therapy Plan (#10, 33)
- Healthcare Passport (#10, 46, 48)
- Special Health Care Needs
- Comprehensive Aspiration Risk Management Plan:
- Not Current (#8)

- (2) Complete and current Health Assessment Tool;
- (3) Current emergency contact information, which includes the individual's address, telephone number, names and telephone numbers of residential Community Living Support providers, relatives, or guardian or conservator, primary care physician's name(s) and telephone number(s), pharmacy name, address and telephone number and dentist name, address and telephone number, and health plan;
- (4) Up-to-date progress notes, signed and dated by the person making the note for at least the past month (older notes may be transferred to the agency office);
- (5) Data collected to document ISP Action Plan implementation
- (6) Progress notes written by direct care staff and by nurses regarding individual health status and physical conditions including action taken in response to identified changes in condition for at least the past month:
- (7) Physician's or qualified health care providers written orders:
- (8) Progress notes documenting implementation of a physician's or qualified health care provider's order(s):
- (9) Medication Administration Record (MAR) for the past three (3) months which includes:
- (a) The name of the individual;
- (b) A transcription of the healthcare practitioner's prescription including the brand and generic name of the medication;
- (c) Diagnosis for which the medication is prescribed;
- (d) Dosage, frequency and method/route of delivery;
- (e) Times and dates of delivery;
- (f) Initials of person administering or assisting with medication; and
- (g) An explanation of any medication irregularity, allergic reaction or adverse effect.

vehicle must complete a state-approved training		
program in passenger transportation assistance		
before assisting any resident. The passenger		
transportation assistance program shall be		
comprised of but not limited to the following		
elements: resident assessment, emergency		
procedures, supervised practice in the safe		
operation of equipment, familiarity with state		
regulations governing the transportation of		
persons with disabilities, and a method for		
determining and documenting successful		
completion of the course. The course		
requirements above are examples and may be		
modified as needed.		
(2) Any employee or agent of a regulated		
facility or agency who drives a motor vehicle		
provided by the facility or agency for use in the		
transportation of clients must complete:		
(a) A state approved training program in		
passenger assistance and		
(b) A state approved training program in the		
operation of a motor vehicle to transport clients		
of a regulated facility or agency. The motor		
vehicle transportation assistance program shall		
be comprised of but not limited to the following		
elements: resident assessment, emergency		
procedures, supervised practice in the safe		
operation of motor vehicles, familiarity with state		
regulations governing the transportation of		
persons with disabilities, maintenance and		
safety record keeping, training on hazardous		
driving conditions and a method for determining		
and documenting successful completion of the		
course. The course requirements above are		
examples and may be modified as needed.		
(c) A valid New Mexico driver's license for the		
type of vehicle being operated consistent with		
State of New Mexico requirements.		
(3) Each regulated facility and agency shall		
establish and enforce written polices (including		
training) and procedures for employees who		
provide assistance to clients with boarding or		

alighting from motor vehicles.  (4) Each regulated facility and agency shall establish and enforce written polices (including training and procedures for employees who operate motor vehicles to transport clients.  Developmental Disabilities (DD) Waiver Service

Subsection B of this section.			
(1) In cases where the criminal history record			
lists an arrest for a crime that would constitute a			
disqualifying conviction and no final disposition			
is listed for the arrest, the department will			
attempt to notify the applicant, caregiver or			
hospital caregiver and request information from			
the applicant, caregiver or hospital caregiver			
within timelines set forth in the department's			
notice regarding the final disposition of the			
arrest. Information requested by the department			
may be evidence, for example, a certified copy			
of an acquittal, dismissal or conviction of a			
lesser included crime.			
(2) An applicant's, caregiver's or hospital			
caregiver's failure to respond within the required			
timelines regarding the final disposition of the			
arrest for a crime that would constitute a			

disqualifying conviction shall result in the		
applicant's, caregiver's or hospital caregiver's		
temporary disqualification from employment as a		
caregiver or hospital caregiver pending written		
documentation submitted to the department		
evidencing the final disposition of the arrest.		
Information submitted to the department may be		
evidence, for example, of the certified copy of an		
acquittal, dismissal or conviction of a lesser		
included crime. In instances where the applicant,		
caregiver or hospital caregiver has failed to		
respond within the required timelines the		
department shall provide notice by certified mail		
that an employment clearance has not been		
granted. The Care Provider shall then follow the		
procedure of Subsection A., of Section 7.1.9.9.		
(3) The department will not make a final		
determination for an applicant, caregiver or		
hospital caregiver with a pending potentially		
disqualifying conviction for which no final		
disposition has been made. In instances of a		
pending potentially disqualifying conviction for		
which no final disposition has been made, the		
department shall notify the care provider,		
applicant, caregiver or hospital caregiver by		
certified mail that an employment clearance has		
not been granted. The Care Provider shall then		
follow the procedure of Subsection A, of Section		
7.1.9.9.		
B. Employment Pending Reconsideration		
<b>Determination:</b> At the discretion of the care		
provider, an applicant, caregiver or hospital		
caregiver whose nationwide criminal history		
record reflects a disqualifying conviction and		
who has requested administrative		
reconsideration may continue conditional		
supervised employment pending a determination		
on reconsideration.		
NIMAC 7.4 0.44 DICOLLA LEVINO		
NMAC 7.1.9.11 DISQUALIFYING		
CONVICTIONS. The following felony		
convictions disqualify an applicant, caregiver or		

hospital caregiver from employment or contractual services with a care provider: <b>A.</b> homicide;		
<b>B.</b> trafficking, or trafficking in controlled substances;		
<b>C.</b> kidnapping, false imprisonment, aggravated assault or aggravated battery;		
<b>D.</b> rape, criminal sexual penetration, criminal sexual contact, incest, indecent exposure, or other related felony sexual offenses;		
<b>E.</b> crimes involving adult abuse, neglect or financial exploitation;		
F. crimes involving child abuse or neglect;		
<b>G.</b> crimes involving robbery, larceny, extortion, burglary, fraud, forgery, embezzlement, credit card fraud, or receiving stolen property; or		
<b>H</b> . an attempt, solicitation, or conspiracy involving any of the felonies in this subsection.		

Tag # 1A26	Standard Level Deficiency		
Consolidated On-line Registry	,		
Employee Abuse Registry			
NMAC 7.1.12.8 REGISTRY ESTABLISHED; PROVIDER INQUIRY REQUIRED: Upon the effective date of this rule, the department has established and maintains an accurate and complete electronic registry that contains the name, date of birth, address, social security number, and other appropriate identifying information of all persons who, while employed by a provider, have been determined by the department, as a result of an investigation of a complaint, to have engaged in a substantiated registry-referred incident of abuse, neglect or exploitation of a person receiving care or services from a provider. Additions and updates to the registry shall be posted no later than two (2) business days following receipt. Only department staff designated by the custodian may access, maintain and update the data in the registry.  A. Provider requirement to inquire of registry. A provider, prior to employing or contracting with an employee, shall inquire of the registry whether the individual under consideration for employment or contracting is listed on the registry.  B. Prohibited employment. A provider may not employ or contract with an individual to be an employee if the individual is listed on the registry as having a substantiated registry-referred incident of abuse, neglect or exploitation of a person receiving care or services from a provider.  D. Documentation of inquiry to registry.  The provider shall maintain documentation in the employee's personnel or employment records that evidences the fact that the provider made an inquiry to the registry concerning that employee prior to employment. Such documentation must include evidence, based on	Based on record review, the Agency did not maintain documentation in the employee's personnel records that evidenced inquiry into the Employee Abuse Registry prior to employment for 3 of 247 Agency Personnel.  The following Agency personnel records contained no evidence of the Employee Abuse Registry check being completed:  Direct Support Personnel (DSP):  • #430 – Date of hire 7/6/2015.  The following Agency Personnel records contained evidence that indicated the Employee Abuse Registry check was completed after hire:  Direct Support Personnel (DSP):  • #424 – Date of hire 7/8/2015, completed 2/27/2017.  • #425 – Date of hire 11/31/2016, completed 2/27/2017.	Provider: State your Plan of Correction for the deficiencies cited in this tag here (How is the deficiency going to be corrected? This can be specific to each deficiency cited or if possible an overall correction?): →  Provider: Enter your ongoing Quality Assurance/Quality Improvement processes as it related to this tag number here (What is going to be done? the response to such inquiry received from the custodian by the provider, that the employee was not listed on the registry as having a substantiated registry-referred incident of abuse, neglect or exploitation.
E. Documentation for other staff. With respect to all employed or contracted individuals providing direct care who are licensed health care professionals or certified nurse aides, the provider shall maintain documentation reflecting the individual's current licensure as a health care professional or current certification as a nurse aide.  F. Consequences of noncompliance. The department or other governmental agency having regulatory enforcement authority over a provider may sanction a provider in accordance with applicable law if the provider fails to make an appropriate and timely inquiry of the registry, or fails to maintain evidence of such inquiry, in connection with the hiring or contracting of an employee; or for employing or contracting any person to work as an employee who is listed on the registry. Such sanctions may include a directed plan of correction, civil monetary penalty not to exceed five thousand dollars (\$5000) per instance, or reminiation or non-renewal of any contract with the department or other governmental agency.

o Individual #38 - As indicated by collateral documentation reviewed, the exam was completed on 9/2014. As indicated by the DDSD file matrix Vision Exams are to be conducted every other year. No evidence of current exam was found.

# Auditory Exam

o Individual #9 - As indicated by collateral documentation reviewed, exam was completed on 4/11/2016. Follow-up was to be completed "after wax removal." No evidence of follow-up found.

Community Living Services / Community Inclusion Services (Individuals Receiving Multiple Services):

#### Dental Exam

o Individual #13 - As indicated by collateral documentation reviewed, the exam was completed on 4/4/2015. As indicated by the DDSD file matrix, Dental Exams are to be conducted annually. No evidence of current exam was found.

# Mammogram Exam

 Individual #28 - As indicated by collateral documentation reviewed, exam was ordered on 4/11/2016. No evidence of exam results was found.

C. Documents to be maintained in the agency		
administrative office, include: (This is not an all-		
inclusive list refer to standard as it includes other		
items)		
,		
Developmental Disabilities (DD) Waiver Service		
Standards effective 4/1/2007		
CHAPTER 1 II. PROVIDER AGENCY		
REQUIREMENTS: D. Provider Agency Case		
File for the Individual: All Provider Agencies		
shall maintain at the administrative office a		
confidential case file for each individual. Case		
records belong to the individual receiving		
services and copies shall be provided to the		
receiving agency whenever an individual		
changes providers. The record must also be		
made available for review when requested by		
DOH, HSD or federal government		
representatives for oversight purposes. The		
individual's case file shall include the following		
requirements:		
(5) A medical history, which shall include at		
least demographic data, current and past		
medical diagnoses including the cause (if		
known) of the developmental disability,		
psychiatric diagnoses, allergies (food,		
environmental, medications), immunizations,		
and most recent physical exam;		
CHAPTER 6. VI. GENERAL		
REQUIREMENTS FOR COMMUNITY LIVING		
G. Health Care Requirements for		
Community Living Services.		
(1) The Community Living Service providers		
shall ensure completion of a HAT for each		
individual receiving this service. The HAT shall		
be completed 2 weeks prior to the annual ISP		
meeting and submitted to the Case Manager		
and all other IDT Members. A revised HAT is		
required to also be submitted whenever the		
individual's health status changes significantly.		

For individuals who are newly allocated to the

DD Waiver program, the HAT may be	
completed within 2 weeks following the initial	
ISP meeting and submitted with any strategies	
and support plans indicated in the ISP, or	
within 72 hours following admission into direct	
services, whichever comes first.	
(2) Each individual will have a Health Care	
Coordinator, designated by the IDT. When the	
individual's HAT score is 4, 5 or 6 the Health	
Care Coordinator shall be an IDT member,	
other than the individual. The Health Care	
Coordinator shall oversee and monitor health	
care services for the individual in accordance	
with these standards. In circumstances where	
no IDT member voluntarily accepts designation	
as the health care coordinator, the community	
living provider shall assign a staff member to	
this role.	
(3) For each individual receiving Community	
Living Services, the provider agency shall	
ensure and document the following:	
(a)Provision of health care oversight	
consistent with these Standards as	
detailed in Chapter One section III E:	
Healthcare Documentation by Nurses For	
Community Living Services, Community	
Inclusion Services and Private Duty Nursing Services.	
b) That each individual with a score of 4, 5,	
or 6 on the HAT, has a Health Care Plan	
developed by a licensed nurse.	
(c) That an individual with chronic	
condition(s) with the potential to	
exacerbate into a life threatening	
condition, has Crisis Prevention/	
Intervention Plan(s) developed by a	
licensed nurse or other appropriate	
professional for each such condition.	
(4) That an average of 3 hours of documented	
nutritional counseling is available annually, if	
recommended by the IDT.	
(5) That the physical property and grounds are	

	,	
free of hazards to the individual's health and		
safety.		
(6) In addition, for each individual receiving		
Supported Living or Family Living Services, the		
provider shall verify and document the		
following:		
(a)The individual has a primary licensed		
physician;		
(b)The individual receives an annual		
physical examination and other		
examinations as specified by a licensed physician;		
(c)The individual receives annual dental		
check-ups and other check-ups as		
specified by a licensed dentist;		
(d)The individual receives eye examinations		
as specified by a licensed optometrist or		
ophthalmologist; and		
(e)Agency activities that occur as follow-up		
to medical appointments (e.g. treatment,		
visits to specialists, changes in		
medication or daily routine).

# **Department of Health Developmental Disabilities Supports Division (DDSD) Medication Assessment and Delivery Policy** - Eff. November 1, 2006 F. PRN Medication 3. Prior to self-administration, selfadministration with physical assist or assisting with delivery of PRN medications, the direct support staff must contact the agency nurse to describe observed symptoms and thus assure that the PRN medication is being used according to instructions given by the ordering PCP. In cases of fever, respiratory distress (including coughing), severe pain, vomiting, diarrhea, change in responsiveness/level of consciousness, the nurse must strongly consider the need to conduct a face-to-face assessment to assure that the PRN does not mask a condition better treated by seeking medical attention. This does not apply to home based/family living settings where the provider is related by affinity or by consanguinity to the individual. 4. The agency nurse shall review the utilization of PRN medications routinely. Frequent or escalating use of PRN medications must be reported to the PCP and discussed by the Interdisciplinary for changes to the overall support plan (see Section H of this policy). H. Agency Nurse Monitoring 1. Regardless of the level of assistance with medication delivery that is required by the individual or the route through which the medication is delivered, the agency nurses must monitor the individual's response to the effects of their routine and PRN medications.

The frequency and type of monitoring must be based on the nurse's assessment of the individual and consideration of the individual's

diagnoses, health status, stability, utilization of PRN medications and level of support required by the individual's condition and the skill level and needs of the direct care staff. Nursing monitoring should be based on prudent nursing practice and should support the safety and independence of the individual in the community setting. The health care plan shall reflect the planned monitoring of the individual's response to medication.  Department of Health Developmental Disabilities Supports Division (DDSD) - Procedure Title:  Medication Assessment and Delivery Procedure Title:  Medication Assessment and Delivery Procedure Fil Date: November 1, 2006  C. 3. Prior to delivery of the PRN, direct support staff must contact the agency nurse to describe observed symptoms and thus assure that the PRN is being used according to instructions given by the ordering PCP. In cases of lever, respiratory distress (including coughing), severe pain, vorniting, diarrhea, change in responsiveness/level of consciousness, the nurse must strongly consider the need to conduct a face-to-face assessment to assure that the PRN does not mask a condition better treated by seeking medical attention. Developmental Disabilities (DD) Waiver Service	
Standards effective 11/1/2012 revised 4/23/2013;	
6/15/2015	
CHAPTER 11 (FL) 1 SCOPE OF SERVICES	
A. Living Supports- Family Living Services:	
The scope of Family Living Services includes,	
but is not limited to the following as identified by	
the Interdisciplinary Team (IDT):	
<b>19.</b> Assisting in medication delivery, and related	
monitoring, in accordance with the DDSD's	
Medication Assessment and Delivery Policy,	
New Mexico Nurse Practice Act, and Board of	
Pharmacy regulations including skill	
development activities leading to the ability for	
individuals to self-administer medication as	
appropriate; and	
I. Healthcare Requirements for Family Living.	
3. B. Adult Nursing Services for medication	
oversight are required for all surrogate Lining	
Supports- Family Living direct support personnel	
if the individual has regularly scheduled	
medication. Adult Nursing services for	
medication oversight are required for all	
surrogate Family Living Direct Support	
Personnel (including substitute care), if the	
individual has regularly scheduled medication.	
6. Support Living- Family Living Provider	
Agencies must have written policies and	
procedures regarding medication(s) delivery and	
tracking and reporting of medication errors in	
accordance with DDSD Medication Assessment	
and Delivery Policy and Procedures, the New	
Mexico Nurse Practice Act and Board of	
Pharmacy standards and regulations.	
a. All twenty four (24) hour regidential home	
a. All twenty-four (24) hour residential home	
sites serving two (2) or more unrelated	
individuals must be licensed by the Board of	

Pharmacy, per current regulations;	
b. When required by the DDSD Medication	
Assessment and Delivery Policy, Medication	
Administration Records (MAR) must be	
maintained and include:	
i.The name of the individual, a transcription of	
the physician's or licensed health care	
provider's prescription including the brand	
and generic name of the medication, and	
diagnosis for which the medication is	
prescribed;	
ii.Prescribed dosage, frequency and	
method/route of administration, times and	
dates of administration;	
iii.Initials of the individual administering or	
assisting with the medication delivery;	
iv.Explanation of any medication error;	
v.Documentation of any allergic reaction or	
adverse medication effect; and	
vi.For PRN medication, instructions for the use	
of the PRN medication must include	
observable signs/symptoms or	
circumstances in which the medication is to	
be used, and documentation of effectiveness	
of PRN medication administered.	
c. The Family Living Provider Agency must	
also maintain a signature page that	
designates the full name that corresponds to	
each initial used to document administered	
or assisted delivery of each dose; and	
d. Information from the prescribing pharmacy	
regarding medications must be kept in the	
home and community inclusion service	
locations and must include the expected	
desired outcomes of administering the	
medication, signs and symptoms of adverse	
events and interactions with other	
medications.	
e. Medication Oversight is optional if the	
individual resides with their biological family	

(by affinity or consanguinity). If Medication		
Oversight is not selected as an Ongoing		
Nursing Service, all elements of medication		
administration and oversight are the sole		
responsibility of the individual and their		
biological family. Therefore, a monthly		
medication administration record (MAR) is		
not required unless the family requests it		
and continually communicates all medication		
changes to the provider agency in a timely		
manner to insure accuracy of the MAR.		
i. The family must communicate at least		
annually and as needed for significant		
change of condition with the agency nurse		
regarding the current medications and the		
individual's response to medications for		
purpose of accurately completing required		
nursing assessments.		
ii. As per the DDSD Medication Assessment		
and Delivery Policy and Procedure, paid		
DSP who are not related by affinity or		
consanguinity to the individual may not		
deliver medications to the individual unless		
they have completed Assisting with		
Medication Delivery (AWMD) training. DSP		
may also be under a delegation relationship		
with a DDW agency nurse or be a Certified		
Medication Aide (CMA). Where CMAs are		
used, the agency is responsible for		
maintaining compliance with New Mexico		
Board of Nursing requirements.		
iii. If the substitute care provider is a surrogate		
(not related by affinity or consanguinity)		
Medication Oversight must be selected and		
provided.		
CHAPTER 12 (SL) 2. Service Requirements L.		
Training and Requirements: 3. Medication		
Delivery: Supported Living Provider Agencies		
must have written policies and procedures		
regarding medication(s) delivery and tracking		
and reporting of medication errors in accordance		
and reporting of medication entries in decordance		

with DDSD Medication Assessment and Delivery		
Policy and Procedures, New Mexico Nurse		
Practice Act, and Board of Pharmacy standards		
and regulations.		
a. All twenty-four (24) hour residential home		
sites serving two (2) or more unrelated		
individuals must be licensed by the Board of		
Pharmacy, per current regulations;		
b. When required by the DDSD Medication		
Assessment and Delivery Policy, Medication		
Administration Records (MAR) must be		
maintained and include:		
i. The name of the individual, a transcription		
of the physician's or licensed health care		
provider's prescription including the brand		
and generic name of the medication, and		
diagnosis for which the medication is		
prescribed;		
ii. Prescribed dosage, frequency and		
method/route of administration, times and		
dates of administration;		
iii. Initials of the individual administering or		
assisting with the medication delivery;		
assisting with the medication delivery,		
iv Evalenation of any modication arrow		
iv. Explanation of any medication error;		
v. Documentation of any allergic reaction or		
adverse medication effect; and		
vi. For PRN medication, instructions for the		
use of the PRN medication must include		
observable signs/symptoms or		
circumstances in which the medication is to		
be used, and documentation of		
effectiveness of PRN medication		
administered.		

that provide Community Living, Community Inclusion or Private Duty Nursing services shall

have written policies and procedures regarding		
medication(s) delivery and tracking and		
reporting of medication errors in accordance		
with DDSD Medication Assessment and		
Delivery Policy and Procedures, the Board of		
Nursing Rules and Board of Pharmacy		
standards and regulations.		
(2) When required by the DDSD Medication		
Assessment and Delivery Policy, Medication		
Administration Records (MAR) shall be		
maintained and include:		
(a) The name of the individual, a		
transcription of the physician's written or		
licensed health care provider's		
prescription including the brand and		
generic name of the medication,		
diagnosis for which the medication is		
prescribed;		
<ul><li>(b) Prescribed dosage, frequency and</li></ul>		
method/route of administration, times		
and dates of administration;		
(c) Initials of the individual administering or		
assisting with the medication;

guardian shall sign this at the time of orientation.			

Committees are required for residential service provider agencies. The purpose of these committees with respect to the provision of Behavior Supports is to review and monitor the implementation of certain Behavior Support Plans.	[	
Human Rights Committees may not approve any of the interventions specifically prohibited in the following policies:  • Aversive Intervention Prohibitions  • Psychotropic Medications Use  • Behavioral Support Service Provision.		
A Human Rights Committee may also serve other agency functions as appropriate, such as the review of internal policies on sexuality and incident management follow-up.		
A. HUMAN RIGHTS COMMITTEE ROLE IN BEHAVIOR SUPPORTS  Only those Behavior Support Plans with an aversive intervention included as part of the plan or associated Crisis Intervention Plan need to be reviewed prior to implementation. Plans not containing aversive interventions do not require Human Rights Committee review or approval.		
2. The Human Rights Committee will determine and adopt a written policy stating the frequency and purpose of meetings. Behavior Support Plans approved by the Human Rights Committee will be reviewed at least quarterly.		
3. Records, including minutes of all meetings will be retained at the agency with primary responsibility for implementation for at least five years from the completion of each individual's Individual Service Plan.

The emergency evacuation procedures must address, but are not limited to, fire, chemical and/or hazardous waste spills, and flooding.

CHAPTER 12 (SL) Living Supports – Supported Living Agency Requirements G. Residence Requirements for Living Supports- Supported Living Services: 1. Supported Living Provider Agencies must assure that each individual's residence is maintained to be clean, safe, and comfortable and accommodates the individual's daily living, social, and leisure activities. In addition, the residence must:

- a. Maintain basic utilities, i.e., gas, power, water, and telephone;
- b. Provide environmental accommodations and assistive technology devices in the residence including modifications to the bathroom (i.e., shower chairs, grab bars, walk in shower, raised toilets, etc.) based on the unique needs of the individual in consultation with the IDT:
- c. Ensure water temperature in home does not exceed safe temperature (110°F);
- d. Have a battery operated or electric smoke

Note: The following Individuals share a residence:

**>** #3, 10

**\*** #8, 16, 44

# **Family Living Requirements:**

- Accessible written procedures for emergency evacuation e.g. fire and weather-related threats (#13)
- Accessible written procedures for the safe storage of all medications with dispensing instructions for each individual that are consistent with the Assisting with Medication Administration training or each individual's ISP (#5, 33)

detectors and carbon monoxide detectors,		
fire extinguisher, or a sprinkler system;		
e. Have a general-purpose First Aid kit;		
e. Have a general-purpose i list Ald Kit,		
f. Allow at a maximum of two (2) individuals to share, with mutual consent, a bedroom and each individual has the right to have his or her own bed;		
g. Have accessible written documentation of actual evacuation drills occurring at least three (3) times a year. For Supported Living evacuation drills must occur at least once a year during each shift;		
h. Have accessible written procedures for the safe storage of all medications with dispensing instructions for each individual that are consistent with the Assisting with Medication Delivery training or each individual's ISP; and		
i. Have accessible written procedures for emergency placement and relocation of individuals in the event of an emergency evacuation that makes the residence unsuitable for occupancy. The emergency evacuation procedures must address, but are not limited to, fire, chemical and/or hazardous waste spills, and flooding.		
CHAPTER 13 (IMLS) 2. Service Requirements R. Staff Qualifications: 3. Supervisor Qualifications And Requirements:		
S Each residence shall include operable safety equipment, including but not limited to, an operable smoke detector or sprinkler system, a carbon monoxide detector if any natural gas appliance or heating is used, fire		
extinguisher, general purpose first aid kit, written procedures for emergency evacuation		

due to fire or other emergency and documentation of evacuation drills occurring at least annually during each shift, phone number for poison control within line of site of the telephone, basic utilities, general household appliances, kitchen and dining utensils, adequate food and drink for three meals per day, proper food storage, and cleaning supplies.		
T Each residence shall have a blood borne pathogens kit as applicable to the residents' health status, personal protection equipment, and any ordered or required medical supplies shall also be available in the home.		
U If not medically contraindicated, and with mutual consent, up to two (2) individuals may share a single bedroom. Each individual shall have their own bed. All bedrooms shall have doors that may be closed for privacy. Individuals have the right to decorate their bedroom in a style of their choosing consistent with safe and sanitary living conditions.		
V For residences with more than two (2) residents, there shall be at least two (2) bathrooms. Toilets, tubs/showers used by the individuals shall provide for privacy and be designed or adapted for the safe provision of personal care. Water temperature shall be maintained at a safe level to prevent injury and ensure comfort and shall not exceed one hundred ten (110) degrees.

Developmental Disabilities (DD) Waiver Service Standards effective 11/1/2012 revised 4/23/2013; 6/15/2015  CHAPTER 5 (CIES) 4. REIMBURSEMENT:  A. Community Integrated Employment Services Provider Agencies must maintain all records necessary to fully disclose the type, quality, quantity and clinical necessity of services furnished to individuals who are currently receiving services. The Community Integrated Employment Services Provider Agency records must be sufficiently detailed to substantiate the date, time, individual name, servicing provider, nature of services, and length of a session of service billed. Providers are required to comply with the New Mexico Human Services Department Billing Regulations.	Based on record review, the Agency did not provide written or electronic documentation as evidence for each unit billed for Supported Employment Services for 1 of 24 individuals  Individual #15 January 2017  • The Agency billed 25 units of Supported Employment (T2019 HB HQ) on 1/3/2017. No documentation was found on 1/3/2017 to justify the 25 units billed. (Note: No Plan of Correction required. Void/Adjust Claim provided during the on-site survey.)		
<ul> <li>B. Billable Units:</li> <li>1. The billable unit for Community Integrated Employment, which includes Job Development and Job Maintenance, is a monthly unit.</li> <li>2. The billable unit for Group Community Integrated Employment is a fifteen (15) minute unit.</li> </ul>			
3. The billable unit for Intensive Community Integrated Employment is an hourly unit.			
C. Billable Activities:			

1. Self and Individual Community Integrated Employment, Community Inclusion Aide: All one-to-one (1:1) DSP activities that are included in the individual's approved ISP and delivered in accordance with the Scope of Services, and not included in non-billable services, activities or situations. 2. Self-Employment may include non-face-toface activity in support of the participant's business up to 50% of the billable time. The activities include development of a business plan and market analysis, marketing, advertising, DVR referral, document submission and processing regarding taxes or licenses, processing or filling orders. 3. Group Community Integrated Employment: All DSP face to face activities with the consumer as specified in the Scope of Services, the individual's approved ISP and the performance based contract, and which are not included in non-billable services, activities or situations. 4. Job Development: both face to face and non-face to face activities as described in the Scope of Services, the individual's approved ISP and the performance based contract. 50% of billable activities must be face to face. 5. Conducting the Vocational Assessment Profile (VAP) or other vocational assessment. 6. A minimum of four (4) hours of service must be provided monthly with a maximum of forty (40) hours per month for Community Integrated Employment Job Maintenance. The rate structure assumes a caseload of five (5) individuals per job developer which allows for an average support of approximately 22 hours of support per

individual per month.

NMAC 8.302.1.17 Effective Date 9-15-08		
Record Keeping and Documentation		
Requirements - A provider must maintain all the		
records necessary to fully disclose the nature,		
quality, amount and medical necessity of		
services furnished to an eligible recipient who is		
currently receiving or who has received services		
in the past.		
<b>Detail Required in Records -</b> Provider Records		
must be sufficiently detailed to substantiate the		
date, time, eligible recipient name, rendering,		
attending, ordering or prescribing provider; level		
and quantity of services, length of a session of		
service billed, diagnosis and medical necessity		
of any service Treatment plans or other		
plans of care must be sufficiently detailed to		
substantiate the level of need, supervision, and		
direction and service(s) needed by the eligible		
recipient.		
Services Billed by Units of Time -		
Services billed on the basis of time units spent		
with an eligible recipient must be sufficiently		
detailed to document the actual time spent with		
the eligible recipient and the services provided		
during that time unit.		
Records Retention - A provider who receives		
payment for treatment, services or goods must		
retain all medical and business records relating		
to any of the following for a period of at least six		
years from the payment date:		
(1) treatment or care of any eligible recipient		
(2) services or goods provided to any eligible		
recipient		
(3) amounts paid by MAD on behalf of any		
eligible recipient; and		
(4) any records required by MAD for the		
administration of Medicaid.

Dear Mr. Kivitz;

The Division of Health Improvement/Quality Management Bureau has received, reviewed and approved the supporting documents you submitted for your Plan of Correction. The documents you provided verified that all previously cited survey Deficiencies have been corrected.

### The Plan of Correction process is now complete.

Furthermore, your agency is now determined to be in Compliance with all Conditions of Participation.

To maintain ongoing compliance with standards and regulations, continue to use the Quality Assurance (self-auditing) processes you described in your Plan of Correction.

Consistent use of these Quality Assurance processes will enable you to identify and promptly respond to problems, enhance your service delivery, and result in fewer deficiencies cited in future QMB surveys.

Thank you for your cooperation with the Plan of Correction process, for striving to come into compliance with standards and regulations, and for helping to provide the health, safety and personal growth of the people you serve.

Sincerely,

Amanda Castañeda

Amanda Castañeda Plan of Correction Coordinator Quality Management Bureau/DHI
