

*(Revised 1.3.2020 Tag #S30)*

Date: November 22, 2019

To: Johnathan Baca, Executive Director  
Provider: Bright Horizons, Inc.  
Address: 3809 Academy Parkway S. NE  
City, State/Zip: Albuquerque, New Mexico 87109

E-mail Address: [jonb@brighthorizonsnm.com](mailto:jonb@brighthorizonsnm.com)

Board Chair E-Mail Address: [jason@brighthorizonsnm.com](mailto:jason@brighthorizonsnm.com); [kimberlyallennm@gmail.com](mailto:kimberlyallennm@gmail.com)

Region: Metro  
Survey Date: September 13 – 19, 2019

Program Surveyed: Developmental Disabilities Waiver

Service Surveyed: **2018:** Supported Living, Family Living; Customized In-Home Supports; Customized Community Supports, and Community Integrated Employment Services

Survey Type: Routine

Team Leader: Elisa C. Perez Alford, MSW, Healthcare Surveyor, Division of Health Improvement/Quality Management Bureau

Team Members: Kayla R. Benally, BSW, Healthcare Surveyor, Division of Health Improvement/Quality Management Bureau; Heather Driscoll, AA, Healthcare Surveyor, Division of Health Improvement/Quality Management Bureau; Roxanne Garcia, BA, Healthcare Surveyor, Division of Health Improvement/Quality Management Bureau; Wolf Krusemark, BFA, Healthcare Surveyor Supervisor, Division of Health Improvement/Quality Management Bureau; Lora Norby, Healthcare Surveyor, Division of Health Improvement/Quality Management Bureau; Bernadette Baca, MPA, Healthcare Surveyor, Division of Health Improvement/Quality Management Bureau; Beverly Estrada, AA, Healthcare Surveyor, Division of Health Improvement/Quality Management Bureau; Monica deHerrera-Pardo, MCJ, Healthcare Surveyor, Division of Health Improvement/Quality Management Bureau; Crystal Archuleta, BS, Healthcare Surveyor, Division of Health Improvement/Quality Management Bureau

Dear Mr. Johnathan Baca;

The Division of Health Improvement/Quality Management Bureau has completed a compliance survey of the services identified above. The purpose of the survey was to determine compliance with federal and state standards; to assure the health, safety, and welfare of individuals receiving services through the Developmental Disabilities Waiver; and to identify opportunities for improvement. This Report of Findings will be shared with the Developmental Disabilities Supports Division for their use in determining your current and future provider agreements. Upon receipt of this letter

**DIVISION OF HEALTH IMPROVEMENT**

5301 Central Avenue NE, Suite 400 • Albuquerque, New Mexico • 87108

QMB Report of Findings – Bright Horizons, Inc. – Metro – September 13 - 19, 2019

Survey Report #: Q.20.1.DDW.D2079.5.RTN.01.19.326

and Report of Findings your agency must immediately correct all deficiencies which place Individuals served at risk of harm.

**Determination of Compliance:**

The Division of Health Improvement, Quality Management Bureau has determined your agency is in:

**Non-Compliance:** This determination is based on noncompliance with 17 or more total Tags with 0 to 5 Condition of Participation Level Tags with 75% to 100% of the survey sample affected in any Condition of Participation Level tag or any amount of Standard Level Tags with 6 or more Condition of Participation Level Tags (*refer to Attachment D for details*). The attached QMB Report of Findings indicates Standard Level and Condition of Participation Level deficiencies identified and requires completion and implementation of a Plan of Correction.

**The following tags are identified as Condition of Participation Level:**

- Tag # LS14 Residential Service Delivery Site Case File (ISP and Healthcare Requirements)
- Tag # 1A22 Agency Personnel Competency
- Tag # 1A25.1 Caregiver Criminal History Screening
- Tag # 1A37 Individual Specific Training
- Tag # 1A09 Medication Delivery Routine Medication Administration
- Tag # 1A09.1 Medication Delivery PRN Medication Administration
- Tag # 1A09.2 Medication Delivery Nurse Approval for PRN Medication
- Tag # 1A15.2 Administrative Case File: Healthcare Documentation (Therap and Required Plans)
- Tag # 1A31 Client Rights / Human Rights

**The following tags are identified as Standard Level:**

- Tag # 1A08 Administrative Case File (Other Required Documents)
- Tag # 1A08.3 Administrative Case File: Individual Service Plan / ISP Components
- Tag # 1A32.1 Administrative Case File: Individual Service Plan Implementation (*Not Completed at Frequency*)
- Tag # 1A32.2 Individual Service Plan Implementation (Residential Implementation)
- Tag # IS04 Community Life Engagement
- Tag # 1A38 Living Care Arrangement / Community Inclusion Reporting Requirements
- Tag # 1A38.1 Living Care Arrangement / Community Inclusion Reporting Requirements (Reporting Components)
- Tag # IS12 Person Centered Assessment (Community Inclusion)
- Tag # LS14.1 Residential Service Delivery Site Case File (Other Req. Documentation)
- Tag # 1A20 Direct Support Personnel Training
- Tag # 1A26 Consolidated On-line Registry Employee Abuse Registry
- Tag # 1A03 Continuous Quality Improvement System & Key Performance Indicators (KPIs)
- Tag # 1A43.1 General Events Reporting: Individual Reporting
- Tag # 1A08.2 Administrative Case File: Healthcare Requirements & Follow-up
- Tag # 1A09.0 Medication Delivery Routine Medication Administration
- Tag # 1A09.1.0 Medication Delivery PRN Medication Administration
- Tag # 1A33.1 Board of Pharmacy – License
- Tag # LS25 Residential Health & Safety (Supported Living / Family Living / Intensive Medical Living)
- Tag # IS30 Customized Community Supports Reimbursement
- Tag # LS27 Family Living Reimbursement

**Plan of Correction:**

The attached Report of Findings identifies the deficiencies found during your agency's on-site compliance review. You are required to complete and implement a Plan of Correction. Your agency has a total of 45 business days (10 business days to submit your POC for approval and 35 days to implement your *approved* Plan of Correction) from the receipt of this letter.

You were provided information during the exit meeting portion of your on-site survey. Please refer to this information (Attachment A) for specific instruction on completing your Plan of Correction. At a minimum your Plan of Correction should address the following for each Tag cited:

**Corrective Action for Current Citation:**

- How is the deficiency going to be corrected? (i.e. obtained documents, retrain staff, individuals and/or staff no longer in service, void/adjusts completed, etc.) This can be specific to each deficiency cited or if possible, an overall correction, i.e. all documents will be requested and filed as appropriate.

**On-going Quality Assurance/Quality Improvement Processes:**

- What is going to be done on an ongoing basis? (i.e. file reviews, etc.)
- How many individuals is this going to effect? (i.e. percentage of individuals reviewed, number of files reviewed, etc.)
- How often will this be completed? (i.e. weekly, monthly, quarterly, etc.)
- Who is responsible? (responsible position within your agency)
- What steps will be taken if issues are found? (i.e. retraining, requesting documents, filing RORA, etc.)
- How is this integrated in your agency's QIS, QI Committee reviews and annual report?

**Submission of your Plan of Correction:**

Please submit your agency's Plan of Correction in the available space on the two right-hand columns of the Report of Findings. (See attachment "A" for additional guidance in completing the Plan of Correction).

Within 10 business days of receipt of this letter your agency Plan of Correction must be submitted to the parties below:

1. **Quality Management Bureau, Attention: Monica Valdez, Plan of Correction Coordinator  
5301 Central Ave NE Suite 400, Albuquerque, New Mexico 87108**
2. **Developmental Disabilities Supports Division Regional Office for region of service surveyed**

Upon notification from QMB that your *Plan of Correction has been approved*, you must implement all remedies and corrective actions to come into compliance. If your Plan of Correction is denied, you must resubmit a revised plan as soon as possible for approval, as your POC approval and all remedies must be completed within 45 business days of the receipt of this letter.

Failure to submit your POC within the allotted 10 business days or complete and implement your Plan of Correction within the total 45 business days allowed may result in the imposition of a \$200 per day Civil Monetary Penalty until it is received, completed and/or implemented.

**Billing Deficiencies:**

If you have deficiencies noted in this report of findings under the *Service Domain: Medicaid Billing/Reimbursement*, you must complete a "Void/Adjust" claim or remit the identified overpayment via a check within 30 calendar days of the date of this letter to HSD/OIG/PIU, *though this is not the preferred method of payment*. If you choose to pay via check, please include a copy of this letter with the payment. Make the check payable to the New Mexico Human Services Department and mail to:

Attention: *Lisa Medina-Lujan*  
HSD/OIG/Program Integrity Unit  
1474 Rodeo Road  
Santa Fe, New Mexico 87505

If you have questions and would like to speak with someone at HSD/OIG/PIU, please contact:

*Lisa Medina-Lujan* ([Lisa.medina-lujan@state.nm.us](mailto:Lisa.medina-lujan@state.nm.us))  
OR  
*Jennifer Goble* ([Jennifer.goble2@state.nm.us](mailto:Jennifer.goble2@state.nm.us))

Please be advised that there is a one-week lag period for applying payments received by check to Void/Adjust claims. During this lag period, your other claim payments may be applied to the amount you owe even though you have sent a refund, reducing your payment amount. For this reason, we recommend that you allow the system to recover the overpayment instead of sending in a check.

**Request for Informal Reconsideration of Findings (IRF):**

If you disagree with a finding of deficient practice, you have 10 business days upon receipt of this notice to request an IRF. Submit your request for an IRF in writing to:

ATTN: QMB Bureau Chief  
Request for Informal Reconsideration of Findings  
5301 Central Ave NE Suite #400  
Albuquerque, NM 87108  
Attention: IRF request/QMB

See Attachment "C" for additional guidance in completing the request for Informal Reconsideration of Findings. The request for an IRF will not delay the implementation of your Plan of Correction which must be completed within 45 total business days (10 business days to submit your POC for approval and 35 days to implement your *approved* Plan of Correction). Providers may not appeal the nature or interpretation of the standard or regulation, the team composition or sampling methodology. If the IRF approves the modification or removal of a finding, you will be advised of any changes.

Please call the Plan of Correction Coordinator, Monica Valdez at 505-273-1930 if you have questions about the Report of Findings or Plan of Correction. Thank you for your cooperation and for the work you perform.

Sincerely,

*Elisa C. Perez Alford, MSW*

### Provider Instructions for Completing the QMB Plan of Correction (POC) Process

#### **Introduction:**

After a QMB Compliance Survey, your QMB Report of Findings will be sent to you via e-mail.

Each provider must develop and implement a Plan of Correction (POC) that identifies specific quality assurance and quality improvement activities the agency will implement to correct deficiencies and prevent continued deficiencies and non-compliance.

Agencies must submit their Plan of Correction within ten (10) business days from the date you receive the QMB Report of Findings. (Providers who do not submit a POC within 10 business days may be referred to the DDS Regional Office for purposes of contract management or the Internal Review Committee [IRC] for possible actions or sanctions).

Agencies must fully implement their approved Plan of Correction within 45 business days (10 business days to submit your POC for approval and 35 days to implement your approved Plan of Correction) from the date they receive the QMB Report of Findings. Providers who fail to complete a POC within the 45-business days allowed will be referred to the IRC for possible actions or sanctions.

If you have questions about the Plan of Correction process, call the Plan of Correction Coordinator at 505-273-1930 or email at [MonicaE.Valdez@state.nm.us](mailto:MonicaE.Valdez@state.nm.us). Requests for technical assistance must be requested through your Regional DDS Office.

The POC process cannot resolve disputes regarding findings. If you wish to dispute a finding on the official Report of Findings, you must file an Informal Reconsideration of Findings (IRF) request within ten (10) business days of receiving your report. Please note that you must still submit a POC for findings that are in question (see Attachment C).

#### **Instructions for Completing Agency POC:**

##### **Required Content**

Your Plan of Correction should provide a step-by-step description of the methods to correct each deficient practice cited to prevent recurrence and information that ensures the regulation cited comes into and remains in compliance. The remedies noted in your POC are expected to be added to your Agency's required, annual Quality Assurance (QA) Plan.

If a deficiency has already been corrected since the on-site survey, the plan should state how it was corrected, the completion date (date the correction was accomplished), and how possible recurrence of the deficiency will be prevented.

*The following details should be considered when developing your Plan of Correction:*

**The Plan of Correction must address each deficiency cited in the Report of Findings unless otherwise noted with a "No Plan of Correction Required statement." The Plan of Correction must address the five (5) areas listed below:**

1. How the specific and realistic corrective action will be accomplished for individuals found to have been affected by the deficient practice.
2. How the agency will identify other individuals who have the potential to be affected by the same deficient practice, and how the agency will act to protect those individuals in similar situations.
3. What Quality Assurance measures will be put into place and what systemic changes made to ensure the deficient practice will not recur.
4. Indicate how the agency plans to monitor its performance to make certain solutions are sustained. The agency must develop a QA plan for ensuring correction is achieved and sustained. This QA plan must be implemented, and the corrective action is evaluated for its effectiveness. The plan of correction is integrated into the agency quality assurance system; and

5. Include dates when corrective actions will be completed. The corrective action completion dates must be acceptable to the State.

*The following details should be considered when developing your Plan of Correction:*

- Details about how and when Individual Served, agency personnel and administrative and service delivery site files are audited by agency personnel to ensure they contain required documents;
- Information about how medication administration records are reviewed to verify they contain all required information before they are distributed to service sites, as they are being used, and after they are completed;
- Your processes for ensuring that all required agency personnel are trained on required DDSD required trainings;
- How accuracy in billing/reimbursement documentation is assured;
- How health, safety is assured;
- For Case Management providers, how Individual Service Plans are reviewed to verify they meet requirements, how the timeliness of level of care (LOC) packet submissions and consumer visits are tracked;
- Your process for gathering, analyzing and responding to quality data indicators; and,
- Details about Quality Targets in various areas, current status, analyses about why targets were not met, and remedies implemented.

**Note: Instruction or in-service of staff alone may not be a sufficient plan of correction.** This is a good first step toward correction, but additional steps must be taken to ensure the deficiency is corrected and will not recur.

#### **Completion Dates**

- The plan of correction must include a **completion date** (entered in the far right-hand column) for each finding. Be sure the date is **realistic** in the amount of time your Agency will need to correct the deficiency; not to exceed 45 total business days.
- Direct care issues should be corrected immediately and monitored appropriately.
- Some deficiencies may require a staged plan to accomplish total correction.
- Deficiencies requiring replacement of equipment, etc., may require more time to accomplish correction but should show reasonable time frames.

#### **Initial Submission of the Plan of Correction Requirements**

1. The Plan of Correction must be completed on the official QMB Survey Report of Findings/Plan of Correction Form and received by QMB within ten (10) business days from the date you received the report of findings.
2. For questions about the POC process, call the POC Coordinator, Monica Valdez at 505-273-1930 or email at [MonicaE.Valdez@state.nm.us](mailto:MonicaE.Valdez@state.nm.us) for assistance.
3. For Technical Assistance (TA) in developing or implementing your POC, contact your Regional DDSD Office.
4. Submit your POC to Monica Valdez, POC Coordinator in any of the following ways:
  - a. Electronically at [MonicaE.Valdez@state.nm.us](mailto:MonicaE.Valdez@state.nm.us) (**preferred method**)
  - b. Fax to 505-222-8661, or
  - c. Mail to POC Coordinator, 5301 Central Ave NE Suite 400, Albuquerque, New Mexico 87108
5. **Do not submit supporting documentation** (evidence of compliance) to QMB **until after** your POC has been approved by the QMB.
6. QMB will notify you when your POC has been “approved” or “denied.”
  - a. During this time, whether your POC is “approved,” or “denied,” you will have a maximum of 45-business days from the date of receipt of your Report of Findings to correct all survey deficiencies.
  - b. If your POC is denied, it must be revised and resubmitted as soon as possible, as the 45-business day limit is in effect.
  - c. If your POC is denied a second time your agency may be referred to the Internal Review Committee.
  - d. You will receive written confirmation when your POC has been approved by QMB and a final deadline for completion of your POC.
  - e. Please note that all POC correspondence will be sent electronically unless otherwise requested.
7. Failure to submit your POC within 10 business days without prior approval of an extension by QMB will result in a referral to the Internal Review Committee and the possible implementation of monetary penalties and/or sanctions.

### ***POC Document Submission Requirements***

Once your POC has been approved by the QMB Plan of Correction Coordinator you must submit copies of documents as evidence that all deficiencies have been corrected, as follows.

1. Your internal documents are due within a *maximum* of 45-business days of receipt of your Report of Findings.
2. It is preferred that you submit your documents via USPS or other carrier (scanned and saved to CD/DVD disc, flash drive, etc.). If documents containing HIPAA Protected Health Information (PHI) documents must be submitted through S-Comm (Therap), Fax or Postal System, do not send PHI directly to NMDOH email accounts. If the documents do not contain protected Health information (PHI) then you may submit your documents electronically scanned and attached to e-mails.
3. All submitted documents *must be annotated*; please be sure the tag numbers and Identification numbers are indicated on each document submitted. Documents which are not annotated with the Tag number and Identification number may not be accepted.
4. Do not submit original documents; Please provide copies or scanned electronic files for evidence. Originals must be maintained in the agency file(s) per DDSD Standards.
5. In lieu of some documents, you may submit copies of file or home audit forms that clearly indicate cited deficiencies have been corrected, other attestations of correction must be approved by the Plan of Correction Coordinator prior to their submission.
6. When billing deficiencies are cited, you must provide documentation to justify billing and/or void and adjust forms submitted to Xerox State Healthcare, LLC for the deficiencies cited in the Report of Findings.

**Revisions, Modifications or Extensions to your Plan of Correction (post QMB approval) must be made in writing and submitted to the Plan of Correction Coordinator, prior to the due date and are approved on a case-by-case basis. No changes may be made to your POC or the timeframes for implementation without written approval of the POC Coordinator.**

## Attachment B

### Department of Health, Division of Health Improvement QMB Determination of Compliance Process

The Division of Health Improvement, Quality Management Bureau (QMB) surveys compliance of the Developmental Disabilities Waiver (DDW) standards and other state and federal regulations. For the purpose of the LCA / CI survey the CMS waiver assurances have been grouped into four (4) Service Domains: Plan of Care (ISP Implementation); Qualified Providers; Health, Welfare and Safety; and Administrative Oversight (note that Administrative Oversight listed in this document is not the same as the CMS assurance of Administrative Authority. Used in this context it is related to the agency's operational policies and procedures, Quality Assurance system and Medicaid billing and reimbursement processes.)

The QMB Determination of Compliance process is based on provider compliance or non-compliance with standards and regulations identified during the on-site survey process and as reported in the QMB Report of Findings. All areas reviewed by QMB have been agreed to by DDSD and DHI/QMB and are reflective of CMS requirements. All deficiencies (non-compliance with standards and regulations) are identified and cited as either a Standard level deficiency or a Condition of Participation level deficiency in the QMB Reports of Findings. All deficiencies require corrective action when non-compliance is identified.

Each deficiency in your Report of Findings has been predetermined to be a Standard Level Deficiency, a Condition of Participation Level Deficiency, if below 85% compliance or a non-negotiable Condition of Participation Level Deficiency. Your Agency's overall Compliance Determination is based on a Scope and Severity Scale which takes into account the number of Standard and Condition Level Tags cited as well as the percentage of Individuals affected in the sample.

#### Conditions of Participation (CoPs)

CoPs are based on the Centers for Medicare and Medicaid Services, Home and Community-Based Waiver required assurances, in addition to the New Mexico Developmental Disability Waiver (DDW) Service Standards. The Division of Health Improvement (DHI), in conjunction with the Developmental Disability Support Division (DDSD), has identified certain deficiencies that have the potential to be a Condition of Participation Level, if the tag falls below 85% compliance based on the number of people affected. Additionally, there are what are called non-negotiable Conditions of Participation, regardless if one person or multiple people are affected. In this context, a CoP is defined as an essential / fundamental regulation or standard, which when out of compliance directly affects the health and welfare of the Individuals served. If no deficiencies within a Tag are at the level of a CoP, it is cited as a Standard Level Deficiency.

***Service Domains and CoPs for Living Care Arrangements and Community Inclusion are as follows:***

***Service Domain: Service Plan: ISP Implementation - Services are delivered in accordance with the service plan, including type, scope, amount, duration and frequency specified in the service plan.***

**Potential Condition of Participation Level Tags, if compliance is below 85%:**

- **1A08.3** – Administrative Case File: Individual Service Plan / ISP Components
- **1A32** – Administrative Case File: Individual Service Plan Implementation
- **LS14** – Residential Service Delivery Site Case File (ISP and Healthcare Requirements)
- **IS14** – CCS / CIES Service Delivery Site Case File (ISP and Healthcare Requirements)

***Service Domain: Qualified Providers - The State monitors non-licensed/non-certified providers to assure adherence to waiver requirements. The State implements its policies and procedures for verifying that provider training is conducted in accordance with State requirements and the approved waiver.***

**Potential Condition of Participation Level Tags, if compliance is below 85%:**

- **1A20** - Direct Support Personnel Training

QMB Report of Findings – Bright Horizons, Inc. – Metro – September 13 - 19, 2019

Survey Report #: Q.20.1.DDW.D2079.5.RTN.01.19.326

- 1A22 - Agency Personnel Competency
- 1A37 – Individual Specific Training

**Non-Negotiable Condition of Participation Level Tags (one or more Individuals are cited):**

- 1A25.1 – Caregiver Criminal History Screening
- 1A26.1 – Consolidated On-line Registry Employee Abuse Registry

**Service Domain: Health, Welfare and Safety -** *The State, on an ongoing basis, identifies, addresses and seeks to prevent occurrences of abuse, neglect and exploitation. Individuals shall be afforded their basic human rights. The provider supports individuals to access needed healthcare services in a timely manner.*

**Potential Condition of Participation Level Tags, if compliance is below 85%:**

- 1A08.2 – Administrative Case File: Healthcare Requirements & Follow-up
- 1A09 – Medication Delivery Routine Medication Administration
- 1A09.1 – Medication Delivery PRN Medication Administration
- 1A15.2 – Administrative Case File: Healthcare Documentation (Therap and Required Plans)

**Non-Negotiable Condition of Participation Level Tags (one or more Individuals are cited):**

- 1A05 – General Requirements / Agency Policy and Procedure Requirements
- 1A07 – Social Security Income (SSI) Payments
- 1A09.2 – Medication Delivery Nurse Approval for PRN Medication
- 1A15 – Healthcare Coordination - Nurse Availability / Knowledge
- 1A31 – Client Rights/Human Rights
- LS25.1 – Residential Reqts. (Physical Environment - Supported Living / Family Living / Intensive Medical Living)

## Attachment C

### Guidelines for the Provider Informal Reconsideration of Finding (IRF) Process

#### Introduction:

Throughout the QMB Survey process, surveyors are openly communicating with providers. Open communication means surveyors have clarified issues and/or requested missing information before completing the review through the use of the signed/dated "Document Request," or "Administrative Needs," etc. forms. Regardless, there may still be instances where the provider disagrees with a specific finding. Providers may use the following process to informally dispute a finding.

#### Instructions:

1. The Informal Reconsideration of the Finding (IRF) request must be received in writing to the QMB Bureau Chief **within 10 business days** of receipt of the final Report of Findings (**Note: No extensions are granted for the IRF**).
2. The written request for an IRF *must* be completed on the QMB Request for Informal Reconsideration of Finding form available on the QMB website: <https://nmhealth.org/about/dhi/cbp/irf/>
3. The written request for an IRF must specify in detail the request for reconsideration and why the finding is inaccurate.
4. The IRF request must include all supporting documentation or evidence.
5. If you have questions about the IRF process, email the IRF Chairperson, Valerie V. Valdez at [valerie.valdez@state.nm.us](mailto:valerie.valdez@state.nm.us) for assistance.

#### The following limitations apply to the IRF process:

- The written request for an IRF and all supporting evidence must be received within 10 business days.
- Findings based on evidence requested during the survey and not provided may not be subject to reconsideration.
- The supporting documentation must be new evidence not previously reviewed or requested by the survey team.
- Providers must continue to complete their Plan of Correction during the IRF process
- Providers may not request an IRF to challenge the sampling methodology.
- Providers may not request an IRF based on disagreement with the nature of the standard or regulation.
- Providers may not request an IRF to challenge the team composition.
- Providers may not request an IRF to challenge the DHI/QMB determination of compliance or the length of their DDSD provider contract.

A Provider forfeits the right to an IRF if the request is not received within 10 business days of receiving the report and/or does not include all supporting documentation or evidence to show compliance with the standards and regulations.

The IRF Committee will review the request; the Provider will be notified in writing of the ruling; no face-to-face meeting will be conducted.

When a Provider requests that a finding be reconsidered, it does not stop or delay the Plan of Correction process. **Providers must continue to complete the Plan of Correction, including the finding in dispute regardless of the IRF status.** If a finding is removed or modified, it will be noted and removed or modified from the Report of Findings. It should be noted that in some cases a Plan of Correction may be completed prior to the IRF process being completed. The provider will be notified in writing on the decisions of the IRF committee.

## QMB Determinations of Compliance

### **Compliance:**

The QMB determination of *Compliance* indicates that a provider has either no deficiencies found during a survey or that no deficiencies at the Condition of Participation Level were found. The agency has obtained a level of compliance such that there is a minimal potential for harm to individuals' health and safety. To qualify for a determination of *Compliance*, the provider must have received no Conditions of Participation Level Deficiencies and have a minimal number of Individuals on the sample affected by the findings indicated in the Standards Level Tags.

### **Partial-Compliance with Standard Level Tags:**

The QMB determination of *Partial-Compliance with Standard Level Tags* indicates that a provider is in compliance with all Condition of Participation Level deficiencies but is out of compliance with a certain percentage of Standard Level deficiencies. This partial compliance, if not corrected, may result in a negative outcome or the potential for more than minimal harm to individuals' health and safety. There are two ways to receive a determination of Partial Compliance with Standard Level Tags:

1. Your Report of Findings includes 16 or fewer Standards Level Tags with between 75% and 100% of the survey sample affected in any tag.
2. Your Report of Findings includes 17 or more Standard Level Tags with between 50% to 74% of the survey sample affected in any tag.

### **Partial-Compliance with Standard Level Tags and Condition of Participation Level Tags:**

The QMB determination of *Partial-Compliance with Standard Level Tags and Condition of Participation Level Tags* indicates that a provider is out of compliance with one to five (1 – 5) Condition of Participation Level Tags. This partial compliance, if not corrected, may result in a serious negative outcome or the potential for more than minimal harm to individuals' health and safety.

### **Non-Compliance:**

The QMB determination of *Non-Compliance* indicates a provider is significantly out of compliance with both Standard Level deficiencies and Conditions of Participation level deficiencies. This non-compliance, if not corrected, may result in a serious negative outcome or the potential for more than minimal harm to individuals' health and safety. There are three ways an agency can receive a determination of Non-Compliance:

1. Your Report of Findings includes 17 or more total Tags with 0 to 5 Condition of Participation Level Tags with 75% to 100% of the survey sample affected in any Condition of Participation Level tag.
2. Your Report of Findings includes any amount of Standard Level Tags with 6 or more Condition of Participation Level Tags.

Compliance Determination	Weighting						
	LOW		MEDIUM			HIGH	
Total Tags:	up to 16	17 or more	up to 16	17 or more	Any Amount	17 or more	Any Amount
	and	and	and	and	And/or	and	And/or
COP Level Tags:	0 COP	0 COP	0 COP	0 COP	1 to 5 COP	0 to 5 CoPs	6 or more COP
	and	and	and	and		and	
Sample Affected:	0 to 74%	0 to 49%	75 to 100%	50 to 74%		75 to 100%	
<b>“Non-Compliance”</b>						17 or more Total Tags with 75 to 100% of the Individuals in the sample cited in any CoP Level tag.	Any Amount of Standard Level Tags and 6 or more Conditions of Participation Level Tags.
<b>“Partial Compliance with Standard Level tags and Condition of Participation Level Tags”</b>					Any Amount Standard Level Tags, plus 1 to 5 Conditions of Participation Level tags.		
<b>“Partial Compliance with Standard Level tags”</b>			up to 16 Standard Level Tags with 75 to 100% of the individuals in the sample cited in any tag.	17 or more Standard Level Tags with 50 to 74% of the individuals in the sample cited any tag.			
<b>“Compliance”</b>	Up to 16 Standard Level Tags with 0 to 74% of the individuals in the sample cited in any tag.	17 or more Standard Level Tags with 0 to 49% of the individuals in the sample cited in any tag.					

**Agency:** Bright Horizons, Inc. – Metro  
**Program:** Developmental Disabilities Waiver  
**Service:** 2018: Supported Living, Family Living, Customized In-Home Supports, Customized Community Supports, and Community Integrated Employment Services  
**Survey Type:** Routine  
**Survey Date:** September 13 - 19, 2019

Standard of Care	Deficiencies	Agency Plan of Correction, On-going QA/QI and Responsible Party	Date Due
<b>Service Domain: Service Plans: ISP Implementation</b> – Services are delivered in accordance with the service plan, including type, scope, amount, duration and frequency specified in the service plan.			
<b>Tag # 1A08 Administrative Case File (Other Required Documents)</b>	<b>Standard Level Deficiency</b>		
<p>Developmental Disabilities (DD) Waiver Service Standards 2/26/2018; Re-Issue: 12/28/2018; Eff 1/1/2019</p> <p><b>Chapter 20: Provider Documentation and Client Records: 20.2 Client Records</b></p> <p>Requirements: All DD Waiver Provider Agencies are required to create and maintain individual client records. The contents of client records vary depending on the unique needs of the person receiving services and the resultant information produced. The extent of documentation required for individual client records per service type depends on the location of the file, the type of service being provided, and the information necessary.</p> <p>DD Waiver Provider Agencies are required to adhere to the following:</p> <ol style="list-style-type: none"> <li>Client records must contain all documents essential to the service being provided and essential to ensuring the health and safety of the person during the provision of the service.</li> <li>Provider Agencies must have readily accessible records in home and community settings in paper or electronic form. Secure access to electronic records through the Therap web-based system using computers or mobile devices is acceptable.</li> <li>Provider Agencies are responsible for</li> </ol>	<p>Based on record review, the Agency did not maintain a complete and confidential case file at the administrative office for 3 of 15 individuals.</p> <p>Review of the Agency administrative individual case files revealed the following items were not found, incomplete, and/or not current:</p> <p><b>Occupational Therapy Plan (Therapy Intervention Plan TIP):</b></p> <ul style="list-style-type: none"> <li>Not Found (#6)</li> <li>Not Current (#15)</li> </ul> <p><b>Physical Therapy Plan (Therapy Intervention Plan TIP):</b></p> <ul style="list-style-type: none"> <li>Not Found (#11)</li> </ul>	<p><b>Provider:</b>  <b>State your Plan of Correction for the deficiencies cited in this tag here</b> <i>(How is the deficiency going to be corrected? How many individuals is this going to affect? How often will this be completed? Who is responsible? What steps will be taken if issues are found?):</i> →</p>	

<p>ensuring that all plans created by nurses, RDs, therapists or BSCs are present in all needed settings.</p> <p>4. Provider Agencies must maintain records of all documents produced by agency personnel or contractors on behalf of each person, including any routine notes or data, annual assessments, semi-annual reports, evidence of training provided/received, progress notes, and any other interactions for which billing is generated.</p> <p>5. Each Provider Agency is responsible for maintaining the daily or other contact notes documenting the nature and frequency of service delivery, as well as data tracking only for the services provided by their agency.</p> <p>6. The current Client File Matrix found in Appendix A Client File Matrix details the minimum requirements for records to be stored in agency office files, the delivery site, or with DSP while providing services in the community.</p> <p>7. All records pertaining to JCMs must be retained permanently and must be made available to DDSD upon request, upon the termination or expiration of a provider agreement, or upon provider withdrawal from services.</p> <p><b>20.5.1 Individual Data Form (IDF):</b> The Individual Data Form provides an overview of demographic information as well as other key personal, programmatic, insurance, and health related information. It lists medical information; assistive technology or adaptive equipment; diagnoses; allergies; information about whether a guardian or advance directives are in place; information about behavioral and health related needs; contacts of Provider Agencies and team members and other critical information. The IDF automatically loads information into other fields and forms and must be complete and kept current. This form is initiated by the CM. It must be opened and continuously updated by Living Supports, CCS- Group, ANS, CIHS and case</p>			
---	--	--	--

<p>management when applicable to the person in order for accurate data to auto populate other documents like the Health Passport and Physician Consultation Form. Although the Primary Provider Agency is ultimately responsible for keeping this form current, each provider collaborates and communicates critical information to update this form.</p> <p><b>Chapter 3: Safeguards 3.1.2 Team Justification Process:</b> DD Waiver participants may receive evaluations or reviews conducted by a variety of professionals or clinicians. These evaluations or reviews typically include recommendations or suggestions for the person/guardian or the team to consider. The team justification process includes:</p> <ol style="list-style-type: none"> <li>1. Discussion and decisions about non-health related recommendations are documented on the Team Justification form.</li> <li>2. The Team Justification form documents that the person/guardian or team has considered the recommendations and has decided: <ol style="list-style-type: none"> <li>1. to implement the recommendation;</li> <li>2. to create an action plan and revise the ISP, if necessary; or</li> <li>3. not to implement the recommendation currently.</li> </ol> </li> <li>3. All DD Waiver Provider Agencies participate in information gathering, IDT meeting attendance, and accessing supplemental resources if needed and desired.</li> <li>4. The CM ensures that the Team Justification Process is followed and complete.</li> </ol>			
--	--	--	--

<p>initiatives that improve person - centered planning practices. Companion documents may also be issued by DDS and be required for use in order to better demonstrate required elements of the PCP process and ISP development.</p> <p>The ISP is completed by the CM with the IDT input and must be completed according to the following requirements:</p> <ol style="list-style-type: none"> <li>1. DD Waiver Provider Agencies should not recommend service type, frequency, and amount (except for required case management services) on an individual budget prior to the Vision Statement and Desired Outcomes being developed.</li> <li>2. The person does not require IDT agreement/approval regarding his/her dreams, aspirations, and desired long-term outcomes.</li> <li>3. When there is disagreement, the IDT is required to plan and resolve conflicts in a manner that promotes health, safety, and quality of life through consensus. Consensus means a state of general agreement that allows members to support the proposal, at least on a trial basis.</li> <li>4. A signature page and/or documentation of participation by phone must be completed.</li> <li>5. The CM must review a current Addendum A and DHI ANE letter with the person and Court appointed guardian or parents of a minor, if applicable.</li> </ol> <p><b>6.6.3 Additional Requirements for Adults:</b>  Because children have access to other funding sources, a larger array of services are available to adults than to children through the DD Waiver. (See Chapter 7: Available Services and Individual Budget Development). The ISP Template for adults is also more extensive, including Action Plans, Teaching and Support Strategies (TSS), Written Direct Support Instructions (WDSI), and Individual Specific Training (IST) requirements.</p>			
--	--	--	--

<p><b>6.6.3.1. Action Plan:</b> Each Desired Outcome requires an Action Plan. The Action Plan addresses individual strengths and capabilities in reaching Desired Outcomes. Multiple service types may be included in the Action Plan under a single Desired Outcome. Multiple Provider Agencies can and should be contributing to Action Plans toward each Desired Outcome.</p> <ol style="list-style-type: none"> <li>1. Action Plans include actions the person will take; not just actions the staff will take.</li> <li>2. Action Plans delineate which activities will be completed within one year.</li> <li>3. Action Plans are completed through IDT consensus during the ISP meeting.</li> <li>4. Action Plans must indicate under "Responsible Party" which DSP or service provider (i.e. Family Living, CCS, etc.) are responsible for carrying out the Action Step.</li> </ol> <p><b>6.6.3.2 Teaching and Supports Strategies (TSS) and Written Direct Support Instructions (WDSI):</b> After the ISP meeting, IDT members conduct a task analysis and assessments necessary to create effective TSS and WDSI to support those Action Plans that require this extra detail. All TSS and WDSI should support the person in achieving his/her Vision.</p> <p><b>6.6.3.3 Individual Specific Training in the ISP:</b> The CM, with input from each DD Waiver Provider Agency at the annual ISP meeting, completes the IST requirements section of the ISP form listing all training needs specific to the individual. Provider Agencies bring their proposed IST to the annual meeting. The IDT must reach a consensus about who needs to be trained, at what level (awareness, knowledge or skill), and within what timeframe. (See Chapter 17.10 Individual-Specific Training for more information about IST.)</p> <p><b>6.8 ISP Implementation and Monitoring:</b> All DD Waiver Provider Agencies with a signed SFOC</p>			
--	--	--	--

<p>are required to provide services as detailed in the ISP. The ISP must be readily accessible to Provider Agencies on the approved budget. (See Chapter 20: Provider Documentation and Client Records.) CMs facilitate and maintain communication with the person, his/her representative, other IDT members, Provider Agencies, and relevant parties to ensure that the person receives the maximum benefit of his/her services and that revisions to the ISP are made as needed. All DD Waiver Provider Agencies are required to cooperate with monitoring activities conducted by the CM and the DOH. Provider Agencies are required to respond to issues at the individual level and agency level as described in Chapter 16: Qualified Provider Agencies.</p> <p><b>Chapter 20: Provider Documentation and Client Records: 20.2 Client Records Requirements:</b> All DD Waiver Provider Agencies are required to create and maintain individual client records. The contents of client records vary depending on the unique needs of the person receiving services and the resultant information produced. The extent of documentation required for individual client records per service type depends on the location of the file, the type of service being provided, and the information necessary.</p>

<p>and Action Plans stated in the person's ISP.</p> <p>2. Community Life Engagement (CLE) is also sometimes used to refer to "Meaningful Day" or "Adult Habilitation" activities. CLE refers to supporting people in their communities, in non-work activities. Examples of CLE activities may include participating in clubs, classes, or recreational activities in the community; learning new skills to become more independent; volunteering; or retirement activities. Meaningful Day activities should be developed with the four guideposts of CLE in mind<sup>1</sup>. The four guideposts of CLE are:</p> <ol style="list-style-type: none"> <li>1. individualized supports for each person;</li> <li>2. promotion of community membership and contribution;</li> <li>3. use of human and social capital to decrease dependence on paid supports; and</li> <li>4. provision of supports that are outcome-oriented and regularly monitored.</li> </ol> <p>3. The term "day" does not mean activities between 9:00 a.m. to 5:00 p.m. on weekdays.</p> <p>4. Community Inclusion is not limited to specific hours or days of the week. These services may not be used to supplant the responsibility of the Living Supports Provider Agency for a person who receives both services.</p>

<p>supports from the worksite or strategies to improve opportunities for career advancement. CCS and CIE Provider Agencies must adhere to the following requirements related to a PCA and Career Development Plan:</p> <ol style="list-style-type: none"> <li>5. A person-centered assessment should contain, at a minimum: <ol style="list-style-type: none"> <li>1. information about the person's background and status;</li> <li>2. the person's strengths and interests;</li> <li>3. conditions for success to integrate into the community, including conditions for job success (for those who are working or wish to work); and</li> <li>4. support needs for the individual.</li> </ol> </li> <li>6. The agency must have documented evidence that the person, guardian, and family as applicable were involved in the person-centered assessment.</li> <li>7. Timelines for completion: The initial PCA must be completed within the first 90 calendar days of the person receiving services. Thereafter, the Provider Agency must ensure that the PCA is reviewed and updated annually. An entirely new PCA must be completed every five years. If there is a significant change in a person's circumstance, a new PCA may be required because the information in the PCA may no longer be relevant. A significant change may include but is not limited to: losing a job, changing a residence or provider, and/or moving to a new region of the state.</li> <li>8. If a person is receiving more than one type of service from the same provider, one PCA with information about each service is acceptable.</li> <li>9. Changes to an updated PCA should be signed and dated to demonstrate that the</li> </ol>			
---	--	--	--

<p>assessment was reviewed.</p> <p>10. A career development plan is developed by the CIE provider and can be a separate document or be added as an addendum to a PCA. The career development plan should have specific action steps that identify who does what and by when.</p> <p><b>Chapter 20: Provider Documentation and Client Records: 20.2 Client Records Requirements:</b> All DD Waiver Provider Agencies are required to create and maintain individual client records. The contents of client records vary depending on the unique needs of the person receiving services and the resultant information produced. The extent of documentation required for individual client records per service type depends on the location of the file, the type of service being provided, and the information necessary. DD Waiver Provider Agencies are required to adhere to the following:</p> <p>14. Client records must contain all documents essential to the service being provided and essential to ensuring the health and safety of the person during the provision of the service.</p>			
--	--	--	--

<p>maintaining the daily or other contact notes documenting the nature and frequency of service delivery, as well as data tracking only for the services provided by their agency.</p> <p>6. The current Client File Matrix found in Appendix A Client File Matrix details the minimum requirements for records to be stored in agency office files, the delivery site, or with DSP while providing services in the community.</p> <p>7. All records pertaining to JCMs must be retained permanently and must be made available to DDSD upon request, upon the termination or expiration of a provider agreement, or upon provider withdrawal from services.</p> <p><b>20.5.3 Health Passport and Physician Consultation Form:</b> All Primary and Secondary Provider Agencies must use the <i>Health Passport</i> and <i>Physician Consultation</i> form from the Therap system. This standardized document contains individual, physician and emergency contact information, a complete list of current medical diagnoses, health and safety risk factors, allergies, and information regarding insurance, guardianship, and advance directives. The <i>Health Passport</i> also includes a standardized form to use at medical appointments called the <i>Physician Consultation</i> form. The <i>Physician Consultation</i> form contains a list of all current medications. Requirements for the <i>Health Passport</i> and <i>Physician Consultation</i> form are:</p> <p>2. The Primary and Secondary Provider Agencies must ensure that a current copy of the <i>Health Passport</i> and <i>Physician Consultation</i> forms are printed and available at all service delivery sites. Both forms must be reprinted and placed at all service delivery sites each time the e-CHAT is updated for any reason and whenever there is a change to contact information contained in the IDF.</p>	<p><i>TSS not found for the Live Outcome Statement / Action Steps:</i></p> <ul style="list-style-type: none"> <li>• "...will research DIY modeling activities."</li> <li>• "...will pick a DIY modeling project to work on."</li> <li>• "...will work on DIY project."</li> </ul> <p><i>TSS not found for the Fun Outcome Statement / Action Steps:</i></p> <ul style="list-style-type: none"> <li>• "...will research areas/activities he wants to visit."</li> <li>• "...visit 4 recreational areas in NM."</li> </ul> <p><b>Healthcare Passport:</b></p> <ul style="list-style-type: none"> <li>• Not Current (#1, 16)</li> <li>• Did not contain information regarding: Emergency Contact Information (#6, 8, 11)</li> <li>• Did not contain information regarding: Guardianship (#6, 8,14)</li> <li>• Did not contain information regarding: Insurance (#5)</li> <li>• Did not contain information regarding: Name of Physician (#6, 8, 10, 11, 15)</li> </ul> <p><b>Health Care Plans:</b></p> <ul style="list-style-type: none"> <li>• Body Mass Index (#11)</li> <li>• Constipation (#16)</li> <li>• Endocrine (#16)</li> <li>• Hypoglycemia #16)</li> <li>• Pain Medication (#6)</li> <li>• Status of Care (#16)</li> </ul>

Standard of Care	Deficiencies	Agency Plan of Correction, On-going QA/QI and Responsible Party	Date Due
<b>Service Domain: Health and Welfare</b> – The state, on an ongoing basis, identifies, addresses and seeks to prevent occurrences of abuse, neglect and exploitation. Individuals shall be afforded their basic human rights. The provider supports individuals to access needed healthcare services in a timely manner.			
<b>Tag # 1A03 Continuous Quality Improvement System &amp; Key Performance Indicators (KPIs)</b>	<b>Standard Level Deficiency</b>		
<p>Developmental Disabilities (DD) Waiver Service Standards 2/26/2018; Re-Issue: 12/28/2018; Eff 1/1/2019</p> <p><b>Chapter 22: Quality Improvement Strategy (QIS):</b> A QIS at the provider level is directly linked to the organization's service delivery approach or underlying provision of services. To achieve a higher level of performance and improve quality, an organization is required to have an efficient and effective QIS. The QIS is required to follow four key principles:</p> <ol style="list-style-type: none"> <li>1. quality improvement work in systems and processes;</li> <li>2. focus on participants;</li> <li>3. focus on being part of the team; and</li> <li>4. focus on use of the data.</li> </ol> <p>As part of a QIS, Provider Agencies are required to evaluate their performance based on the four key principles outlined above. Provider Agencies are required to identify areas of improvement, issues that impact quality of services, and areas of non-compliance with the DD Waiver Service Standards or any other program requirements. The findings should help inform the agency's QI plan.</p> <p><b>22.2 QI Plan and Key Performance Indicators (KPI):</b> Findings from a discovery process should result in a QI plan. The QI plan is used by an agency to continually determine whether the agency is performing within program requirements, achieving goals, and</p>	<p>Based on record review, the Agency did not maintain or implement a Quality Improvement System (QIS), as required by standards.</p> <p>Review of the findings identified during the on-site survey (September 13 – 19, 2019) and as reflected in this report of findings, the Agency had multiple deficiencies noted, including Conditions of Participation out of compliance, which indicates the CQI plan provided by the Agency was not being used to successfully identify and improve systems within the agency.</p>	<p><b>Provider:</b>  <b>State your Plan of Correction for the deficiencies cited in this tag here</b> (How is the deficiency going to be corrected? This can be specific to each deficiency cited or if possible an overall correction?): →</p> <p><b>Provider:</b>  <b>Enter your ongoing Quality Assurance/Quality Improvement processes as it related to this tag number here</b> (What is going to be done? How many individuals is this going to affect? How often will this be completed? Who is responsible? What steps will be taken if issues are found?): →</p>	

<p>identifying opportunities for improvement. The QI plan describes the processes that the Provider Agency uses in each phase of the QIS: discovery, remediation, and sustained improvement. It describes the frequency of data collection, the source and types of data gathered, as well as the methods used to analyze data and measure performance. The QI plan must describe how the data collected will be used to improve the delivery of services and must describe the methods used to evaluate whether implementation of improvements is working. The QI plan shall address, at minimum, three key performance indicators (KPI). The KPI are determined by DOH-DDSQI) on an annual basis or as determined necessary.</p> <p><b>22.3 Implementing a QI Committee:</b>  A QI committee must convene on at least a quarterly basis and more frequently if needed. The QI Committee convenes to review data; to identify any deficiencies, trends, patterns, or concerns; to remedy deficiencies; and to identify opportunities for QI. QI Committee meetings must be documented and include a review of at least the following:</p> <ol style="list-style-type: none"> <li>1. Activities or processes related to discovery, i.e., monitoring and recording the findings;</li> <li>2. The entities or individuals responsible for conducting the discovery/monitoring process;</li> <li>3. The types of information used to measure performance;</li> <li>4. The frequency with which performance is measured; and</li> <li>5. The activities implemented to improve performance.</li> </ol> <p><b>22.4 Preparation of an Annual Report:</b></p>			
--	--	--	--

<p>The Provider Agency must complete an annual report based on the quality assurance (QA) activities and the QI Plan that the agency has implemented during the year. The annual report shall:</p> <ol style="list-style-type: none"> <li>1. Be submitted to the DDS PEU by February 15th of each calendar year.</li> <li>2. Be kept on file at the agency, and made available to DOH, including DHI upon request.</li> <li>3. Address the Provider Agency's QA or compliance with at least the following: <ol style="list-style-type: none"> <li>1. compliance with DDS Training Requirements;</li> <li>2. compliance with reporting requirements, including reporting of ANE;</li> <li>3. timely submission of documentation for budget development and approval;</li> <li>4. presence and completeness of required documentation;</li> <li>5. compliance with CCHS, EAR, and Licensing requirements as applicable; and</li> <li>6. a summary of all corrective plans implemented over the last 24 months, demonstrating closure with any deficiencies or findings as well as ongoing compliance and sustainability. Corrective plans include but are not limited to: <ol style="list-style-type: none"> <li>1. IQR findings;</li> <li>2. CPA Plans related to ANE reporting;</li> <li>3. POCs related to QMB compliance surveys; and</li> <li>4. PIPs related to Regional Office Contract Management.</li> </ol> </li> </ol> </li> <li>4. Address the Provider Agency QI with at least the following: <ol style="list-style-type: none"> <li>1. data analysis related to the DDS required KPI; and</li> </ol> </li> </ol>			
--	--	--	--

<p>2. the five elements required to be discussed by the QI committee each quarter.</p> <p><b>NMAC 7.1.14.8 INCIDENT MANAGEMENT SYSTEM REPORTING REQUIREMENTS FOR COMMUNITY-BASED SERVICE PROVIDERS:</b></p> <p><b>F. Quality assurance/quality improvement program for community-based service providers:</b> The community-based service provider shall establish and implement a quality improvement program for reviewing alleged complaints and incidents of abuse, neglect, or exploitation against them as a provider after the division's investigation is complete. The incident management program shall include written documentation of corrective actions taken. The community-based service provider shall take all reasonable steps to prevent further incidents. The community-based service provider shall provide the following internal monitoring and facilitating quality improvement program:</p> <p><b>(1)</b> community-based service providers shall have current abuse, neglect, and exploitation management policy and procedures in place that comply with the department's requirements;</p> <p><b>(2)</b> community-based service providers providing intellectual and developmental disabilities services must have a designated incident management coordinator in place; and</p> <p><b>(3)</b> community-based service providers providing intellectual and developmental disabilities services must have an incident management committee to identify any deficiencies, trends, patterns, or concerns as well as opportunities for quality improvement, address internal and external incident reports for the purpose of examining internal root causes, and to take action on identified issues.</p>

--	---	--	--

<p><b>13.2.6 The Electronic Comprehensive Health Assessment Tool (e-CHAT)</b>  The e-CHAT is a nursing assessment. It may not be delegated by a licensed nurse to a non-licensed person.  The nurse must see the person face-to-face to complete the nursing assessment. Additional information may be gathered from members of the IDT and other sources.  An e-CHAT is required for persons in FL, SL, IMLS, or CCS-Group. All other DD Waiver recipients may obtain an e-CHAT if needed or desired by adding ANS hours for assessment and consultation to their budget.  When completing the e-CHAT, the nurse is required to review and update the electronic record and consider the diagnoses, medications, treatments, and overall status of the person. Discussion with others may be needed to obtain critical information.  The nurse is required to complete all the e-CHAT assessment questions and add additional pertinent information in all comment sections.</p> <p><b>13.2.7 Aspiration Risk Management Screening Tool (ARST)</b></p> <p><b>13.2.8 Medication Administration Assessment Tool (MAAT):</b>  A licensed nurse completes the DDSD Medication Administration Assessment Tool (MAAT) at least two weeks before the annual ISP meeting.  After completion of the MAAT, the nurse will present recommendations regarding the level of assistance with medication delivery (AWMD) to the IDT. A copy of the MAAT will be sent to all the team members two weeks before the annual ISP meeting and the</p>	<ul style="list-style-type: none"> <li>• Individual #8 - As indicated by the IST section of ISP the individual is required to have a plan. No evidence of a plan found.</li> <li>• Individual #12 - According to Electronic Comprehensive Health Assessment Tool the individual is required to have a plan. Provider please complete POC for ongoing QA/QI.)</i></li> </ul> <p><b>Status of Care/Hygiene:</b></p> <ul style="list-style-type: none"> <li>• Individual #15 - According to Electronic Comprehensive Health Assessment Tool the individual is required to have a plan. No evidence of a current plan found.</li> </ul>		
--	---	--	--

<p>original MAAT will be retained in the Provider Agency records. Decisions about medication delivery are made by the IDT to promote a person’s maximum independence and community integration. The IDT will reach consensus regarding which criteria the person meets, as indicated by the results of the MAAT and the nursing recommendations, and the decision is documented this in the ISP.</p> <p><b>13.2.9 Healthcare Plans (HCP):</b></p> <p>1. At the nurse’s discretion, based on prudent nursing practice, interim HCPs may be developed to address issues that must be implemented immediately after admission, readmission or change of medical condition to provide safe services prior to completion of the e-CHAT and formal care planning process. This includes interim ARM plans for those persons newly identified at moderate or high risk for aspiration. All interim plans must be removed if the plan is no longer needed or when final HCP including CARMPs are in place to avoid duplication of plans.</p> <p>2. In collaboration with the IDT, the agency nurse is required to create HCPs that address all the areas identified as required in the most current e-CHAT summary report which is indicated by “R” in the HCP column. At the nurse’s sole discretion, based on prudent nursing practice, HCPs may be combined where clinically appropriate. The nurse should use nursing judgment to determine whether to also include HCPs for any of the areas indicated by “C” on the e-CHAT summary report. The nurse may also create other HCPs plans that the nurse determines are warranted.</p>			
--	--	--	--

<p><b>13.2.10 Medical Emergency Response Plan (MERP):</b>  The agency nurse is required to develop a Medical Emergency Response Plan (MERP) for all conditions marked with an "R" in the e-CHAT summary report. The agency nurse should use her/his clinical judgment and input from the Interdisciplinary Team (IDT) to determine whether shown as "C" in the e-CHAT summary report or other conditions also warrant a MERP.  MERPs are required for persons who have one or more conditions or illnesses that present a likely potential to become a life-threatening situation.</p> <p><b>Chapter 20: Provider Documentation and Client Records: 20.5.3 Health Passport and Physician Consultation Form:</b> All Primary and Secondary Provider Agencies must use the Health Passport and Physician Consultation form from the Therap system. This standardized document contains individual, physician and emergency contact information, a complete list of current medical diagnoses, health and safety risk factors, allergies, and information regarding insurance, guardianship, and advance directives. The Health Passport also includes a standardized form to use at medical appointments called the Physician Consultation form.</p>

Tag # 1A31 Client Rights / Human Rights	Condition of Participation Level Deficiency		
<p><b>NMAC 7.26.3.11 RESTRICTIONS OR LIMITATION OF CLIENT'S RIGHTS:</b></p> <p>A. A service provider shall not restrict or limit a client's rights except:</p> <p>(1) where the restriction or limitation is allowed in an emergency and is necessary to prevent imminent risk of physical harm to the client or another person; or</p> <p>(2) where the interdisciplinary team has determined that the client's limited capacity to exercise the right threatens his or her physical safety; or</p> <p>(3) as provided for in Section 10.1.14 [now Subsection N of 7.26.3.10 NMAC].</p> <p>B. Any emergency intervention to prevent physical harm shall be reasonable to prevent harm, shall be the least restrictive intervention necessary to meet the emergency, shall be allowed no longer than necessary and shall be subject to interdisciplinary team (IDT) review. The IDT upon completion of its review may refer its findings to the office of quality assurance. The emergency intervention may be subject to review by the service provider's behavioral support committee or human rights committee in accordance with the behavioral support policies or other department regulation or policy.</p> <p>C. The service provider may adopt reasonable program policies of general applicability to clients served by that service provider that do not violate client rights. [09/12/94; 01/15/97; Recompiled 10/31/01]</p> <p>Developmental Disabilities (DD) Waiver Service Standards 2/26/2018; Re-Issue: 12/28/2018; Eff 1/1/2019</p>	<p>After an analysis of the evidence it has been determined there is a significant potential for a negative outcome to occur.</p> <p>Based on record review, the Agency did not ensure the rights of Individuals were not restricted or limited for 1 of 15 Individuals.</p> <p>A review of Agency Individual files found no documentation of Positive Behavior Support Plans and/or Behavior Crisis Intervention Plans, which contain restrictions being <u>reviewed at least quarterly</u> by the Human Rights Committee. (#9)</p>	<p><b>Provider:</b>  <b>State your Plan of Correction for the deficiencies cited in this tag here</b> <i>(How is the deficiency going to be corrected? This can be specific to each deficiency cited or if possible an overall correction?):</i> →</p> <p><b>Provider:</b>  <b>Enter your ongoing Quality Assurance/Quality Improvement processes as it related to this tag number here</b> <i>(What is going to be done? How many individuals is this going to affect? How often will this be completed? Who is responsible? What steps will be taken if issues are found?):</i> →</p>	

<p><b>Chapter 2: Human Rights:</b> Civil rights apply to everyone, including all waiver participants, family members, guardians, natural supports, and Provider Agencies. Everyone has a responsibility to make sure those rights are not violated. All Provider Agencies play a role in person-centered planning (PCP) and have an obligation to contribute to the planning process, always focusing on how to best support the person.</p> <p><b>Chapter 3 Safeguards: 3.3.1 HRC Procedural Requirements:</b></p> <p>7. An invitation to participate in the HRC meeting of a rights restriction review will be given to the person (regardless of verbal or cognitive ability), his/her guardian, and/or a family member (if desired by the person), and the Behavior Support Consultant (BSC) at least 10 working days prior to the meeting (except for in emergency situations). If the person (and/or the guardian) does not wish to attend, his/her stated preferences may be brought to the meeting by someone whom the person chooses as his/her representative.</p> <p>8. The Provider Agencies that are seeking to temporarily limit the person's right(s) (e.g., Living Supports, Community Inclusion, or BSC) are required to support the person's informed consent regarding the rights restriction, as well as their timely participation in the review.</p> <p>9. The plan's author, designated staff (e.g., agency service coordinator) and/or the CM makes a written or oral presentation to the HRC.</p> <p>10. The results of the HRC review are reported in writing to the person supported, the guardian, the BSC, the mental health or other specialized therapy provider, and the CM within three working days of the meeting.</p> <p>11. HRC committees are required to meet at least on a quarterly basis.</p> <p>12. A quorum to conduct an HRC meeting is at least three voting members eligible to vote in each situation and at least one must be a community</p>			
--	--	--	--

<p>member at large.</p> <p>13. HRC members who are directly involved in the services provided to the person must excuse themselves from voting in that situation. Each HRC is required to have a provision for emergency approval of rights restrictions based upon credible threats of harm against self or others that may arise between scheduled HRC meetings (e.g., locking up sharp knives after a serious attempt to injure self or others or a disclosure, with a credible plan, to seriously injure or kill someone). The confidential and HIPAA compliant emergency meeting may be via telephone, video or conference call, or secure email. Procedures may include an initial emergency phone meeting, and a subsequent follow-up emergency meeting in complex and/or ongoing situations.</p> <p>14. The HRC with primary responsibility for implementation of the rights restriction will record all meeting minutes on an individual basis, i.e., each meeting discussion for an individual will be recorded separately, and minutes of all meetings will be retained at the agency for at least six years from the final date of continuance of the restriction.</p> <p><b>3.3.3 HRC and Behavioral Support:</b> The HRC reviews temporary restrictions of rights that are related to medical issues or health and safety considerations such as decreased mobility (e.g., the use of bed rails due to risk of falling during the night while getting out of bed). However, other temporary restrictions may be implemented because of health and safety considerations arising from behavioral issues. Positive Behavioral Supports (PBS) are mandated and used when behavioral support is needed and desired by the person and/or the IDT. PBS emphasizes the acquisition and maintenance of positive skills (e.g. building healthy relationships) to increase the person’s quality of life understanding that a natural reduction in other</p>			
---	--	--	--

<p>challenging behaviors will follow. At times, aversive interventions may be temporarily included as a part of a person’s behavioral support (usually in the BCIP), and therefore, need to be reviewed prior to implementation as well as periodically while the restrictive intervention is in place. PBSPs not containing aversive interventions do not require HRC review or approval.</p> <p>Plans (e.g., ISPs, PBSPs, BCIPs PPMPs, and/or RMPs) that contain any aversive interventions are submitted to the HRC in advance of a meeting, except in emergency situations.</p> <p><b>3.3.4 Interventions Requiring HRC Review and Approval:</b> HRCs must review prior to implementation, any plans (e.g. ISPs, PBSPs, BCIPs and/or PPMPs, RMPs), with strategies, including but not limited to:</p> <ol style="list-style-type: none"> <li>7. response cost;</li> <li>8. restitution;</li> <li>9. emergency physical restraint (EPR);</li> <li>10. routine use of law enforcement as part of a BCIP;</li> <li>11. routine use of emergency hospitalization procedures as part of a BCIP;</li> <li>12. use of point systems;</li> <li>13. use of intense, highly structured, and specialized treatment strategies, including level systems with response cost or failure to earn components;</li> <li>14. a 1:1 staff to person ratio for behavioral reasons, or, very rarely, a 2:1 staff to person ratio for behavioral or medical reasons;</li> <li>15. use of PRN psychotropic medications;</li> <li>16. use of protective devices for behavioral purposes (e.g., helmets for head banging, Posey gloves for biting hand);</li> <li>17. use of bed rails;</li> <li>18. use of a device and/or monitoring system through PST may impact the person’s privacy or other rights; or</li> </ol>			
---	--	--	--

<p>19. use of any alarms to alert staff to a person's whereabouts.</p> <p><b>3.4 Emergency Physical Restraint (EPR):</b> Every person shall be free from the use of restrictive physical crisis intervention measures that are unnecessary. Provider Agencies who support people who may occasionally need intervention such as Emergency Physical Restraint (EPR) are required to institute procedures to maximize safety.</p> <p><b>3.4.5 Human Rights Committee:</b> The HRC reviews use of EPR. The BCIP may not be implemented without HRC review and approval whenever EPR or other restrictive measure(s) are included. Provider Agencies with an HRC are required to ensure that the HRCs:</p> <ol style="list-style-type: none"> <li>1. participate in training regarding required constitution and oversight activities for HRCs;</li> <li>2. review any BCIP, that include the use of EPR;</li> <li>3. occur at least annually, occur in any quarter where EPR is used, and occur whenever any change to the BCIP is considered;</li> <li>4. maintain HRC minutes approving or disallowing the use of EPR as written in a BCIP; and</li> <li>5. maintain HRC minutes of meetings reviewing the implementation of the BCIP when EPR is used.</li> </ol>

Service Surveyed: **2018:** Supported Living, Family Living; Customized In-Home Supports; Customized Community Supports, and Community Integrated Employment Services

Survey Type: Routine

Dear Mr. Baca:

The Division of Health Improvement Quality Management Bureau received and reviewed the documents you submitted for your Plan of Correction. Your Plan of Correction is not closed.

**Your Plan of Correction will be considered for closure when a Verification survey confirms that you have corrected all survey deficiencies and sustained all corrections.**

The Quality Management Bureau will need to conduct a verification survey to ensure previously cited deficiencies have been corrected and that systemic Quality Improvement and Quality Assurance processes have been effective at sustaining corrections.

If the Verification survey determines survey deficiencies have been corrected and corrective measures have effectively maintained compliance with DDW Standards, your Plan of Correction will be considered for closure.

If the Verification survey identifies repeat deficiencies, the Plan of Correction process will continue and your case may be referred to the Internal Review Committee for discussion of possible civil monetary penalties possible monetary fines and/or other sanctions.

Thank you for your cooperation with the Plan of Correction process.

Sincerely,

*Monica Valdez, BS*
