

# **New Mexico TB Program Summary of Surveillance Data: 2024**

Brenda Montoya Denison, TB Program Manager  
Angie Bartok, Epidemiologist

# Data Sources and Data Considerations

Data sources for all the following slides come from the NM-EDSS database, IBIS for New Mexico rates, CDC Surveillance Reports for US rates.

Please note that we used 2023 population estimates since 2024 population estimates are not available yet.

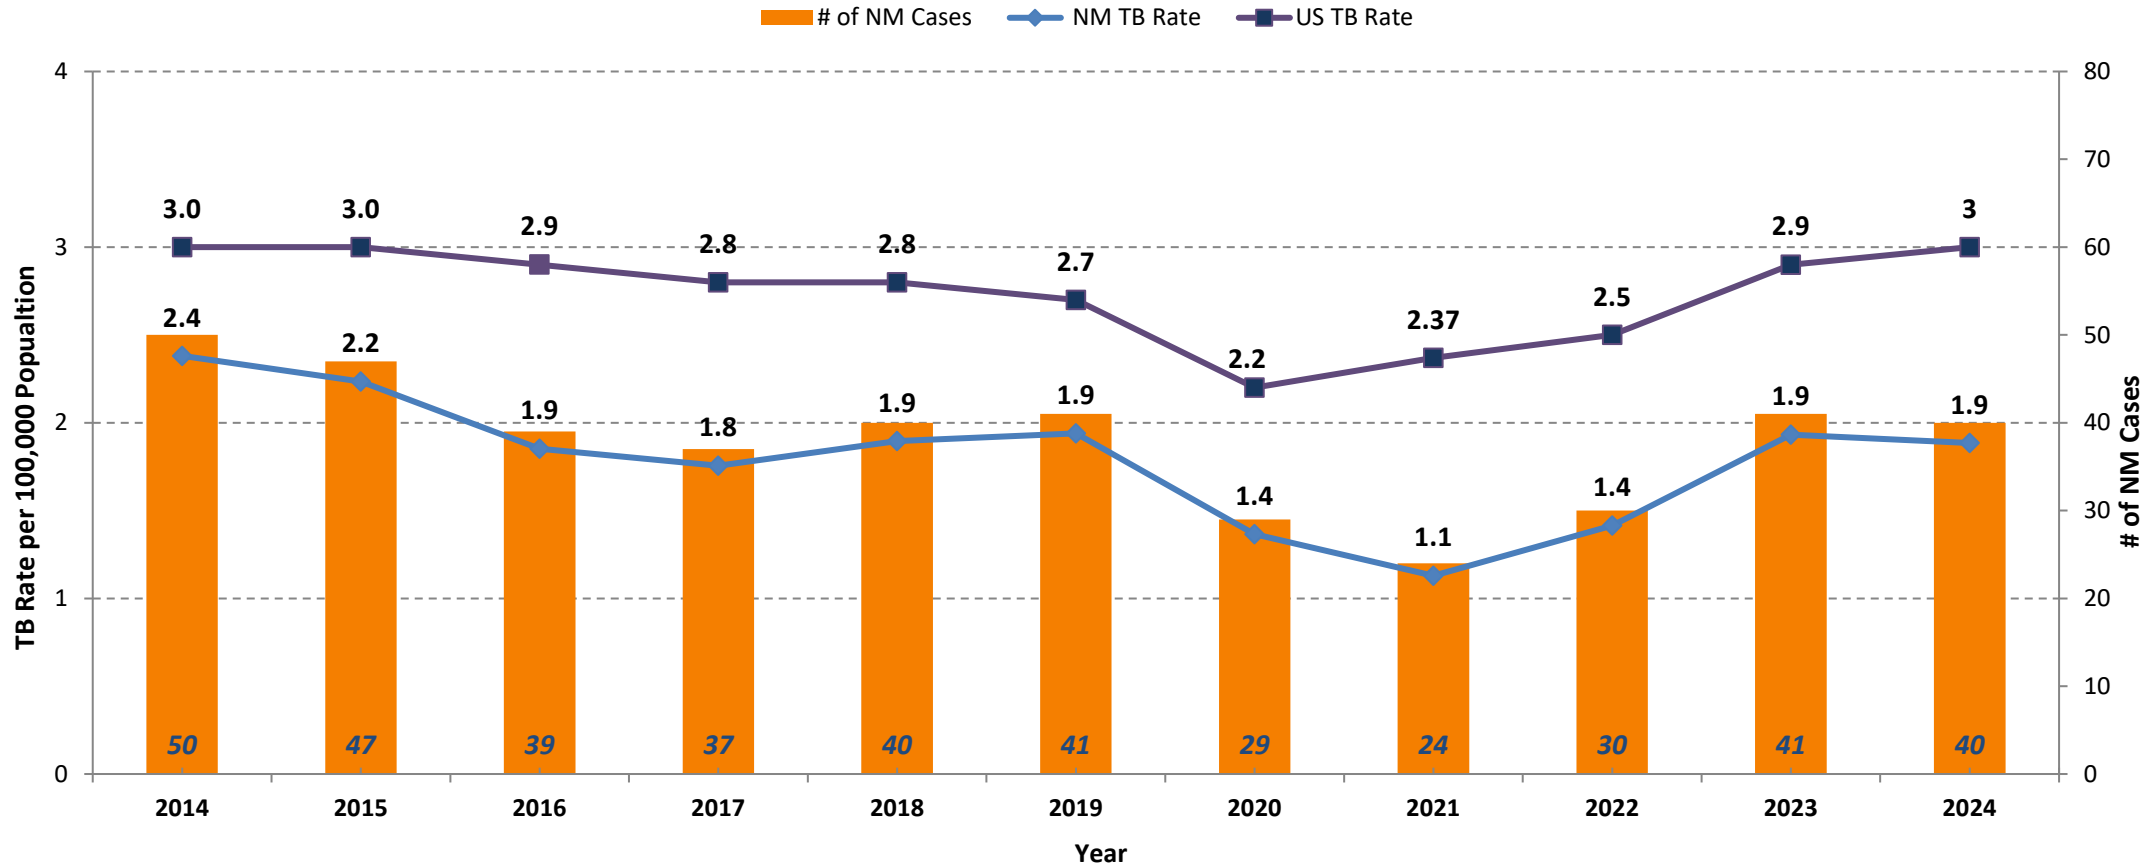

Please note that rates calculated for small populations can be less reliable.

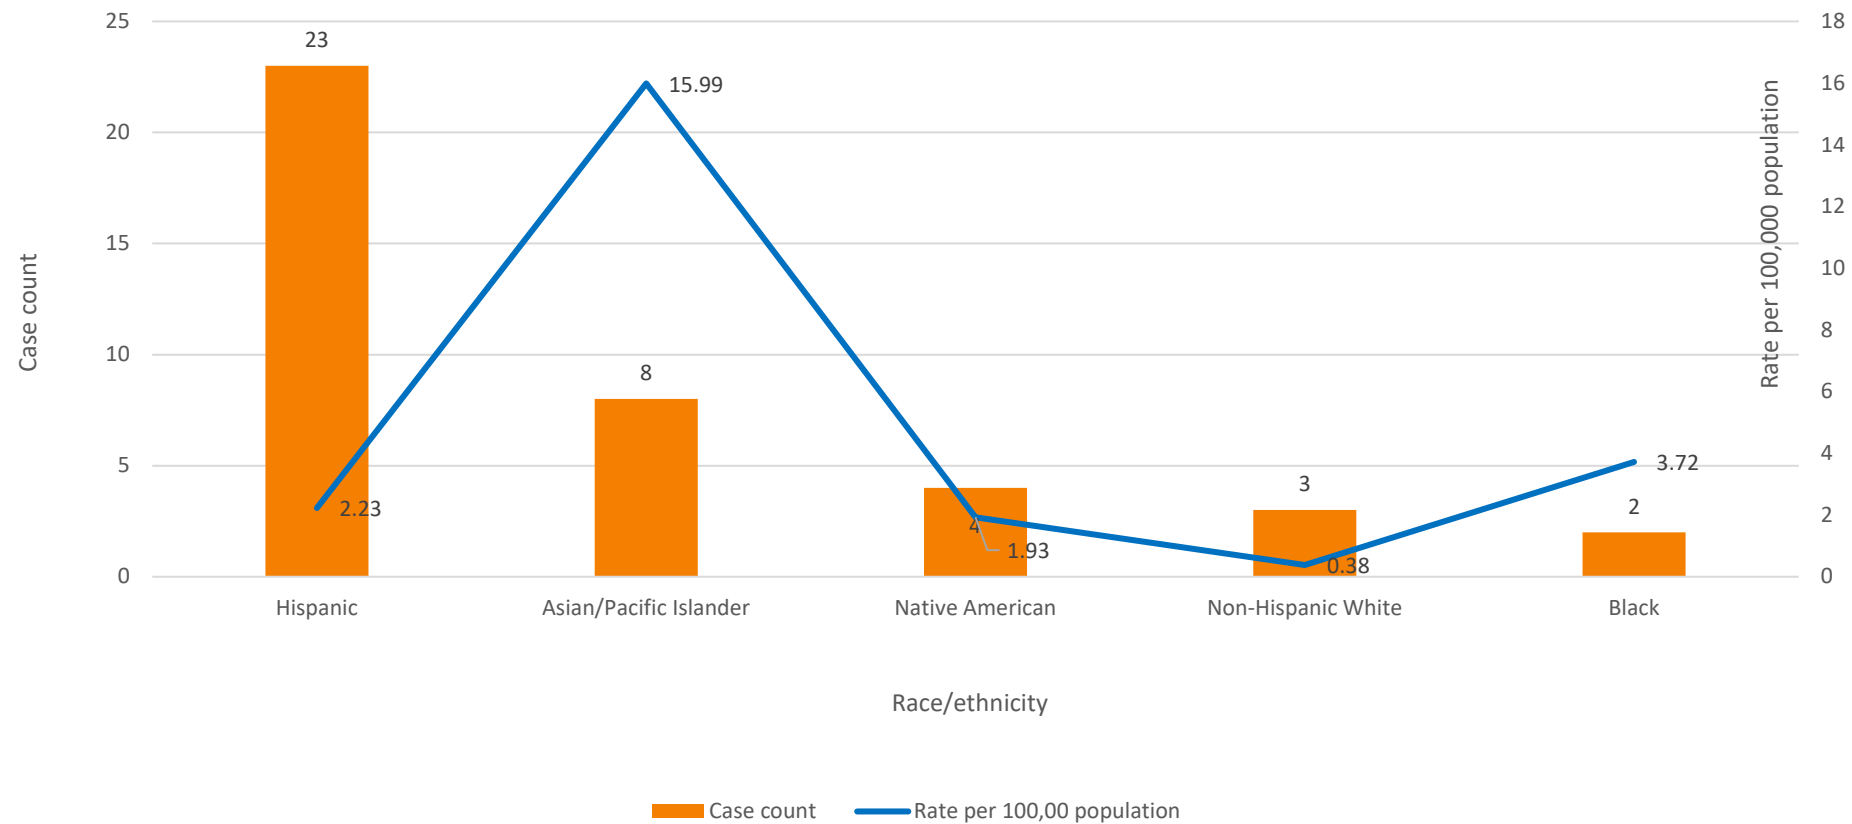

2024 U.S. TB rates are available on the CDC TB Annual Report.

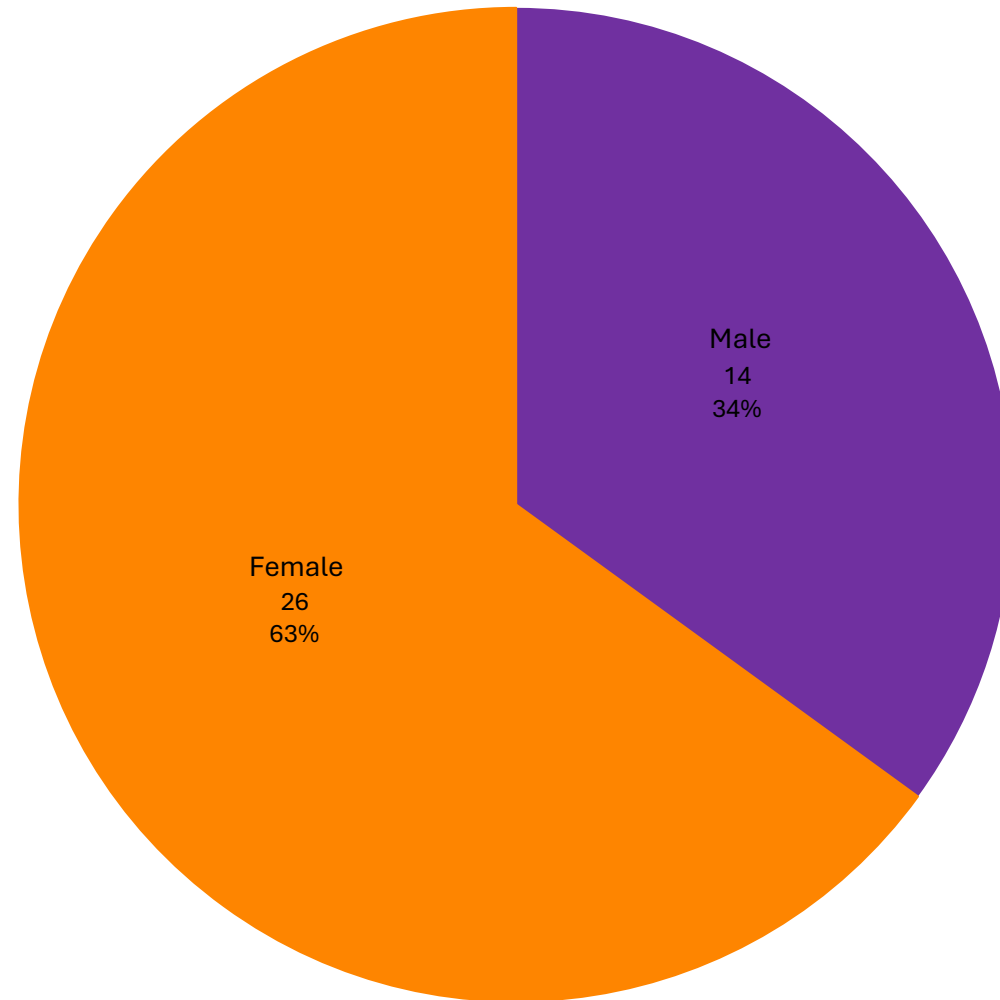

# TB Rates, New Mexico vs. US, 2014 - 2024

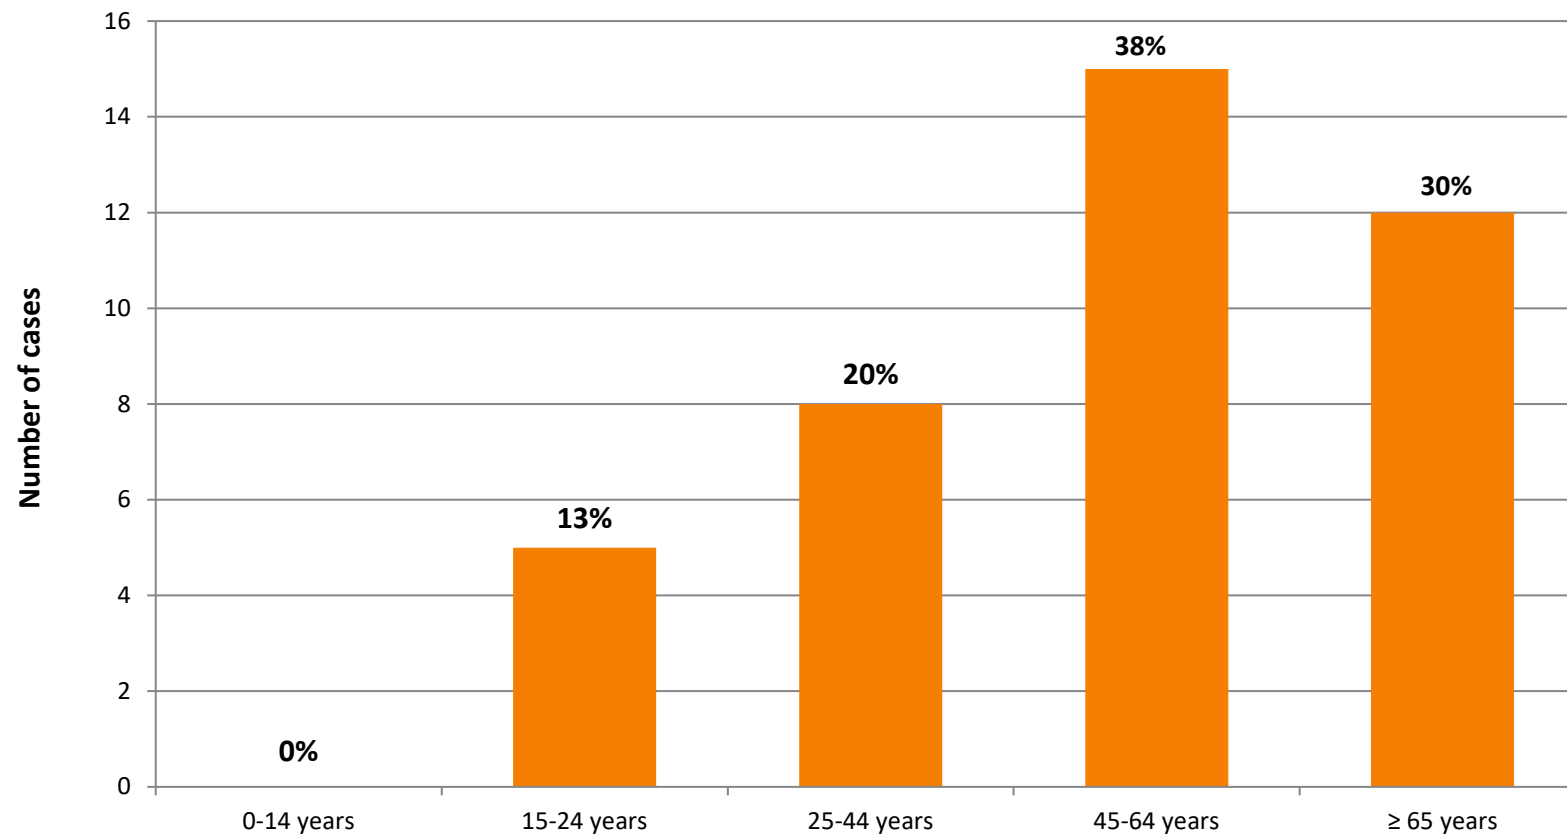

# NM TB Rates per 100,000 population by Race/ Ethnicity, New Mexico, 2024, n=40

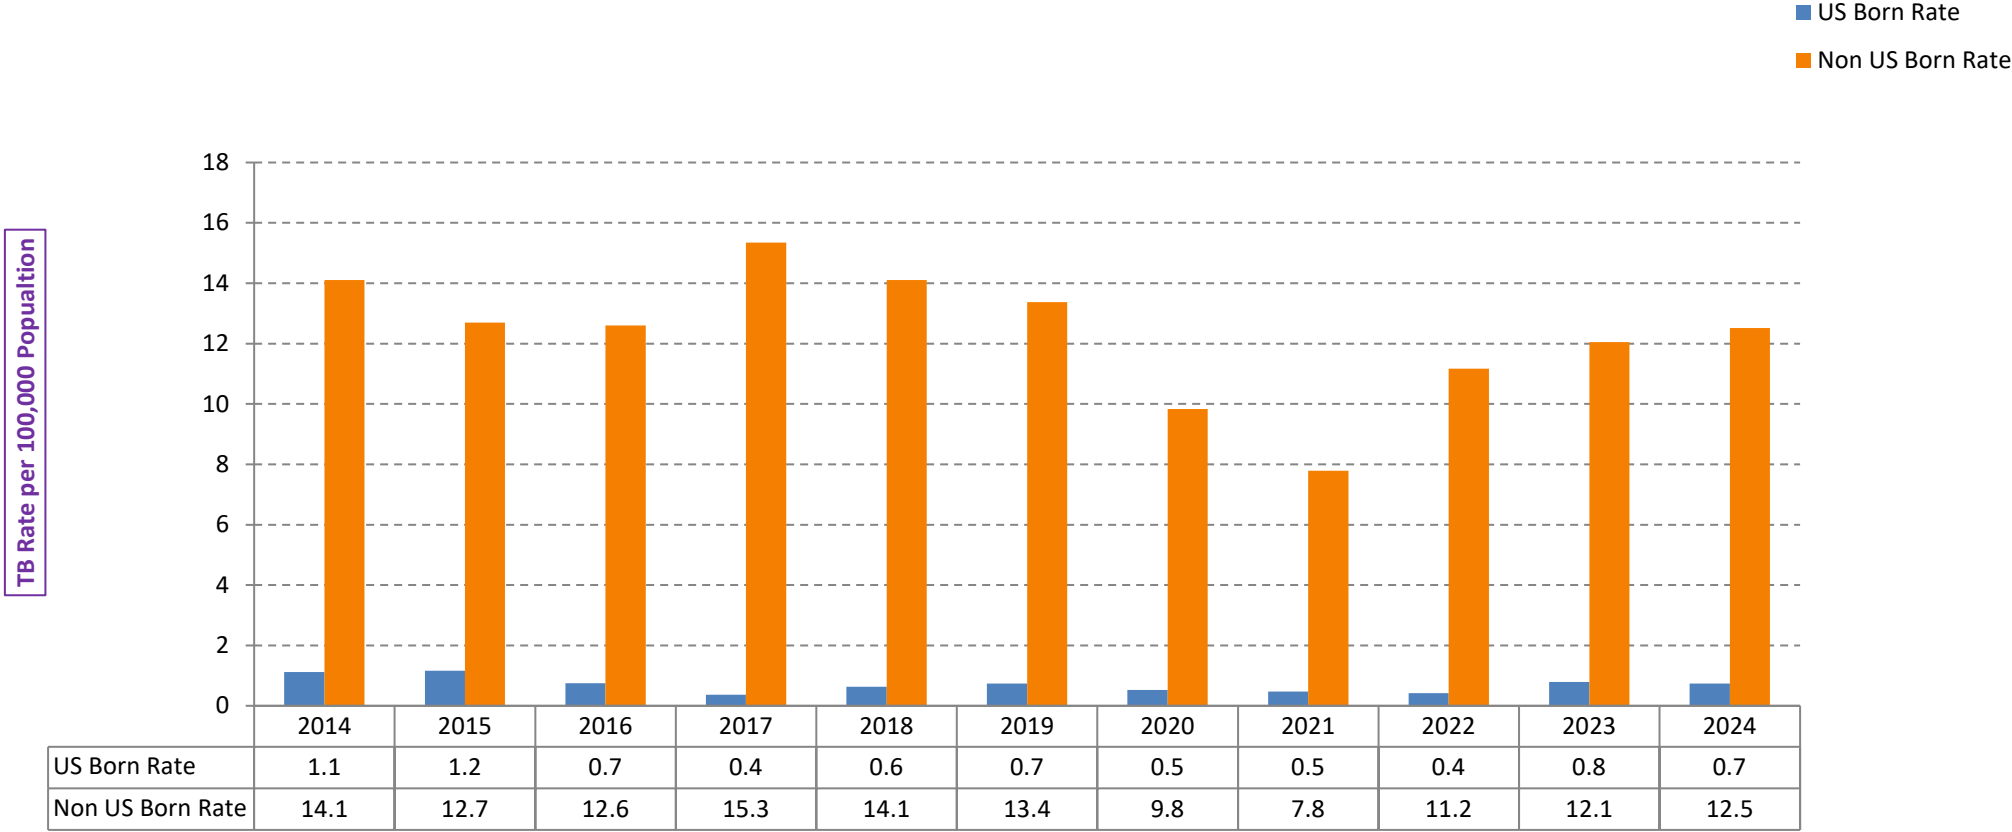

# TB Cases by Gender, New Mexico, 2024

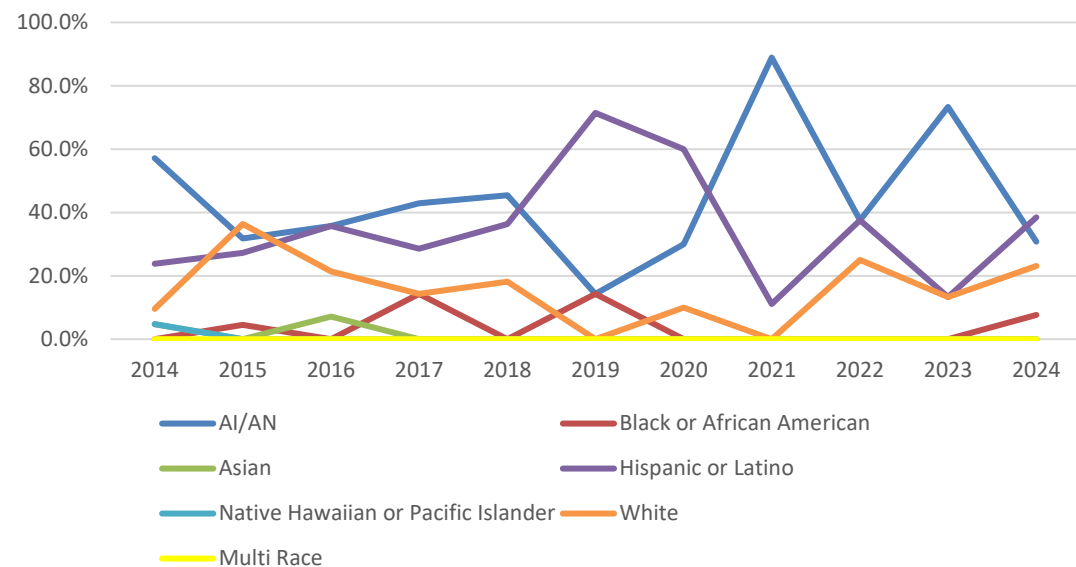

# TB Cases by Age Group, New Mexico, 2024

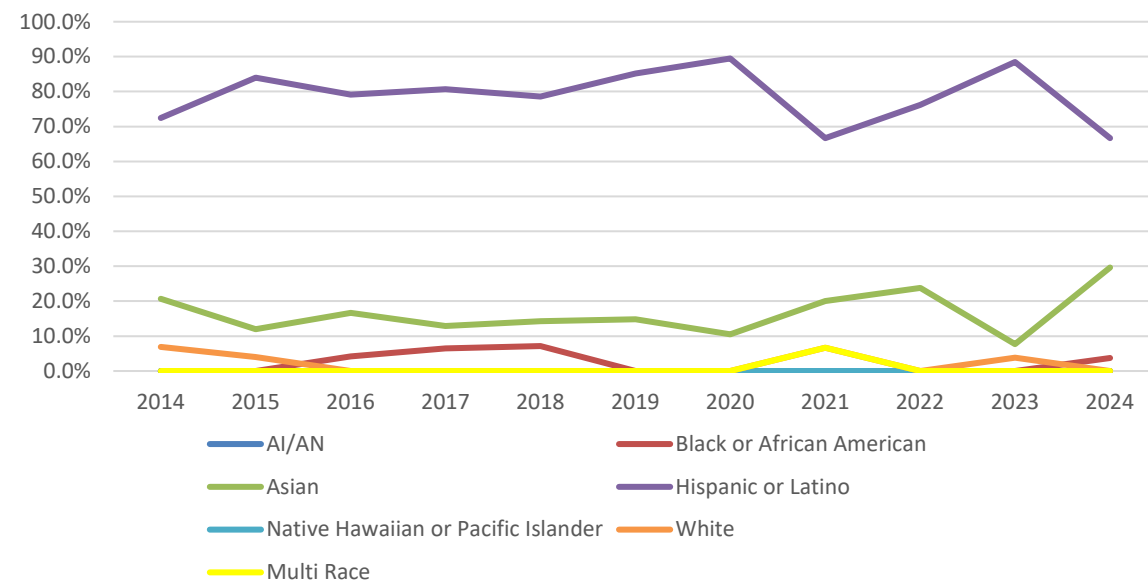

# TB Rate in US Born vs Non US Born Persons, New Mexico, 2014 - 2024

## TB Percentages by Race/Ethnicity in US Born Persons, New Mexico, 2014 - 2024

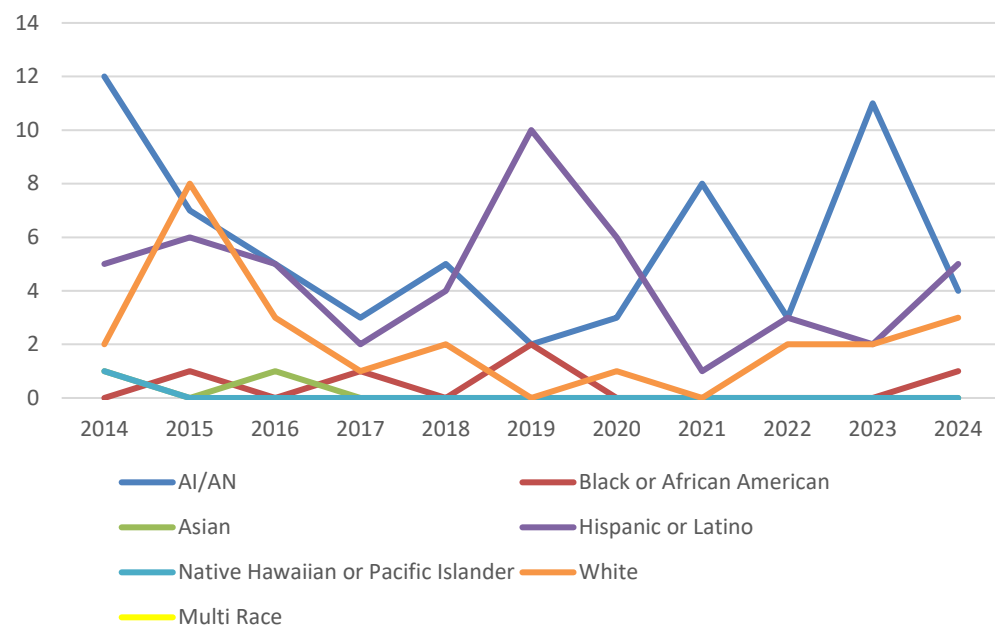

## TB Percentages by Race/Ethnicity in Non US Born Persons, New Mexico, 2014 - 2024

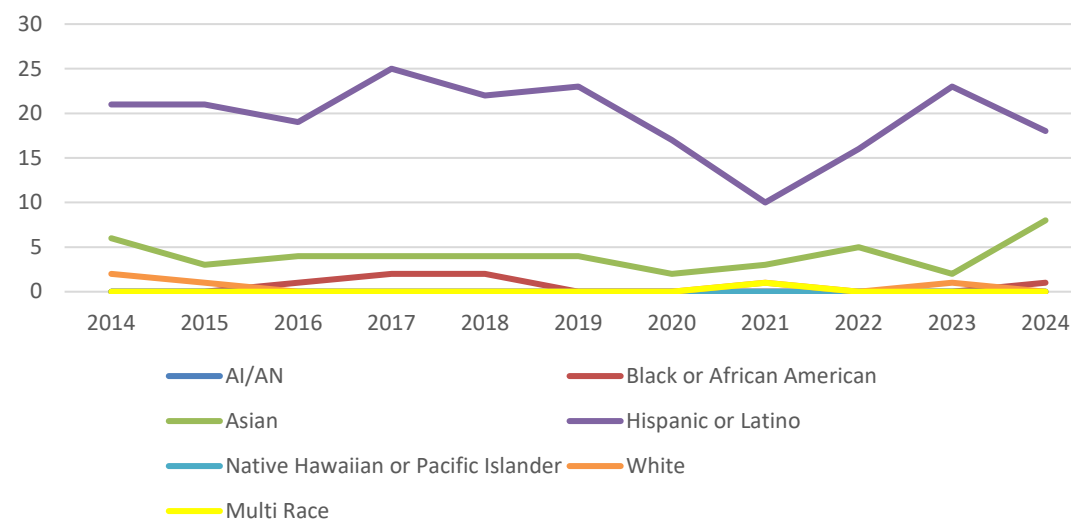

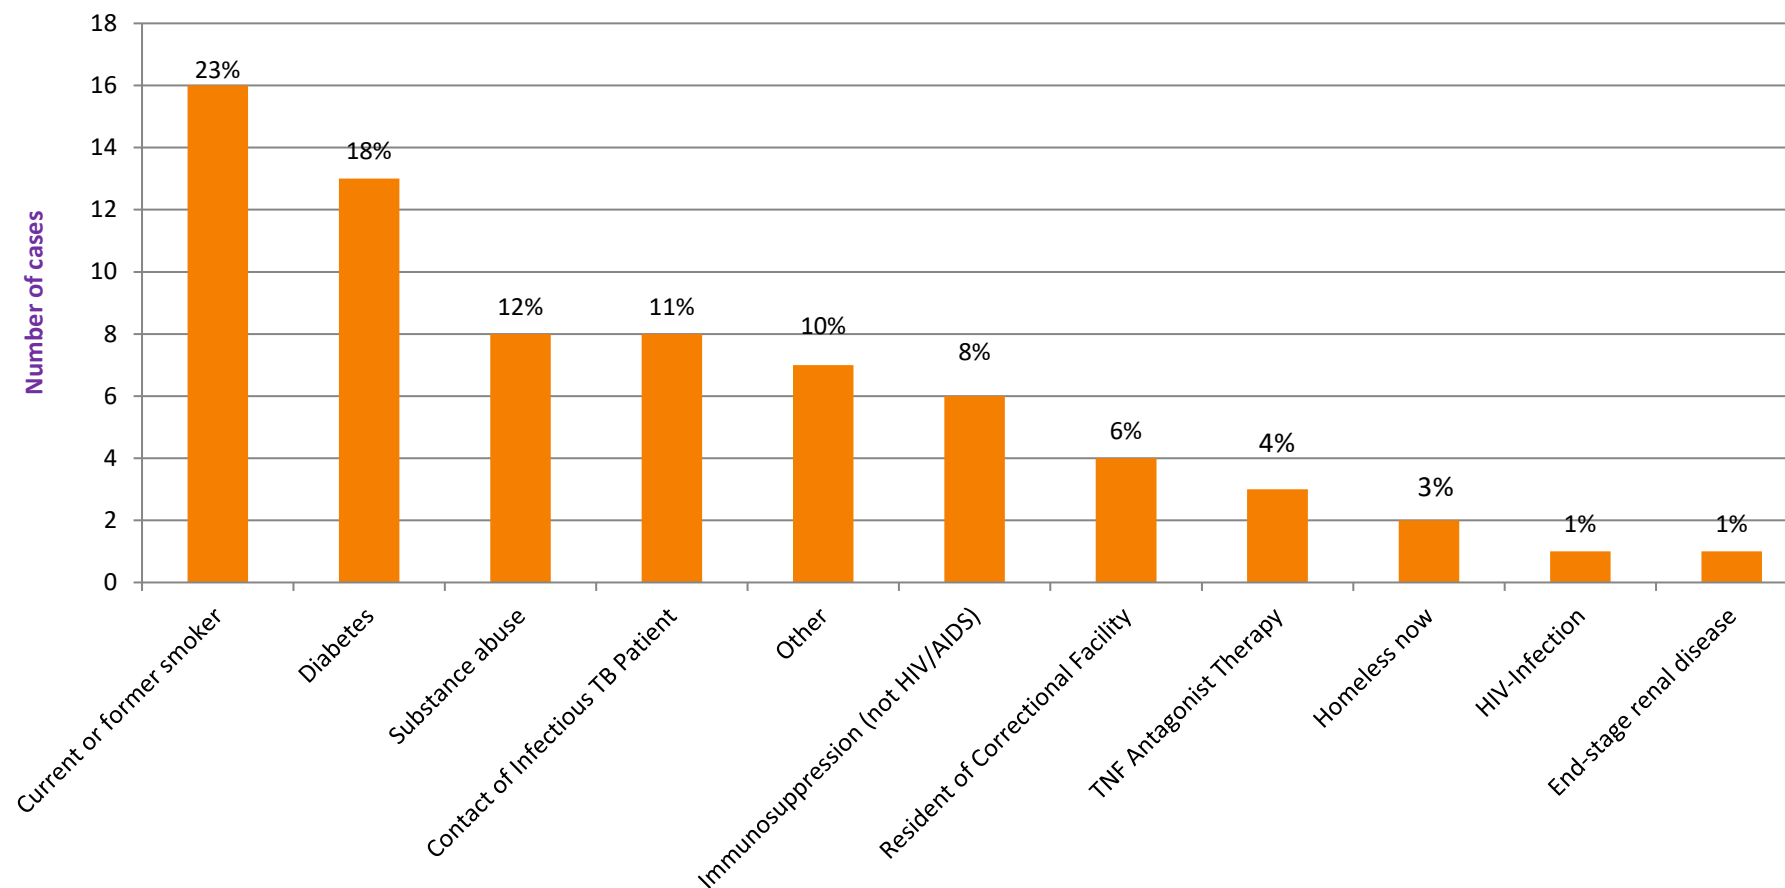

## TB Case Counts by Race/Ethnicity in US Born Persons, New Mexico, 2014 - 2024

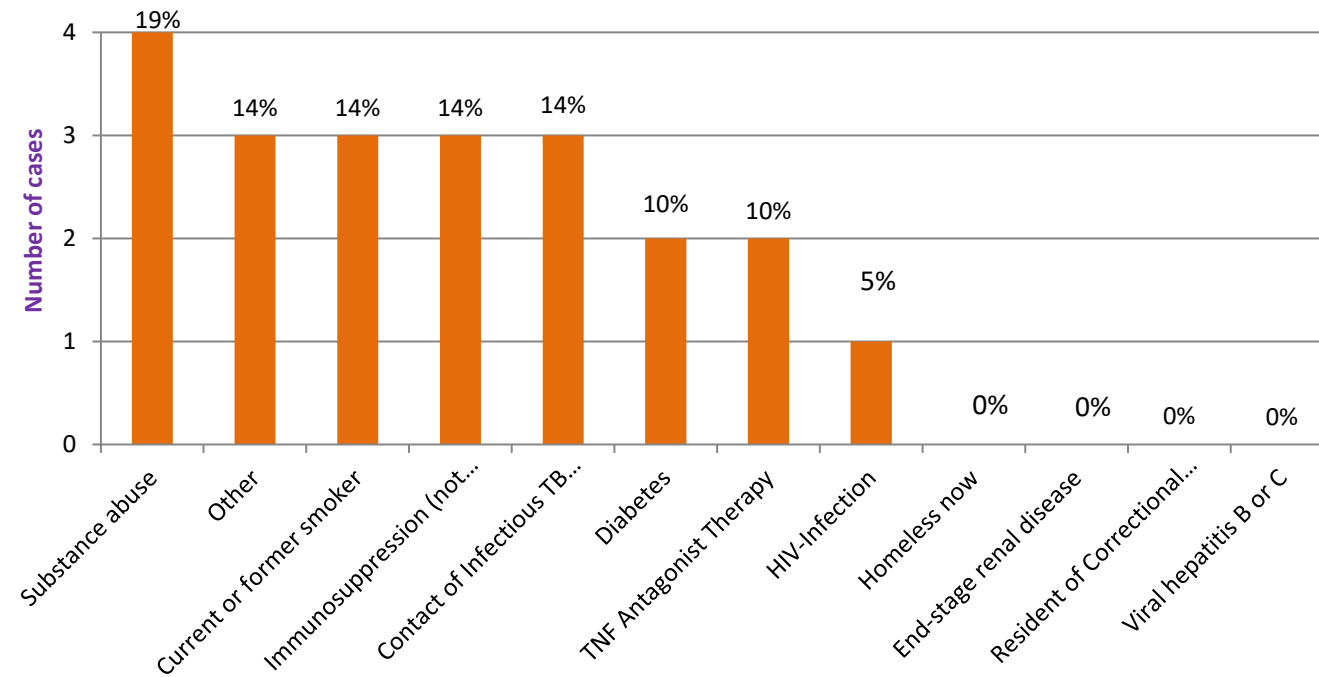

## TB Case Counts by Race/Ethnicity in Non US Born Persons, New Mexico, 2014 - 2024

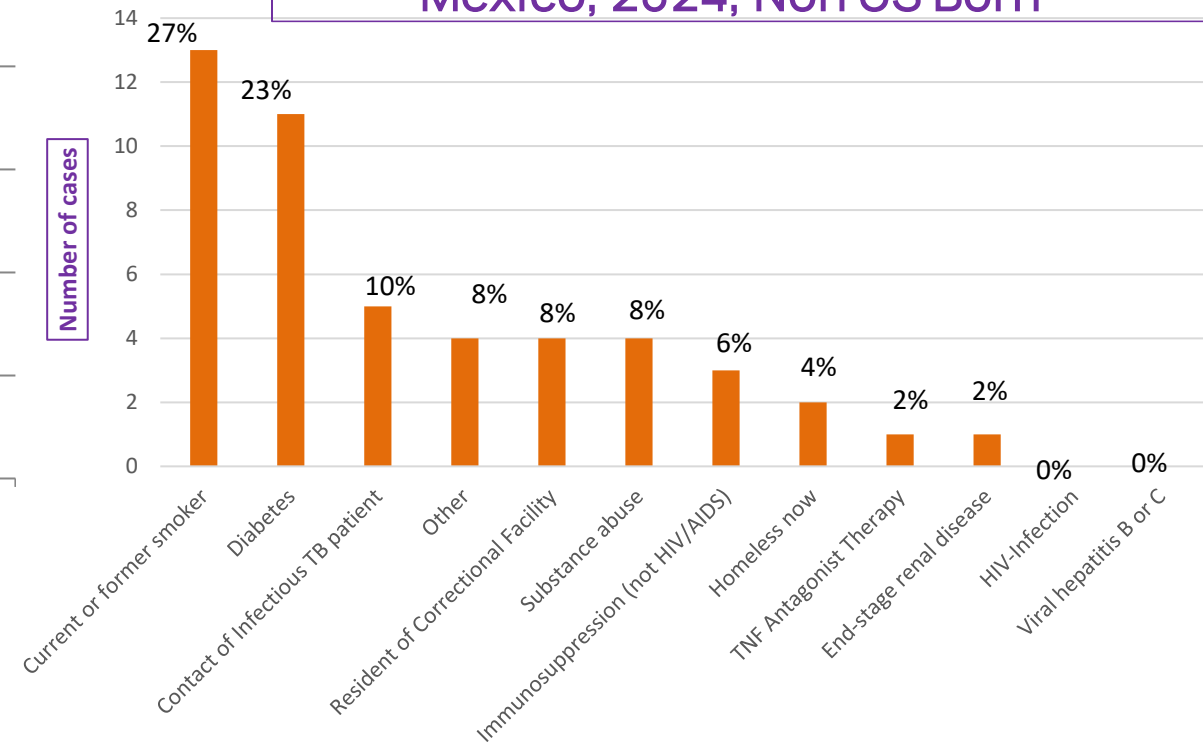

## Risk Factors per Report of Verified Case of Tuberculosis (RVCT) Form, New Mexico, 2024

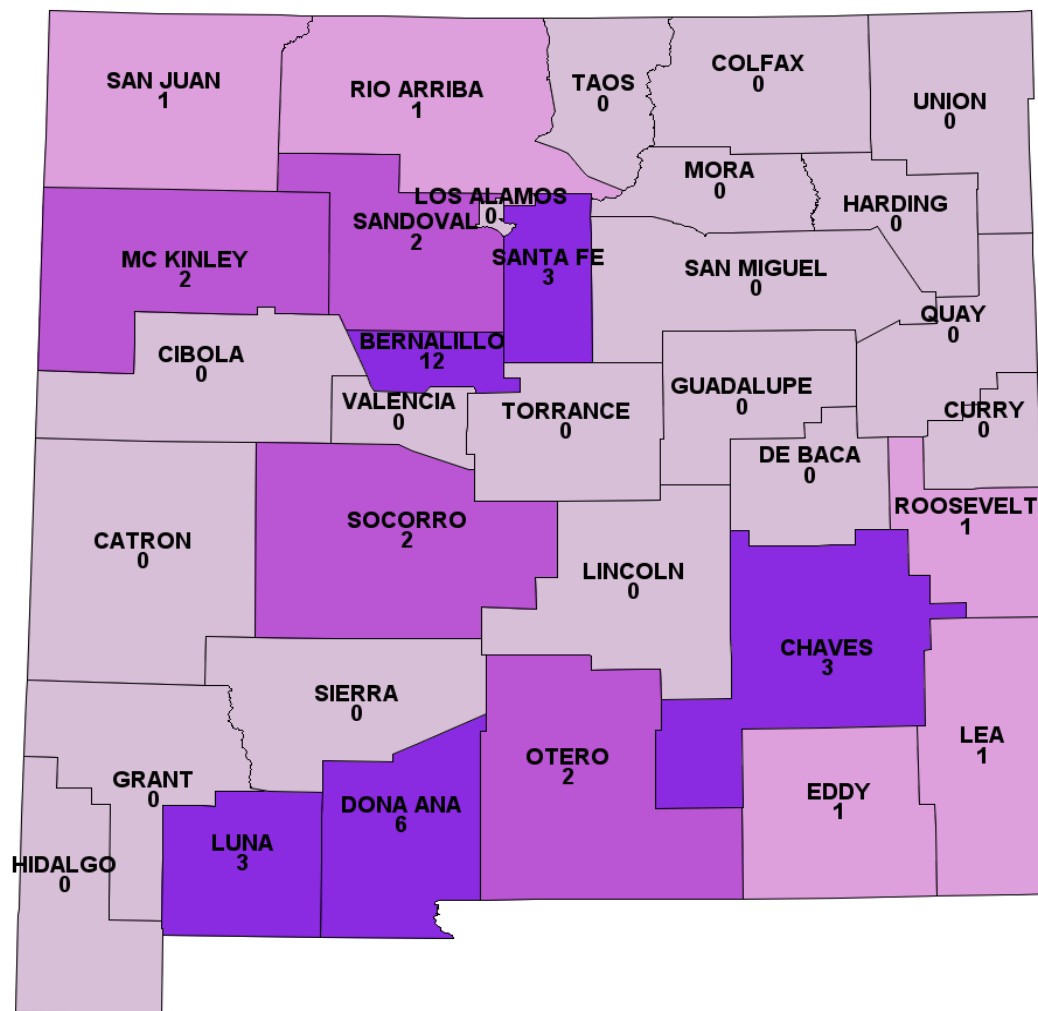

Risk Factors per Report of Verified Case of Tuberculosis (RVCT) Form, New Mexico, 2024, US Born

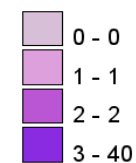

Risk Factors per Report of Verified Case of Tuberculosis (RVCT) Form, New Mexico, 2024, Non US Born

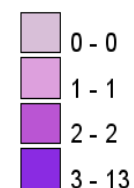

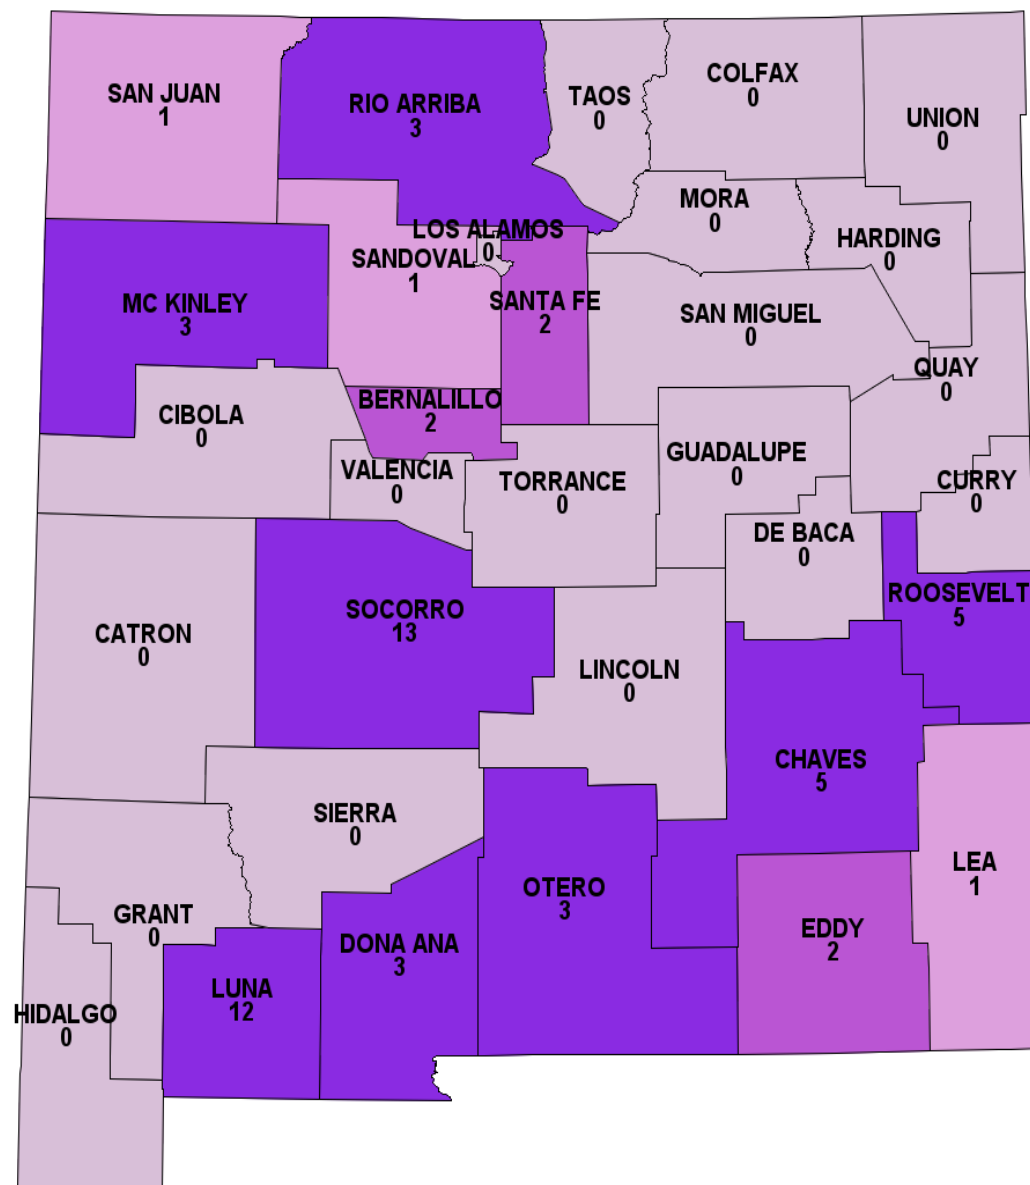

Axis Title

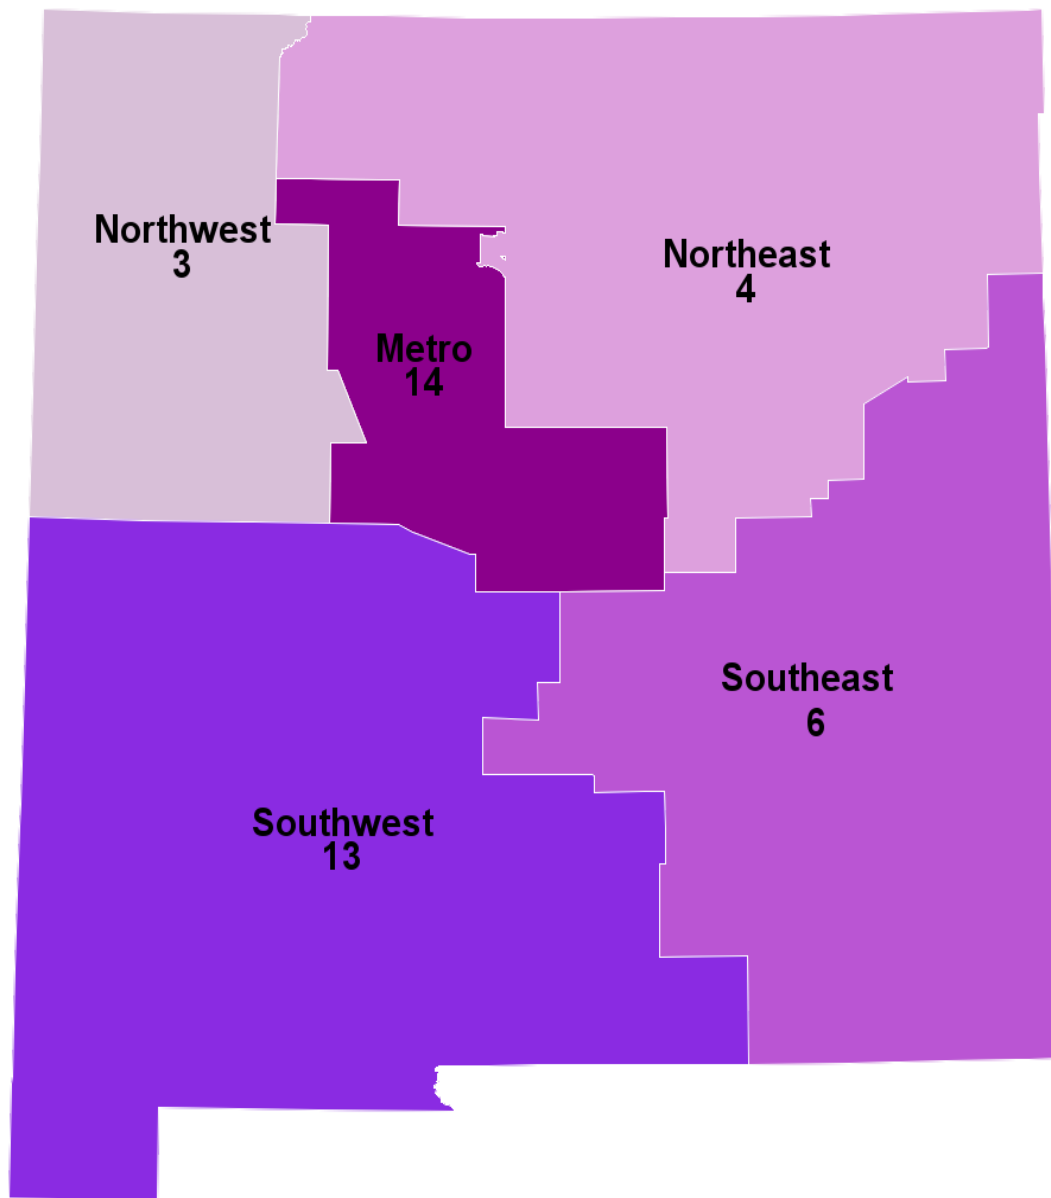

TB Cases by County,  
New Mexico, 2024

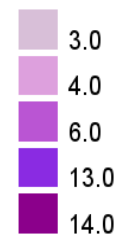

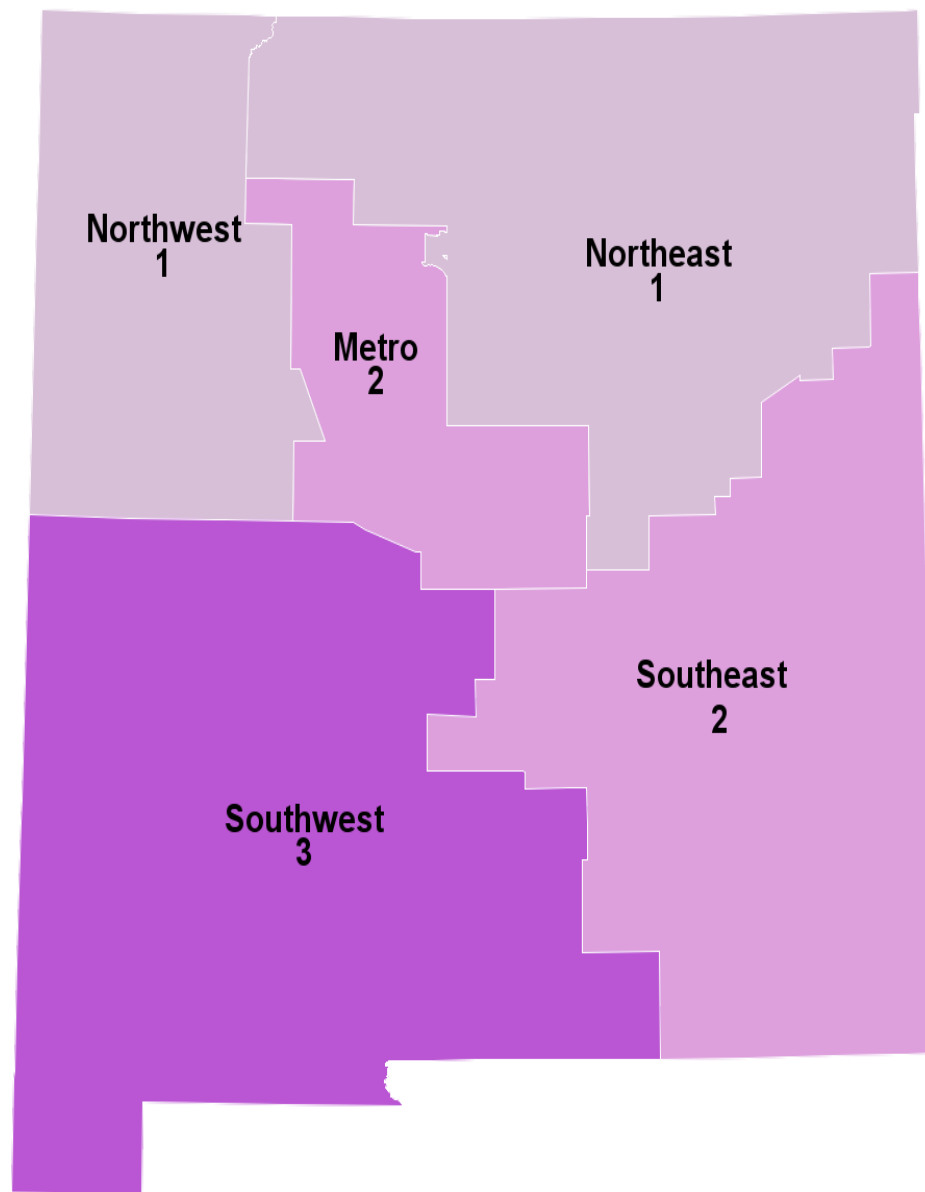

## TB Rates by County, New Mexico, 2024

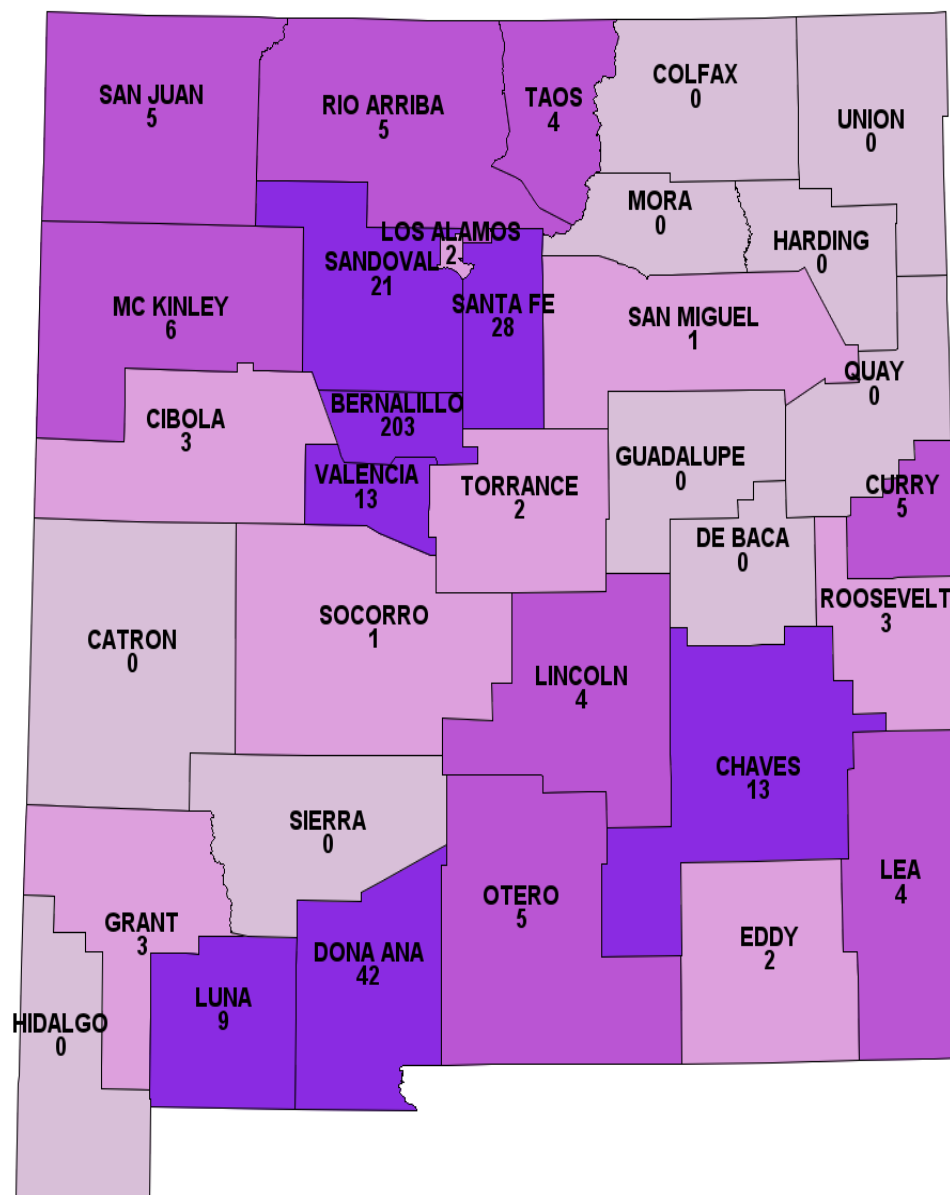

## TB Cases by Region, New Mexico, 2024

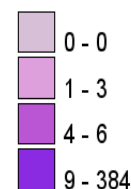

## TB Rates by Region, New Mexico, 2024

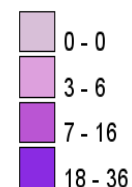

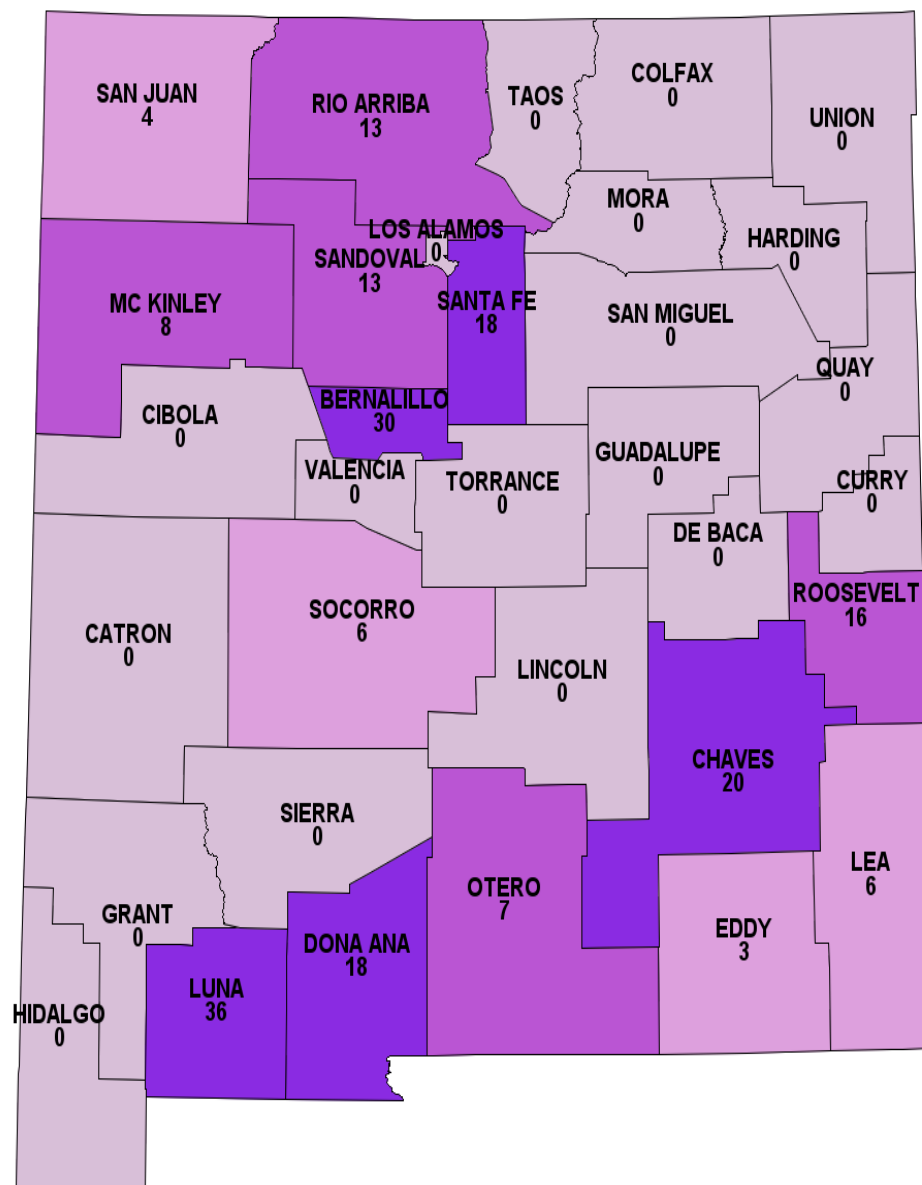

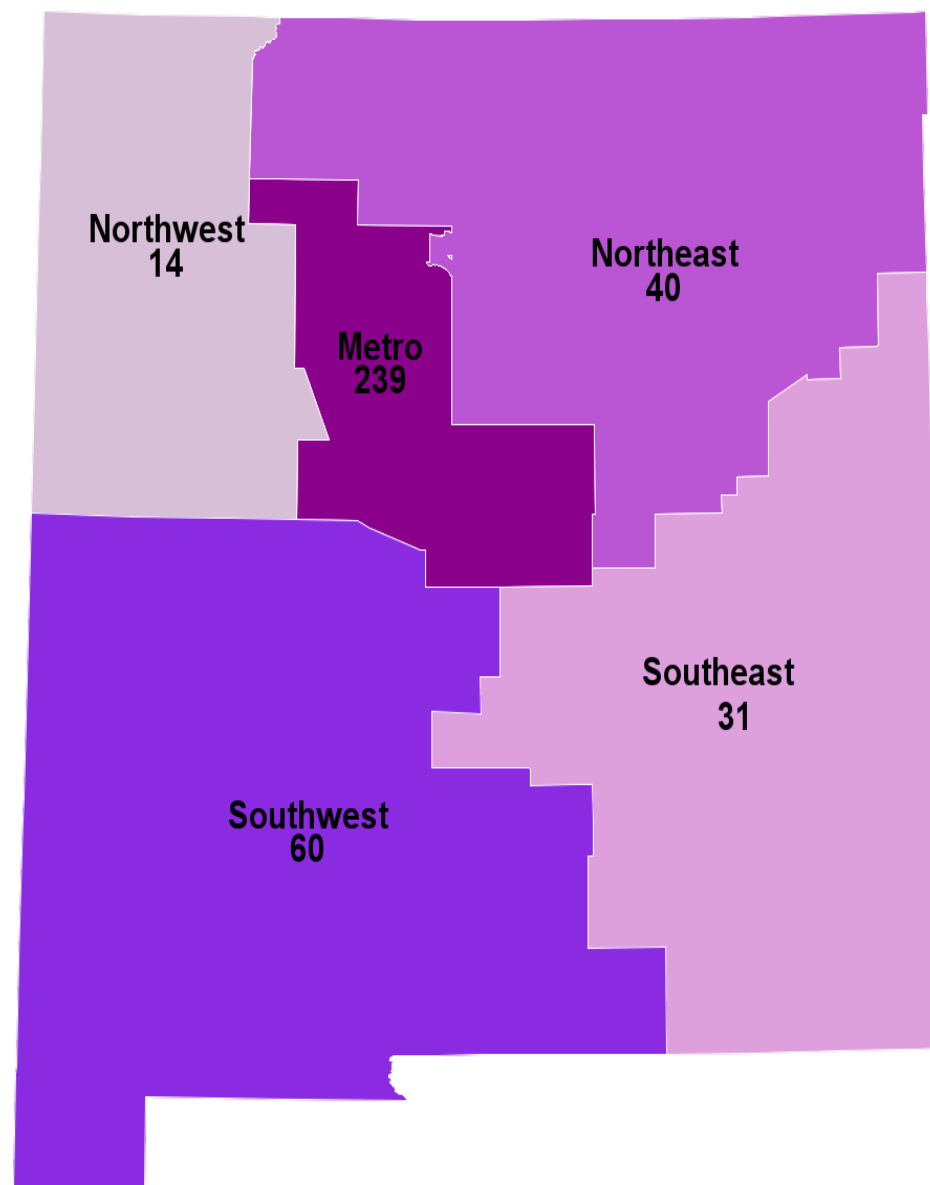

## LTBI Cases by County, New Mexico, 2024

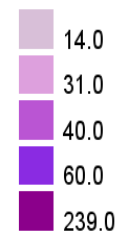

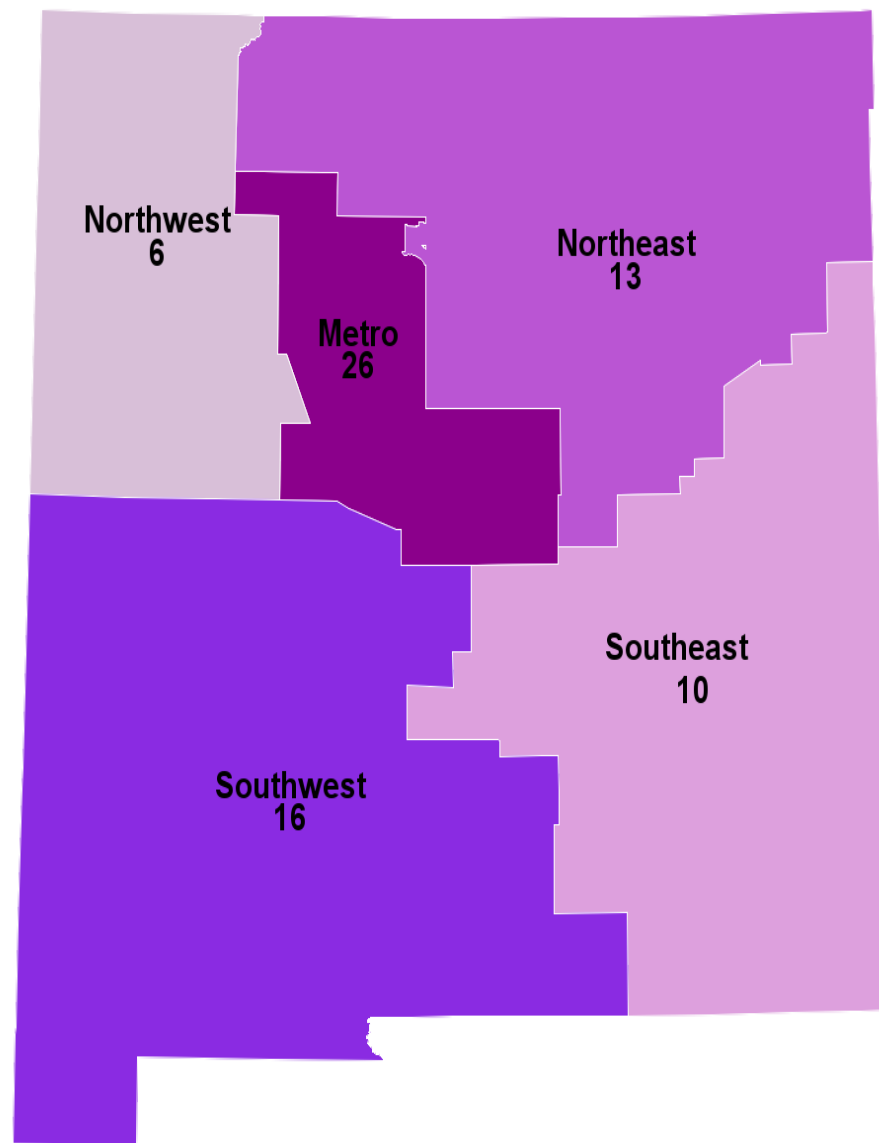

## LTBI Rates by County, New Mexico, 2024

## LTBI Cases by Region, New Mexico, 2024

## LTBI Rates by Region, New Mexico, 2024

Thanks to the entire TB Program team for their hard work ensuring quality TB surveillance and data to demonstrate and respond to disease trends.

Ruth Ann Goradia– TB Nurse Consultant  
Libby Enriquez–TB Nurse Consultant  
Johnna Peters– CDC Public Health Advisor

A special thank you to bureau leadership for their support in continuing best practices to respond to TB.

Dr. Miranda Durham – DOH Chief Medical Officer  
Dr. Victoria Chew – Communicable Disease Bureau Medical Director  
Andrew Gans, MPH – Communicable Disease Bureau Chief
