# New Mexico Department of Health
# 2026 Weekly Infectious Disease Report
# Week 42
# October 18, 2026 - October 24, 2026

This report is prepared by the Center for Health Protection (CHP) Infectious Disease Epidemiology Bureau (IDEB) for notifiable infectious diseases reported through the New Mexico Electronic Disease Surveillance Systems (NM-EDSS). NM-EDSS is a web-based system used by public health staff throughout the state to track investigations of suspected, probable and confirmed cases of notifiable infectious diseases. Data for the current year are provisional and subject to change upon the completion of ongoing disease investigations. Data for prior years are also subject to minor revisions due to corrections or identification of historical cases. Questions regarding the content of this report should be referred to the IDEB Surveillance Team at 1-833-SWNURSE or DOH-CoreSurveillance.

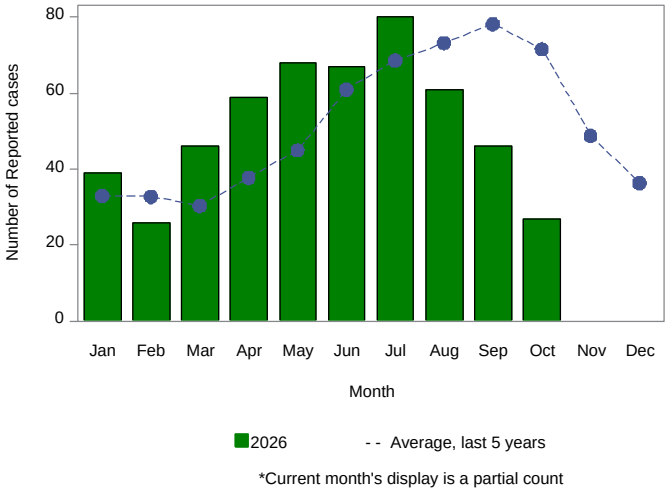
For the latest STD data, please see: https://www.nmhealth.org/about/phd/idb/std/data/.
For the latest TB data, please see: https://www.nmhealth.org/about/phd/idb/tbpp/data/.
For the latest HIV data, please see: https://www.nmhealth.org/about/erd/ideb/haep/data/.
For the latest COVID-19 data, please see: https://www.nmhealth.org/about/erd/ideb/isp/.

Infectious Disease Epidemiology Bureau, 1190 St. Francis Drive, N-1350, Santa Fe, NM 87505, Phone: (505) 827-0006, Fax: (505) 827-0013

# Monthly Trends for Selected Notifiable Infectious Diseases
# As of October 24, 2026

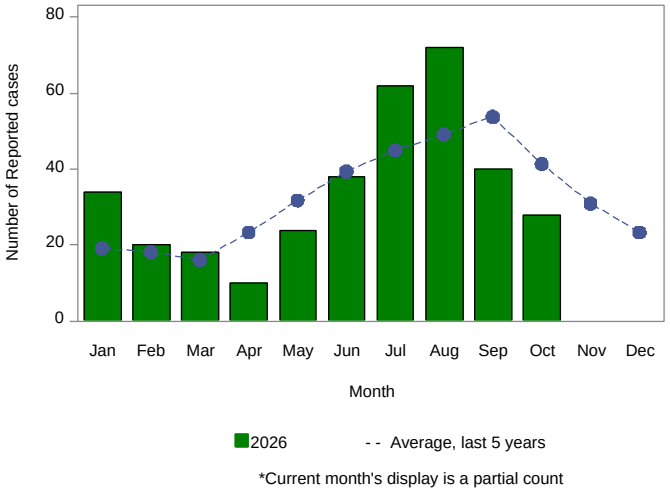
Includes probable and confirmed cases only.
Data for the current year are provisional and may change significantly upon the completion of ongoing investigations.
Data for prior years are also subject to minor revisions due to corrections or identification of historical cases.

### Number of Reported Cases of Campylobacteriosis by Month



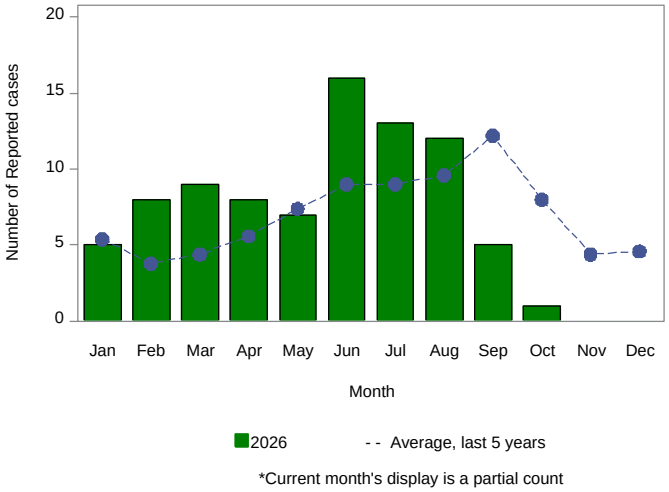
*Current month's display is a partial count

### Number of Reported Cases of Salmonellosis by Month



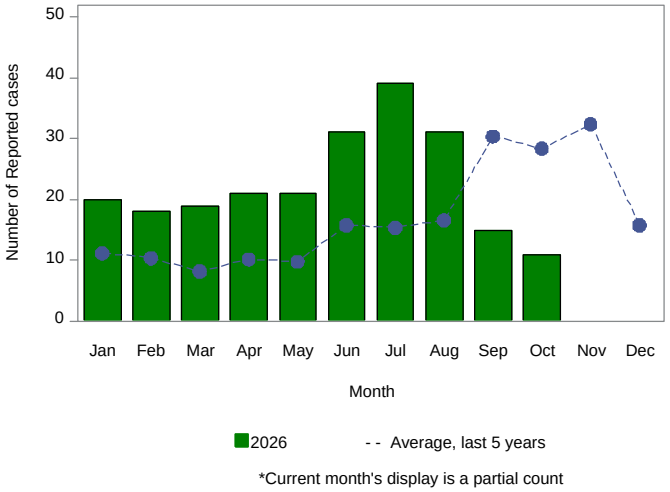
*Current month's display is a partial count

### Number of Reported Cases of Giardiasis by Month



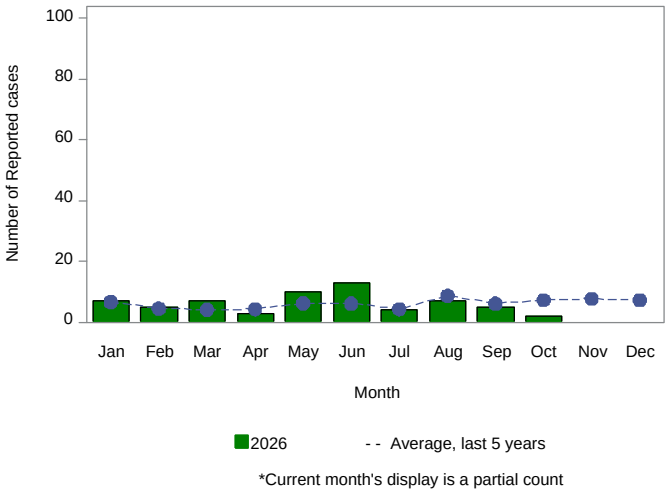
*Current month's display is a partial count

### Number of Reported Cases of Shigellosis by Month



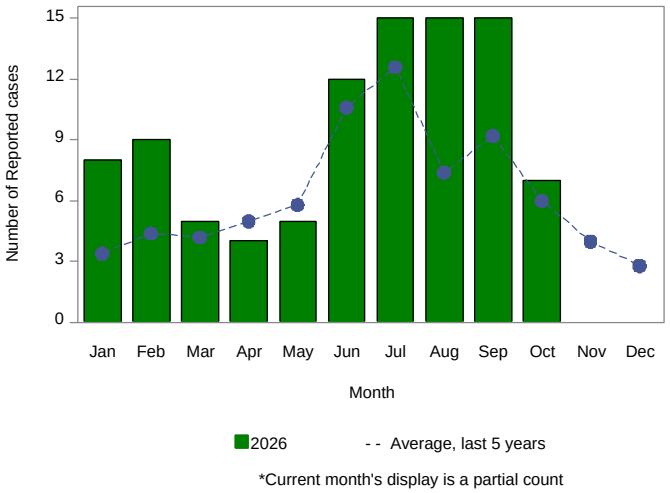
*Current month's display is a partial count

### Number of Reported Cases of Pertussis by Month



*Current month's display is a partial count

### Number of Reported Cases of Shiga toxin-producing E. coli by Month



*Current month's display is a partial count
