

New Mexico Vaccines For Children Vaccine Online Ordering System

Ordering NM VFC vaccines through the online ordering system is mandatory starting September 1st, 2014. Here is a link to the system: <https://www.nmvfcvaccineonlineordering.org>

Training Options & Materials

The NM VFC Vaccine Online Ordering System Online Training (Course ID: 1052898) is available on NM.TRAIN!

You can click the button below to be taken directly to the NM.TRAIN online course. Once there, click on the Registration Tab to login with your username and password to take the course. If you don't yet have an NM.TRAIN account you will also be able to register for one on the same Tab. Should you have any questions regarding your NM.TRAIN account please contact Jordan James at (505) 795-0296 or email him at: jordan.james@state.nm.us Jordan is always more than happy to help ensure the best training experience possible, so please reach out to him as needed.

[Click Here to Pre-Register on NM.TRAIN](#)

If your email client isn't capable of reading the above button you can copy and paste the url below into your web-browser:

<https://nm.train.org/DesktopModules/eLearning/CourseDetails/CourseDetailsForm.aspx?courseId=1052898>

THESE ARE THE STEPS TO COMPLETE TRAINING:

1. Register on the training site.
2. Launch the course and watch the full training video and click through the slide show. (The videos can take some time to load and have a 25 minute running time.)
3. Take the final assessment quiz and pass with a score of 80% or better.
4. Email the certificate of completion the training site will give you to our NM VFC online ordering support: Jasmine.Abston@state.nm.us
5. Receive your user name and password from the NM VFC Program and log into the system.

The Provider Training Guide and the Provider Training Quick Reference Guide can be found on the NM.TRAIN site.

You can find all materials for the system at the DOH Website by clicking [here](#). Scroll all the way down to the bottom of the page to access the ordering system education, videos, and links.
