## Did you know?

Parents, you can now obtain your child's shot record—or your shot record—from the State of New Mexico using your electronic device

### Simply go to VaxViewNM.org

Here is the information you will need to obtain your child's (or your own) shot record:

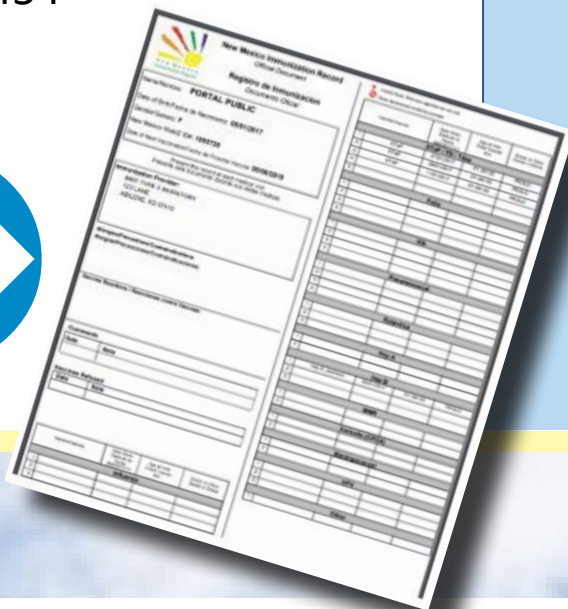

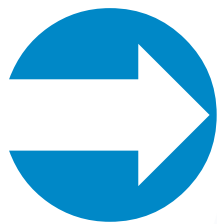

- Patient's name—your child's name or your name
- Date of birth
- Cell phone number or email address\*

**VaxViewNM.org will be a time-saver in your busy life**

**new**

## You can now access your child's shot record at VaxViewNM.org

If you are unable to access your immunization record, contact your provider, your local public health office, or call the New Mexico Statewide Immunization Information System (NMSIIS) help desk at 833-882-6454

### Benefits of VaxViewNM

- A time-saver for you! Parents, you can now access and print your own (or your child's) shot records.
- Parents, you will no longer need to come to the doctor's office to obtain a copy of your child's shot record.

\*The security and protection of patient records is our highest priority. VaxViewNM uses two-factor authentication via text messaging or email to validate patient, parent, or guardian access. If you are not able to access your record, please contact your primary health provider to verify your contact information.

VaxViewNM is a free service provided by the New Mexico Department of Health Immunization Program.
