

Min/Max Temperature Log for Refrigerator and Freezer (F°)

Month/Year _____ VFC PIN # _____ Phone # _____

Site Name _____ Refrigerator _____ Freezer _____ Unit name _____

Days 1-15 SOUTHWEST REGION

Monitor temperatures a minimum of TWICE A DAY

Record the room temperature each morning

A.M. Reading: Record Staff Initials in the first box
 Record the min/max temps in Min/max boxes below yellow bar
 Record the actual temperature from the data logger display in the am column below the blue bar by marking the temperature with an "X"

P.M. Reading: Record Staff Initials in the second box
 Record the actual temperature from the data logger display in the pm column below the blue bar by marking the temperature with an "X"

Take action if temperatures are out of range!

If you have an out-of-range temp, immediately contact your Regional staff and complete a Troubleshooting Record (TSR) following the instructions on the TSR form:

Ceci Sanchez, Immunization Coordinator 575-528-5186 or
 Laurie Garcia, Immunization Coordinator, 575-528-5150

DO NOT USE VACCINES UNTIL INSTRUCTED TO DO SO BY VFC STAFF
