I. OVERVIEW OF THE SUPPORTS WAIVER (SW) MEDICAID PROGRAM:

A. Overview of Waiver Program and Waiver Background Information

The Developmental Disabilities Supports Division (DDSD) of the New Mexico Department of Health (DOH) herein referred to as the DEPARTMENT administers provider enrollment for the Medicaid Supports Waiver. All waiver programs are jointly administered with the New Mexico Human Services Department (HSD) - the single state Medicaid Agency. Recipients of Medicaid Waiver services must meet both financial and medical eligibility as determined by the Human Services Department (HSD), Income Support Division (ISD) in accordance with Medicaid Waiver Regulations.

The DEPARTMENT has the authority to approve individual program services based upon budgetary considerations and availability of approved waiver enrollment slots. The DEPARTMENT also has the authority to approve the area(s) and specific service(s) for authorized and approved waiver service providers. Medicaid Waiver services are not an "entitlement" for eligible Medicaid recipients.

Funding is not guaranteed to a provider under the Medicaid Waiver Program. Reimbursement for service(s) is based upon the recipient's selection of approved service providers as contained in an Individual Service Plan (ISP) and as approved by the DDSD and/or the Medicaid Third Party Assessor. Reimbursement for Medicaid Waiver Programs is based upon a Fee for Service. Reimbursement is at the established service reimbursement rates as shown in the Billing Rates Appendix 1.

B. Conflict of Interest

All DDSD Waiver Provider Agencies must avoid and mitigate any conflict-of-interest issues. This applies to the DD, MF and Supports Waiver providers. See NMSA 1978, § 45-5-311(A) (Uniform Probate Code). Affinity which stems solely from the caregiver relationship is not sufficient to satisfy this requirement.

A Case Management or Community Supports Consultant Provider Agency may not be a Provider Agency for any other Waiver services. A Case Management or Community Supports Consultant Provider Agency may not provide guardianship services to an individual receiving case management services from that same agency. Case Managers and Community Supports Consultants are not able to serve on the board of a provider agency.

Affiliated agencies are defined as two or more service agencies providing DD, MF or Supports Waiver services that has a marital, blood, business interests or holds financial interest in providing direct care for individuals receiving Home and Community Based Services (HCBS). Affiliated agencies must not hold a business or financial interest in any entity that is paid to provide direct care for any individuals receiving HCBS services to prevent solicitation of services.

C. Supports Waiver (SW) Summary

The Supports Waiver (SW), New Mexico's newest Home and Community Based Services (HCBS) Waiver offering an alternative to institutionalization in an ICF/IID. The program is intended to provide an option for support to individuals who are on the Developmental Disabilities (DD) Waiver Wait List waiting for an allocation to the DD/Mi Via Waivers. Individuals will keep their place on the DD Waiver Wait List, for the DD Waiver or the Mi Via Waiver, while they access the SW. The program serves individuals who:

- a) Meet the state/federal definition of developmental disabilities.
- b) Meet the clinical criteria for placement in an ICF/IID facility.
- c) May currently be in an alternative placement in the community.
- d) Meet established Medicaid financial and non-financial eligibility criteria; and
- e) May reasonably be expected to receive services and supports in the community at a cost equal to or less than the cost of institutional care. (Note: Exceptions may be made to this if the aggregate cost of care for all consumers receiving service and supports under the DD Medicaid Waiver program is less than the cost of institutional care.)
- f) Have intellectual/developmental disabilities or a specific related condition.

Please note: Children in pend status are not on the DD Waiver Wait List and therefore, will not be offered the SW.

<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Comments (*This box expands for comments):				

2. Scoring is by committee/or subject matter expert:
3. Committee membership may include Bureau of Behavioral Supports (BBS), Clinical Services Bureau (CSB), Generalists, Community Inclusion (CI), Case Management (CM), Regional Nurse, Regional Office (RO) Director, Subject Matter Expert (SME), and Committee Chair (Provider Enrollment Manager). The Committee Chair will not score/vote on application reviews.
4. Each committee member will review the portion of the application that pertains to their area of expertise. For example, Community Inclusion Coordinators will review SE and CCS; Statewide Case Management Lead will review Case Management etc.
5. The Committee Chair will assign applications to the RO Director or SME Lead, as determined by the application type.
6. Discretion will be allowed for the Committee Chair to confer with RO Directors and/or SME Leads to determine the assigned Lead for multiregional applications so that one expert review one section of the application eliminating duplicative scoring.
7. The Lead for each review will be a RO Director or SME Lead (Behavior Support Consultation (BSC), Therapies, Medically Fragile (MF)) assigned by the Committee Chair and will be responsible to have the final review on the application prior to sending to PEU.
8. The Lead is responsible for pulling together the local committee comprised of appropriate committee members, including any additional staff needed for a particular review.
9. Committee Chair is responsible for coordination, collection duties, and establishing timelines and due dates (reviewers have ten (10) business days to review the application from the date received from the Committee Chair, unless an exception is granted by the Committee Chair.
10. The Lead is responsible to send a completely vetted application with one (1), finalized scoring sheet from the local Committee to the Committee Chair by the established deadline.

B. Remediation Process for Existing Providers

1. A first written Request for Information (RFI) will be issued by the Committee Chair to the provider, the provider has ten (10) business days to return the RFI to the Committee Chair. If the RFI is not returned or remains insufficient.
2. A second, written RFI will be issued by the Committee Chair to the provider with a referral to obtain Technical Assistance (TA) by the Lead. The TA can be provided by the committee or the regional office. TA from DDSD should be consistent across the State, regardless of which DDSD employee is providing the TA. The Provider has ten (10) business days to return the second RFI to the Committee Chair. If the RFI is not returned or remains insufficient.
3. A third RFI will be issued by the Committee Chair in conjunction with a State-imposed Moratorium. The moratorium will remain in effect until the issue is remedied or through transition process mentioned below. The Provider has ten (10) business days to return the RFI to the Committee Chair. If the RFI is not returned or remains insufficient.
4. An application fee of five-hundred dollars will be charged to the Provider for the additional review by the Committee Chair. The Provider has ten (10) business days to return the RFI to the Committee Chair. If the RFI is not returned or remains insufficient.
5. A Denial will be issued by DDSD. The denial will be issued by the Committee Chair for one-year from the date the last person is transitioned out of the provider agency.
6. If a denial is issued, the transition process will begin immediately.

C. Remediation Process for New Providers

1. A first written Request for Information (RFI) will be issued by the Committee Chair to the provider, the provider has ten (10) business days to return the RFI to the Committee Chair. If the RFI is not returned or remains insufficient.
2. A second written RFI will be issued by the Committee Chair to the provider with a referral to obtain Technical Assistance (TA) by the Lead. The TA can be provided by the committee or the regional office. TA from DDSD should be consistent across the State, regardless of which DDSD employee is providing the TA. The Provider has ten (10) business days to return the second RFI to the Committee Chair.
3. If the RFI is not returned or remains insufficient a third RFI will be issued by the Committee Chair to the provider including the original referral for TA. The Provider has ten (10) business days to return the RFI to the Committee Chair. If the RFI is not returned or remains insufficient.
4. An application fee of five-hundred dollars will be charged by the Committee Chair

to the Provider for the additional review. The Provider has ten (10) business days to return the RFI to the Committee Chair. If the RFI is not returned or remains insufficient.

5. A Denial will be issued by DDSD. The Denial will be issued by the Committee Chair for one-year from the date of denial.

1. **For providers of services which require accreditation:**
 - a. New providers will be awarded two (2): one (1) year provisional Provider Agreements. This will allow time for the agency to obtain accreditation as required by DDSD.
 - a. Providers that are subject to review by the Quality Management Bureau will be surveyed six months from the date of service to an individual on the MFW.
 - b. Renewing providers will receive up to a three (3) year term based on scoring and on the recommendations of the DDSD personnel.
