

The National Breast Cancer Foundation (NBCF) Grant administered through UNM Outpatient Surgery and Imaging Services (OSIS), provides no-cost diagnostic mammograms and breast ultrasounds for women of any age. Biopsy is not covered.

To refer under the National Breast Cancer Foundation (NBCF) Grant:

1. Clinician will write a referral to UNM OSIS and indicate that the breast imaging is to be billed under the NBCF Grant funds. It is helpful if the provider can include the NBCF account number (99997856) on the referral.
2. Fax referral to the OSIS radiology diagnostic breast imaging number at 505- 272-3766 (this is an eFAX)
  - Call 505-925-4915 or 505-925-4961 to verify receipt of fax and ensure OSIS will bill the NBCF Grant.
3. Fax NBCF referral information to the attention of Wendy Hine and Karla Salinas who oversee BCC and NBCF at UNM—Fax- 505-272-8331.
4. The client must inform OSIS staff on the day of her appt. to bill under NBCF Grant and sign an NBCF Grant consent at OSIS.
