Dear Nicole Espinoza,

I have received a satisfactory written response to the triennial on-site New Mexico Department of Health (35-A-00005) evaluation conducted on November 4-6, 2024, for all noted deviations. In conclusion of the on-site evaluation, this facility is granted full status of accreditation for the following methods: 2a, 9C13, 9C15, 9C17, 9C18, 9D3, 12, 16e, 21a, 24a, 24c, 21d, 28b. The anniversary date for the next on-site laboratory evaluation is 11/2027.

It was a pleasure to work with the laboratory personnel. Your interest in supporting the NCIMS Laboratory Certification Program is appreciated.

Sincerely,

Misty Moriarty-McNutt, M.S.
