

Approved Psilocybin Psychedelic Medicine Training Programs for Colorado and Oregon

Current Active Psilocybin Training Programs

Please note, this information is provided as a courtesy. It is based on information gathered from the States of Colorado and Oregon as of 5/21/26, however, you will need to check their websites directly for additional information and their current status (for example, if an organization loses their status with Colorado or Oregon, it will not be accepted in New Mexico).
