Addressing Issues With Xerox

Xerox is always available to assist participants and/or EORs with general questions and concerns related to Mi Via paperwork. This can be done by calling the Xerox Help Desk at 1-866-916-0310. However, there may be instances where participants and/or EORs have encountered a reoccurring issue that needs more detailed attention by Xerox. When this occurs, it is best to inform your consultant of the problem immediately. Your consultant works closely with and has access to Mi Via Participant Liaisons at Xerox who handle complex issues that require further research. If the issue is still unresolved after working with the Mi Via Participant Liaison, the consultant can escalate the issue to Xerox management and the State's Xerox-FMA Contract Manager for assistance in finding a resolution.

Employee Termination Process

If an employee needs to be terminated or is no longer working, please contact the Xerox Help Desk at 1-866-916-0310. Xerox will need to know the effective date of the termination, the last day the employee worked, and the reason for the termination. Terminations can only be accepted from the Employer of Record. Participants may not terminate employees unless they are their own Employer. Also, a Power of Attorney, Legal Guardian, Authorized Agent, or Participant Support Person cannot terminate employees.

FOCoSonline Training

You can now take the FOCo**Sonline** training on your own, at any time, from the Mi Via website home page at <http://mivianm.org>. A list of frequently asked questions and a training manual is also included.

If you are an employer, please take the Employer training Parts I & II. If you are an employee, you only need to take the Employee training.

Please complete the quiz at the end of the training to help you review the information. You will receive a FOCo**Sonline** Account Authorization form, once the training is completed. You will need to complete this in order to login to FOCo**Sonline**.

Please note, for employees, your Employer must also have access to FOCo**Sonline** so they can approve your timesheet.

Employee and Vendor Forms

Some of the employee and vendor forms have been updated for 2014. If you are not sure which form to use or if you have the correct version, you may contact Xerox at 1-866-916-0310. The forms have also been translated to Spanish.

When An Employee May Begin Working

Employees cannot work for a Mi Via participant until all pre-hire paperwork is received by Xerox and the employee has passed COR screening. To obtain the pre-hire packet, you can contact the Xerox Help Desk at 1-866-916-0310 or your consultant. Employees and independent contractors (without an appropriate professional license) are required by NM law through the caregivers' criminal history screening act (7.1.9 NMAC) to pass a criminal background check which must first be processed against the COR. This COR screening is completed by Xerox, usually within 48 hours, after all complete and correct pre-hire packet information is received by Xerox.

Once the COR check is completed, and the provider has passed the COR check, the Employer (EOR) will receive an e-mail notification that the employee has passed their COR Background Check. If the EOR does not have an e-mail address listed in **FOCo**Online**** Xerox will contact the EOR, via telephone to let the EOR know that the employee has passed the COR check.

Remember, employees cannot begin working until the Employer has been notified by Xerox that the employee has passed their COR Background Check and may begin working as approved on the Participant's Plan and according to the Participant's Mi Via Waiver Eligibility. You can work with your consultant agency on the process of hiring an employee.

Although an employee may begin providing services as soon as they have passed their COR Background Check, as approved on the Participant's Plan and according to the Participant's Mi Via Waiver Eligibility, payment will not be issued until all required paperwork (Employee Agreement, Employee Information Form, Declaration of Relationship Form, and Federal W-4) is complete and has been processed by Xerox. You can contact the Xerox Help Desk at 1-866-916-0310 to verify that all required employee enrollment paperwork has been received and that the employee is set up to receive payments.

If an employee does not pass the criminal background check, as required by NM law, he/she may not provide services to the Mi Via participant. The employee and Xerox will be notified by the Department of Health if he/she does not pass the criminal background check.
