

This is an amendment to 7.35.2 NMAC, Section 10, effective xx/xx, 2026.

7.35.2.10 GENERAL PRODUCER REQUIREMENTS:

A. A producer shall:

- (1) Only cultivate, manufacture, and possess psilocybin and psilocybin products on the producer's permitted premises, and shall not transport psilocybin outside the state of New Mexico.
- (2) Use equipment, counters and surfaces for post-harvest processing that are food-grade and do not react adversely with any solvent being used.
- (3) Construct and maintain floors, walls, ceilings, counters and surface areas in a manner that reduces the potential development of microbials, molds, and unintended fungi.
- (4) Maintain the licensed premises in a manner that is free from conditions that may result in contamination of psilocybin products and that is suitable for safe and sanitary operations.
- (5) Store all psilocybin products in a secured, locked area, including psilocybin products that require refrigeration.
- (6) Associate every cultivation batch, harvest lot, homogenized lot, and product lot with a unique identification number and enter this information into the traceability system.
- (7) Only sell psilocybin or psilocybin products to other producers, healing centers, and [to] practitioners; and only otherwise distribute psilocybin or psilocybin products to medical psilocybin testing laboratories, or to department employees for testing in accordance with this rule.
- (8) Immediately discontinue operations and notify the department in the event of an imminent health hazard that could result in contamination of psilocybin products.
