To: Matt Poel, Chief Executive Officer

Provider: Great Livin', LLC

Address: 2901 Juan Tabo Blvd. NE, Suite 208 State/Zip: Albuquerque, New Mexico 87112

E-mail Address: matt@greatlivin.com

Region: Metro

Survey Date: August 18 - 25, 2017

Program Surveyed: Developmental Disabilities Waiver

Service Surveyed: 2012: Supported Living, Customized Community Supports

Survey Type: Routine

Team Leader: Chris Melon, MPA, Healthcare Surveyor, Division of Health Improvement/Quality Management

Bureau

Team Members: Lora Norby, Healthcare Surveyor, Division of Health Improvement/Quality Management Bureau

Dear Mr. Poel;

The Division of Health Improvement/Quality Management Bureau has completed a compliance survey of the services identified above. The purpose of the survey was to determine compliance with federal and state standards; to assure the health, safety, and welfare of individuals receiving services through the Developmental Disabilities Waiver; and to identify opportunities for improvement. This Report of Findings will be shared with the Developmental Disabilities Supports Division for their use in determining your current and future provider agreements. Upon receipt of this letter and Report of Findings your agency must immediately correct all deficiencies which place Individuals served at risk of harm.

Determination of Compliance:

The Division of Health Improvement, Quality Management Bureau has determined your agency is in:

Partial Compliance with Conditions of Participation

The following tags are identified as Condition of Participation Level Deficiencies:

- Tag # 1A20 Direct Support Personnel Training
- Tag # 1A22 Agency Personnel Competency

This determination is based on noncompliance with one or more CMS waiver assurances at the Condition of Participation level as well as Standard level deficiencies identified in the attached QMB Report of Findings and requires implementation of a Plan of Correction.

Plan of Correction:

DIVISION OF HEALTH IMPROVEMENT

5301 Central Avenue NE, Suite 400 • Albuquerque, New Mexico • 87108 (505) 222-8623 • FAX: (505) 222-8661 • http://www.dhi.health.state.nm.us

The attached Report of Findings identifies the Standard Level and/or Condition of Participation deficiencies found during your agency's compliance review. You are required to complete and implement a Plan of Correction. Your agency has a total of 45 business days (10 business days to submit your POC for approval and 35 days to implement your *approved* Plan of Correction) from the receipt of this letter.

During the exit interview of your on-site survey Attachment A on the Plan of Correction Process was provided to you. Please refer to Attachment A for specific instruction on completing your Plan of Correction. At a minimum your Plan of Correction should address the following for each Tag cited:

Corrective Action:

• How is the deficiency going to be corrected? (i.e. obtained documents, retrain staff, individuals and/or staff no longer in service, void/adjusts completed, etc.) This can be specific to each deficiency cited or if possible an overall correction, i.e. all documents will be requested and filed as appropriate.

On-going Quality Assurance/Quality Improvement Processes:

- What is going to be done? (i.e. file reviews, periodic check with checklist, etc.)
- How many individuals is this going to effect? (i.e. percentage of individuals reviewed, number of files reviewed, etc.)
- How often will this be completed? (i.e. weekly, monthly, quarterly, etc.)
- Who is responsible? (responsible position)
- What steps will be taken if issues are found? (i.e. retraining, requesting documents, filing RORI, etc.)

Submission of your Plan of Correction:

Please submit your agency's Plan of Correction in the space on the two right columns of the Report of Findings. (See attachment "A" for additional guidance in completing the Plan of Correction).

Within 10 business days of receipt of this letter your agency Plan of Correction must be submitted to the parties below:

- 1. Quality Management Bureau, Attention: Amanda Castaneda, Plan of Correction Coordinator 1170 North Solano Suite D Las Cruces, New Mexico 88001
- 2. Developmental Disabilities Supports Division Regional Office for region of service surveyed

Upon notification from QMB that your *Plan of Correction has been approved*, you must implement all remedies and corrective actions to come into compliance. If your Plan of Correction is denied, you must resubmit a revised plan as soon as possible for approval, as your POC approval and all remedies must be completed within 45 business days of the receipt of this letter.

Failure to submit your POC within the allotted 10 business days or complete and implement your Plan of Correction within the total 45 business days allowed may result in the imposition of a \$200 per day Civil Monetary Penalty until it is received, completed and/or implemented.

Billing Deficiencies:

If you have deficiencies noted in this report of findings under the *Service Domain: Medicaid Billing/Reimbursement*, you must complete a Void/Adjust claims or remit the identified overpayment via a check within 30 calendar days of the date of this letter to HSD/OIG/PIU, *though this is not the preferred method of payment*. If you choose to pay via check, please include a copy of this letter with the payment. Make the check payable to the New Mexico Human Services Department and mail to:

Attention: Lisa Medina-Lujan HSD/OIG Program Integrity Unit 2025 S. Pacheco Street Santa Fe, New Mexico 87505

Or if using UPS, FedEx, DHL (courier mail) send to physical address at:

QMB Report of Findings – Great Livin', LLC – Metro Region – August 18 - 25, 2017

Survey Report #: Q.18.1.DDW.86879375.5.RTN.01.17.346

Attention: Lisa Medina-Lujan HSD/OIG Program Integrity Unit 1474 Rodeo Road Santa Fe, New Mexico 87505

Please be advised that there is a one-week lag period for applying payments received by check to Voided/Adjusted claims. During this lag period, your other claim payments may be applied to the amount you owe even though you have sent a refund, reducing your payment amount. For this reason, we recommend that you allow the system to recover the overpayment instead of sending in a check.

Request for Informal Reconsideration of Findings (IRF):

If you disagree with a finding of deficient practice, you have 10 business days upon receipt of this notice to request an IRF. Submit your request for an IRF in writing to:

QMB Deputy Bureau Chief 5301 Central Ave NE Suite #400 Albuquerque, NM 87108 Attention: IRF request

See Attachment "C" for additional guidance in completing the request for Informal Reconsideration of Findings. The request for an IRF will not delay the implementation of your Plan of Correction which must be completed within 45 total business days (10 business days to submit your POC for approval and 35 days to implement your *approved* Plan of Correction). Providers may not appeal the nature or interpretation of the standard or regulation, the team composition or sampling methodology. If the IRF approves the modification or removal of a finding, you will be advised of any changes.

Please call the Plan of Correction Coordinator Amanda Castaneda at 575-373-5716 if you have questions about the Report of Findings or Plan of Correction. Thank you for your cooperation and for the work you perform.

Sincerely,

Chris Melon, MPA

Provider Instructions for Completing the QMB Plan of Correction (POC) Process

Introduction:

After a QMB Compliance Survey, your QMB Report of Findings will be sent to you via e-mail.

Each provider must develop and implement a Plan of Correction (POC) that identifies specific quality assurance and quality improvement activities the agency will implement to correct deficiencies and prevent continued deficiencies and non-compliance.

Agencies must submit their Plan of Correction within ten (10) business days from the date you receive the QMB Report of Findings. (Providers who do not submit a POC within 10 business days may be referred to the Internal Review Committee [IRC] for possible actions or sanctions).

Agencies must fully implement their approved Plan of Correction within 45 business days (10 business days to submit your POC for approval and 35 days to implement your approved Plan of Correction) from the date they receive the QMB Report of Findings (Providers who fail to complete a POC within the 45 business days allowed will be referred to the IRC for possible actions or sanctions.)

If you have questions about the Plan of Correction process, call the Plan of Correction Coordinator at 575-373-5716 or email at AmandaE.Castaneda@state.nm.us. Requests for technical assistance must be requested through your Regional DDSD Office.

The POC process cannot resolve disputes regarding findings. If you wish to dispute a finding on the official Report of Findings, you must file an Informal Reconsideration of Findings (IRF) request within ten (10) business days of receiving your report. Please note that you must still submit a POC for findings that are in question (see Attachment "C").

Instructions for Completing Agency POC:

Required Content

Your Plan of Correction should provide a step-by-step description of the methods to correct each deficient practice to prevent recurrence and information that ensures the regulation cited is in compliance. The remedies noted in your POC are expected to be added to your Agency's required, annual Quality Assurance Plan.

If a deficiency has already been corrected, the plan should state how it was corrected, the completion date (date the correction was accomplished), and how possible recurrence of the deficiency will be prevented.

The Plan of Correction must address the six required Center for Medicare and Medicaid Services (CMS) core elements to address each deficiency cited in the Report of Findings:

- 1. How the specific and realistic corrective action will be accomplished for individuals found to have been affected by the deficient practice.
- 2. How the agency will identify other individuals who have the potential to be affected by the same deficient practice, and how the agency will act to protect individuals in similar situations.
- What QA measures will be put into place or systemic changes made to ensure that the deficient practice will not recur
- 4. Indicate how the agency plans to monitor its performance to make sure that solutions are sustained. The agency must develop a QA plan for ensuring that correction is achieved and sustained. This QA plan must be implemented, and the corrective action evaluated for its effectiveness. The plan of correction is integrated into the agency quality assurance system; and
- 5. Include dates when corrective action will be completed. The corrective action completion dates must be acceptable to the State.

The following details should be considered when developing your Plan of Correction:

QMB Report of Findings - Great Livin', LLC - Metro Region - August 18 - 25, 2017

- Details about how and when Consumer, Personnel and Residential files are audited by Agency personnel to ensure they contain required documents;
- Information about how Medication Administration Records are reviewed to verify they contain all required information before they are distributed, as they are being used, and after they are completed;
- Your processes for ensuring that all staff are trained in Core Competencies, Abuse, Neglect and Exploitation Reporting, and Individual-Specific service requirements, etc.;
- How accuracy in Billing/Reimbursement documentation is assured;
- How health, safety is assured;
- For Case Management Providers, how Individual Specific Plans are reviewed to verify they meet requirements, how the timeliness of LOC packet submissions and consumer visits are tracked;
- Your process for gathering, analyzing and responding to Quality data indicators; and,
- Details about Quality Targets in various areas, current status, analyses about why targets were not met, and remedies implemented.

Note: Instruction or in-service of staff alone may not be a sufficient plan of correction. This is a good first step toward correction, but additional steps must be taken to ensure the deficiency is corrected and will not recur.

Completion Dates

- The plan of correction must include a **completion date** (entered in the far right-hand column) for each finding. Be sure the date is **realistic** in the amount of time your Agency will need to correct the deficiency; not to exceed 45 total business days.
- Direct care issues should be corrected immediately and monitored appropriately.
- Some deficiencies may require a staged plan to accomplish total correction.
- Deficiencies requiring replacement of equipment, etc., may require more time to accomplish correction but should show reasonable time frames.

Initial Submission of the Plan of Correction Requirements

- 1. The Plan of Correction must be completed on the official QMB Survey Report of Findings/Plan of Correction Form and received by QMB within ten (10) business days from the date you received the report of findings.
- 2. For questions about the POC process, call the POC Coordinator, Amanda Castaneda at 575-373-5716 or email at AmandaE.Castaneda@state.nm.us for assistance.
- 3. For Technical Assistance (TA) in developing or implementing your POC, contact your Regional DDSD Office.
- 4. Submit your POC to Amanda Castaneda, POC Coordinator in any of the following ways:
 - a. Electronically at <u>AmandaE.Castaneda@state.nm.us</u> (preferred method)
 - b. Fax to 575-528-5019, or
 - c. Mail to POC Coordinator, 1170 North Solano Ste D, Las Cruces, New Mexico 88001
- 5. Do not submit supporting documentation (evidence of compliance) to QMB until after your POC has been approved by the QMB.
- 6. QMB will notify you when your POC has been "approved" or "denied."
 - a. During this time, whether your POC is "approved," or "denied," you will have a maximum of 45 business days from the date of receipt of your Report of Findings to correct all survey deficiencies.
 - b. If your POC is denied, it must be revised and resubmitted as soon as possible, as the 45 business day limit is in effect.
 - c. If your POC is denied a second time your agency may be referred to the Internal Review Committee.
 - d. You will receive written confirmation when your POC has been approved by QMB and a final deadline for completion of your POC.
 - e. Please note that all POC correspondence will be sent electronically unless otherwise requested.
- 7. Failure to submit your POC within 10 business days without prior approval of an extension by QMB will result in a referral to the Internal Review Committee and the possible implementation of monetary penalties and/or sanctions.

POC Document Submission Requirements

Once your POC has been approved by the QMB Plan of Correction Coordinator you must submit copies of documents as evidence that all deficiencies have been corrected, as follows.

1. Your internal documents are due within a *maximum* of 45 business days of receipt of your Report of Findings.

QMB Report of Findings - Great Livin', LLC - Metro Region - August 18 - 25, 2017

- 2. It is preferred that you submit your documents via USPS or other carrier (scanned and saved to CD/DVD disc, flash drive, etc.). If the documents do not contain protected Health information (PHI) the preferred method is that you submit your documents electronically (scanned and attached to e-mails).
- 3. All submitted documents <u>must be annotated</u>; please be sure the tag numbers and Identification numbers are indicated on each document submitted. Documents which are not annotated with the Tag number and Identification number may not be accepted.
- 4. Do not submit original documents; Please provide copies or scanned electronic files for evidence. Originals must be maintained in the agency file(s) per DDSD Standards.
- In lieu of some documents, you may submit copies of file or home audit forms that clearly indicate cited deficiencies
 have been corrected, other attestations of correction must be approved by the Plan of Correction Coordinator prior
 to their submission.
- 6. When billing deficiencies are cited, you must provide documentation to justify billing and/or void and adjust forms submitted to Xerox State Healthcare, LLC for the deficiencies cited in the Report of Findings.

Revisions, Modifications or Extensions to your Plan of Correction (post QMB approval) must be made in writing and submitted to the Plan of Correction Coordinator, prior to the due date and are approved on a case-by-case basis. No changes may be made to your POC or the timeframes for implementation without written approval of the POC Coordinator.

Attachment B

Department of Health, Division of Health Improvement QMB Determination of Compliance Process

The Division of Health Improvement, Quality Management Bureau (QMB) surveys compliance of the Developmental Disabilities Waiver (DDW) standards and state and federal regulations. QMB has grouped the CMS assurances into five Service Domains: Level of Care; Plan of Care; Qualified Providers; Health, Welfare and Safety; and Administrative Oversight (note that Administrative Oversight listed in this document is not the same as the CMS assurance of Administrative Authority. Used in this context it is related to the agency's operational policies and procedures, Quality Management system and Medicaid billing and reimbursement processes.)

The QMB Determination of Compliance process is based on provider compliance or non-compliance with standards and regulations identified in the QMB Report of Findings. All deficiencies (non-compliance with standards and regulations) are identified and cited as either a Standard level deficiency or a Condition of Participation level deficiency in the QMB Reports of Findings. All deficiencies require corrective action when non-compliance is identified.

Within the QMB Service Domains there are fundamental regulations, standards, or policies with which a provider must be in essential compliance in order to ensure the health and welfare of individuals served known as Conditions of Participation (CoPs).

The Determination of Compliance for each service type is based on a provider's compliance with CoPs in the following Service Domains.

Case Management Services (Four Service Domains):

- Plan of Care: ISP Development & Monitoring
- Level of Care
- Qualified Providers
- Health, Safety and Welfare

Community Living Supports / Inclusion Supports (Three Service Domains):

- Service Plans: ISP Implementation
- Qualified Provider
- Health, Safety and Welfare

Conditions of Participation (CoPs)

A CoP is an identified fundamental regulation, standard, or policy with which a provider must be in compliance in order to ensure the health and welfare of individuals served. CoPs are based on the Centers for Medicare and Medicaid Services, Home and Community-Based Waiver required assurances. A provider must be in compliance with CoPs to participate as a waiver provider.

QMB surveyors use professional judgment when reviewing the critical elements of each standard and regulation to determine when non-compliance with a standard level deficiency rises to the level of a CoP out of compliance. Only some deficiencies can rise to the level of a CoP (See the next section for a list of CoPs). The QMB survey team analyzes the relevant finding in terms of scope, actual harm or potential for harm, unique situations, patterns of performance, and other factors to determine if there is the potential for a negative outcome which would rise to the level of a CoP. A Standard level deficiency becomes a CoP out of compliance when the team's analysis establishes that there is an identified potential for significant harm or actual harm. It is then cited as a CoP out of compliance. If the deficiency does not rise to the level of a CoP out of compliance, it is cited as a Standard Level Deficiency.

The Division of Health Improvement (DHI) and the Developmental Disabilities Supports Division (DDSD) collaborated to revise the current Conditions of Participation (CoPs). There are seven Conditions of Participation in which providers must be in compliance.

QMB Report of Findings - Great Livin', LLC - Metro Region - August 18 - 25, 2017

CoPs and Service Domains for Case Management Supports are as follows:

Service Domain: Plan of Care ISP Development & Monitoring

Condition of Participation:

1. **Individual Service Plan (ISP) Creation and Development**: Each individual shall have an ISP. The ISP shall be developed in accordance with DDSD regulations and standards and is updated at least annually or when warranted by changes in the individual's needs.

Condition of Participation:

2. **ISP Monitoring and Evaluation:** The Case Manager shall ensure the health and welfare of the individual through monitoring the implementation of ISP desired outcomes.

Service Domain: Level of Care

Condition of Participation:

3. **Level of Care**: The Case Manager shall complete all required elements of the Long Term Care Assessment Abstract (LTCAA) to ensure ongoing eligibility for waiver services.

CoPs and Service Domain for ALL Service Providers is as follows:

Service Domain: Qualified Providers

Condition of Participation:

4. **Qualified Providers**: Agencies shall ensure support staff has completed criminal background screening and all mandated trainings as required by the DDSD.

CoPs and Service Domains for Living Supports and Inclusion Supports are as follows:

Service Domain: Service Plan: ISP Implementation

Condition of Participation:

5. **ISP Implementation**: Services provided shall be consistent with the components of the ISP and implemented to achieve desired outcomes / action step.

Service Domain: Health, Welfare and Safety

Condition of Participation:

6. Individual Health, Safety and Welfare: (Safety) Individuals have the right to live and work in a safe environment.

Condition of Participation:

7. **Individual Health, Safety and Welfare (Healthcare Oversight)**: The provider shall support individuals to access needed healthcare services in a timely manner. Nursing, healthcare services and healthcare oversight shall be available and provided as needed to address individuals' health, safety and welfare.

QMB Determinations of Compliance

Compliance with Conditions of Participation

The QMB determination of *Compliance with Conditions of Participation* indicates that a provider is in compliance with all Conditions of Participation, (CoP). The agency has obtained a level of compliance such that there is a minimal potential for harm to individuals' health and safety. To qualify for a determination of Compliance with Conditions of Participation, the provider must be in compliance with all Conditions of Participation in all relevant Service Domains. The agency may also have Standard level deficiencies (deficiencies which are not at the condition level) out of compliance in any of the Service Domains.

Partial-Compliance with Conditions of Participation

The QMB determination of *Partial-Compliance with Conditions of Participation* indicates that a provider is out of compliance with Conditions of Participation in one (1) to two (2) Service Domains. The agency may have one or more Condition level tags within a Service Domain. This partial-compliance, if not corrected, may result in a serious negative outcome or the potential for more than minimal harm to individuals' health and safety. The agency may also have Standard level deficiencies (deficiencies which are not at the condition level) in any of the Service Domains.

Providers receiving a <u>repeat</u> determination of Partial-Compliance for repeat deficiencies at the level of a Condition in any Service Domain may be referred by the Quality Management Bureau to the Internal Review Committee (IRC) for consideration of remedies and possible actions or sanctions.

Non-Compliance with Conditions of Participation

The QMB determination of *Non-Compliance with Conditions of Participation* indicates a provider is significantly out of compliance with Conditions of Participation in multiple Service Domains. The agency may have one or more Condition level tags in each of 3 relevant Service Domains and/or 6 or more Condition of Participation level deficiencies overall, as well as widespread Standard level deficiencies identified in the attached QMB Report of Findings and requires implementation of a Plan of Correction.

This non-compliance, if not corrected, may result in a serious negative outcome or the potential for more than minimal harm to individuals' health and safety. The agency may also have Standard level deficiencies (deficiencies which are not at the condition level) in any of the Service Domains

Providers receiving a <u>repeat</u> determination of Non-Compliance will be referred by Quality Management Bureau to the Internal Review Committee (IRC) for consideration of remedies and possible actions or sanctions.

Attachment C

Guidelines for the Provider Informal Reconsideration of Finding (IRF) Process

Introduction:

Throughout the QMB Survey process, surveyors are openly communicating with providers. Open communication means surveyors have clarified issues and/or requested missing information before completing the review through the use of the signed/dated "Document Request," or "Administrative Needs," etc. forms. Regardless, there may still be instances where the provider disagrees with a specific finding. Providers may use the following process to informally dispute a finding.

Instructions:

- 1. The Informal Reconsideration of the Finding (IRF) request must be received in writing to the QMB Deputy Bureau Chief within 10 business days of receipt of the final Report of Findings.
- 2. The written request for an IRF *must* be completed on the QMB Request for Informal Reconsideration of Finding form available on the QMB website: http://dhi.health.state.nm.us/qmb
- 3. The written request for an IRF must specify in detail the request for reconsideration and why the finding is inaccurate.
- 4. The IRF request must include all supporting documentation or evidence.
- 5. If you have questions about the IRF process, email the IRF Chairperson, Crystal Lopez-Beck at Crystal.Lopez-Beck@state.nm.us for assistance.

The following limitations apply to the IRF process:

- The written request for an IRF and all supporting evidence must be received within 10 business days.
- Findings based on evidence requested during the survey and not provided may not be subject to reconsideration.
- The supporting documentation must be new evidence not previously reviewed or requested by the survey team.
- Providers must continue to complete their Plan of Correction during the IRF process
- Providers may not request an IRF to challenge the sampling methodology.
- Providers may not request an IRF based on disagreement with the nature of the standard or regulation.
- Providers may not request an IRF to challenge the team composition.
- Providers may not request an IRF to challenge the DHI/QMB determination of compliance or the length of their DDSD provider contract.

A Provider forfeits the right to an IRF if the request is not received within 10 business days of receiving the report and/or does not include all supporting documentation or evidence to show compliance with the standards and regulations.

The IRF Committee will review the request; the Provider will be notified in writing of the ruling; no face-to-face meeting will be conducted.

When a Provider requests that a finding be reconsidered, it does not stop or delay the Plan of Correction process. Providers must continue to complete the Plan of Correction, including the finding in dispute regardless of the IRF status. If a finding is removed or modified, it will be noted and removed or modified from the Report of Findings. It should be noted that in some cases a Plan of Correction may be completed prior to the IRF process being completed. The provider will be notified in writing on the decisions of the IRF committee.

CHAPTER 11 (FL) 3. Agency Requirements B. Living Supports- Family Living Services Provider Agency Staffing Requirements: 3. Training:

A. All Family Living Provider agencies must ensure staff training in accordance with the Training Requirements for Direct Service Agency Staff policy. DSP's or subcontractors delivering substitute care under Family Living must at a minimum comply with the section of the training policy that relates to Respite, Substitute Care, and personal support staff [Policy T-003: for Training Requirements for Direct Service Agency Staff; Sec. II-J, Items 1-4]. Pursuant to the Centers for Medicare and Medicaid Services (CMS) requirements, the services that a provider renders may only be claimed for federal match if the provider has completed all necessary training required by the state. All Family Living Provider agencies must report required personnel training status to the DDSD Statewide Training Database as specified in DDSD Policy T-001: Reporting and Documentation for DDSD Training Requirements.

B. Individual specific training must be arranged and conducted, including training on the

When DSP were asked, what steps are you to take in the event of a medication error, the following was reported:

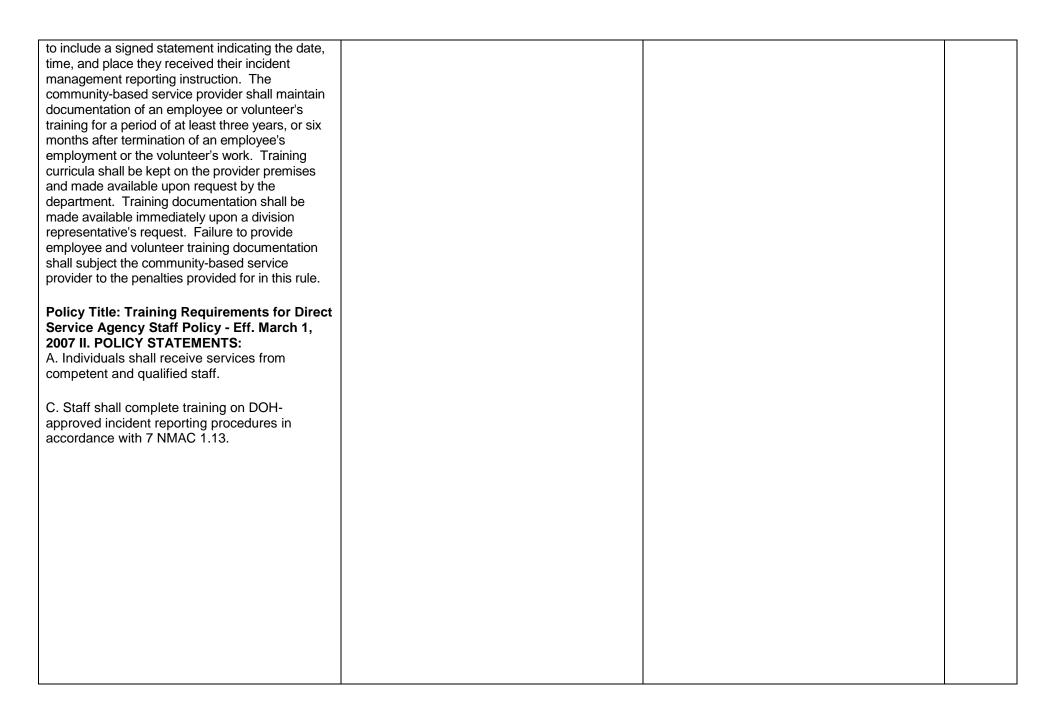

- DSP #520 stated, "Call the nurse. Bag it, discard it in disposal box." (Individual #5) According to the "Medication Error Reporting and Follow-Up" Agency policy, DSP are to "...complete the Event Incident Report prior to leaving shift..." for all medication errors. DSP did not include this information in their answer.
- DSP #533 stated, "Bag it, tag it, mark it in book, put in disposal box, and document." (Individual #6) According to the "Medication Error Reporting and Follow-Up" Agency policy, DSP are to "...notify the House manager/SOC, Guardian, Case Manager and nurse all by phone." DSP did not include this information in their answer.

Individual Service Plan outcomes, actions steps		
and strategies and associated support plans		
(e.g. health care plans, MERP, PBSP and BCIP		
etc), information about the individual's		
preferences with regard to privacy,		
communication style, and routines. Individual		
specific training for therapy related WDSI,		
Healthcare Plans, MERPs, CARMP, PBSP, and		
BCIP must occur at least annually and more		
often if plans change or if monitoring finds		
incorrect implementation. Family Living		
providers must notify the relevant support plan		
author whenever a new DSP is assigned to work		
with an individual, and therefore needs to		
receive training, or when an existing DSP		
requires a refresher. The individual should be		
present for and involved in individual specific		
training whenever possible.

Developmental Disabilities (DD) Waiver Service	
Standards effective 4/1/2007	
CHAPTER 1 II. PROVIDER AGENCY	
Requirements: D. Provider Agency Case File	
for the Individual: All Provider Agencies shall	
maintain at the administrative office a	
confidential case file for each individual. Case	
records belong to the individual receiving	
services and copies shall be provided to the	
receiving agency whenever an individual	
changes providers. The record must also be	
made available for review when requested by	
DOH, HSD or federal government	
representatives for oversight purposes. The	
individual's case file shall include the following	
requirements:	
(5) A medical history, which shall include at	
least demographic data, current and past	
medical diagnoses including the cause (if	
known) of the developmental disability,	
psychiatric diagnoses, allergies (food,	
environmental, medications), immunizations,	
and most recent physical exam;	
CHAPTER 6. VI. GENERAL REQUIREMENTS	
FOR COMMUNITY LIVING	
G. Health Care Requirements for	
Community Living Services.	
(1) The Community Living Service providers	
shall ensure completion of a HAT for each	
individual receiving this service. The HAT shall	
be completed 2 weeks prior to the annual ISP	
meeting and submitted to the Case Manager	
and all other IDT Members. A revised HAT is	
required to also be submitted whenever the	
individual's health status changes significantly.	
For individuals who are newly allocated to the	
DD Waiver program, the HAT may be completed	
within 2 weeks following the initial ISP meeting	
and submitted with any strategies and support	
plans indicated in the ISP, or within 72 hours	

following admission into direct services,		
whichever comes first.		
(2) Each individual will have a Health Care		
Coordinator, designated by the IDT. When the		
individual's HAT score is 4, 5 or 6 the Health		
Care Coordinator shall be an IDT member, other		
than the individual. The Health Care Coordinator		
shall oversee and monitor health care services		
for the individual in accordance with these		
standards. In circumstances where no IDT		
member voluntarily accepts designation as the		
health care coordinator, the community living		
provider shall assign a staff member to this role.		
(3) For each individual receiving Community		l
Living Services, the provider agency shall		
ensure and document the following:		
(a) Provision of health care oversight consistent		
with these Standards as detailed in Chapter One		
section III E: Healthcare Documentation by		
Nurses For Community Living Services,		
Community Inclusion Services and Private Duty		
Nursing Services.		
b) That each individual with a score of 4, 5, or 6		
on the HAT, has a Health Care Plan developed		
by a licensed nurse.		
(c) That an individual with chronic condition(s)		
with the potential to exacerbate into a life		
threatening condition, has Crisis Prevention/		
Intervention Plan(s) developed by a licensed		
nurse or other appropriate professional for each		
such condition.		
(4) That an average of 3 hours of documented		
nutritional counseling is available annually, if		
recommended by the IDT.		
(5) That the physical property and grounds are		
free of hazards to the individual's health and		
safety.		
(6) In addition, for each individual receiving		
Supported Living or Family Living Services, the		
provider shall verify and document the following:		
(a) The individual has a primary licensed		
physician;		

(b) The individual receives an annual physical examination and other examinations as specified by a licensed physician; (c) The individual receives annual dental checkups and other check-ups as specified by a licensed dentist; (d) The individual receives eye examinations as specified by a licensed optometrist or ophthalmologist; and (e) Agency activities that occur as follow-up to medical appointments (e.g. treatment, visits to specialists, changes in medication or daily routine).

CHAPTER 6 (CCS) 1. Scope of Services A. Individualized Customized Community Supports 19. Providing assistance or supports with medications in accordance with DDSD Medication Assessment and Delivery policy. C. Small Group Customized Community Supports 19. Providing assistance or supports with medications in accordance with DDSD Medication Assessment and Delivery policy. D. Group Customized Community Supports 19. Providing assistance or supports with medications in accordance with DDSD Medication Assessment and Delivery policy.	
CHAPTER 11 (FL) 1 SCOPE OF SERVICES A. Living Supports- Family Living Services: The scope of Family Living Services includes, but is not limited to the following as identified by the Interdisciplinary Team (IDT): 19. Assisting in medication delivery, and related monitoring, in accordance with the DDSD's Medication Assessment and Delivery Policy, New Mexico Nurse Practice Act, and Board of Pharmacy regulations including skill development activities leading to the ability for individuals to self- administer medication as appropriate; and I. Healthcare Requirements for Family Living. 3. B. Adult Nursing Services for medication oversight are required for all surrogate Living Supports- Family Living direct support personnel if the individual has regularly scheduled medication.	
Adult Nursing services for medication oversight are	

required for all surrogate Family Living Direct

Support Personnel (including substitute care), if the		
individual has regularly scheduled medication.		
6. Support Living- Family Living Provider Agencies		
must have written policies and procedures		
regarding medication(s) delivery and tracking and		
reporting of medication errors in accordance with		
DDSD Medication Assessment and Delivery Policy		
and Procedures, the New Mexico Nurse Practice		
Act and Board of Pharmacy standards and		
regulations.		
a. All twenty-four (24) hour residential home sites		
serving two (2) or more unrelated individuals must		
be licensed by the Board of Pharmacy, per current		
regulations;		
b. When required by the DDSD Medication		
Assessment and Delivery Policy, Medication		
Administration Records (MAR) must be maintained		
and include:		
i. The name of the individual, a transcription of the		
physician's or licensed health care provider's		
prescription including the brand and generic name		
of the medication, and diagnosis for which the		
medication is prescribed;		
ii. Prescribed dosage, frequency and method/route		
of administration, times and dates of		
administration;		
iii. Initials of the individual administering or		
assisting with the medication delivery;		
iv. Explanation of any medication error;		
v. Documentation of any allergic reaction or		
adverse medication effect; and		
vi. For PRN medication, instructions for the use of		
the PRN medication must include observable		
signs/symptoms or circumstances in which the		
medication is to be used, and documentation of		
effectiveness of PRN medication administered.		
c. The Family Living Provider Agency must also		
maintain a signature page that designates the full		
name that corresponds to each initial used to		
document administered or assisted delivery of		
each dose; and		
d. Information from the prescribing pharmacy		
regarding medications must be kept in the home		
and community inclusion service locations and		

must include the expected desired outcomes of	
administering the medication, signs and symptoms	
of adverse events and interactions with other	
medications.	
e. Medication Oversight is optional if the individual	
resides with their biological family (by affinity or	
consanguinity). If Medication Oversight is not	
selected as an Ongoing Nursing Service, all	
elements of medication administration and	
oversight are the sole responsibility of the	
individual and their biological family. Therefore, a	
monthly medication administration record (MAR) is	
not required unless the family requests it and	
continually communicates all medication changes	
to the provider agency in a timely manner to insure	
accuracy of the MAR.	
i. The family must communicate at least annually	
and as needed for significant change of condition	
with the agency nurse regarding the current	
medications and the individual's response to	
medications for purpose of accurately completing	
required nursing assessments.	
ii. As per the DDSD Medication Assessment and	
Delivery Policy and Procedure, paid DSP who are	
not related by affinity or consanguinity to the	
individual may not deliver medications to the	
individual unless they have completed Assisting	
with Medication Delivery (AWMD) training. DSP	
may also be under a delegation relationship with a DDW agency nurse or be a Certified Medication	
Aide (CMA). Where CMAs are used, the agency is	
responsible for maintaining compliance with New	
Mexico Board of Nursing requirements.	
iii. If the substitute care provider is a surrogate (not	
related by affinity or consanguinity) Medication	
Oversight must be selected and provided.	
CHAPTER 12 (SL) 2. Service Requirements K.	
Training and Requirements: 3. Supported Living	
Provider Agencies must have written policies and	
procedures regarding medication(s) delivery and	
tracking and reporting of medication errors in accordance with DDSD Medication Assessment	
and Delivery Policy and Procedures, New Mexico	

Nurse Practice Act, and Board of Pharmacy standards and regulations. a. I. Health Care Requirements for Family		
Living: 5. A nurse employed or contracted by		
the Family Living Supports provider must		
complete the e-CHAT, the Aspiration Risk		
Screening Tool, (ARST), and the Medication		
Administration Assessment Tool (MAAT) and		
any other assessments deemed appropriate on		
at least an annual basis for each individual		
served, upon significant change of clinical		
condition and upon return from any		
hospitalizations. In addition, the MAAT must be		
updated for any significant change of medication		
regime, change of route that requires delivery by		
licensed or certified staff, or when an individual		
has completed training designed to improve their		
skills to support self-administration.		
a. For newly-allocated or admitted individuals,		
assessments are required to be completed		
within three (3) business days of admission or		
two (2) weeks following the initial ISP meeting,		
whichever comes first.		
o. For individuals already in services, the		
required assessments are to be completed no		
more than forty-five (45) calendar days and at		
east fourteen (14) calendar days prior to the		
annual ISP meeting.		
c. Assessments must be updated within three		
(3) business days following any significant		
change of clinical condition and within three (3)		
ousiness days following return from		
nospitalization.		
d. Other nursing assessments conducted to		
determine current health status or to evaluate a		
change in clinical condition must be documented		
n a signed progress note that includes time and		
date as well as subjective information including		
the individual complaints, signs and symptoms		
noted by staff, family members or other team members; objective information including vital		
signs, physical examination, weight, and other		
pertinent data for the given situation (e.g.,		
pertinent data for the given situation (e.g.,		

seizure frequency, method in which temperature

taken); assessment of the clinical status, and			
plan of action addressing relevant aspects of all			
active health problems and follow up on any			
recommendations of medical consultants.			
e. Develop any urgently needed interim

individual/guardiam choice.			
Chapter 12 (SL) 3. Agency Requirements: D.			
Consumer Records Policy: All Living			
Supports- Supported Living Provider Agencies			
must maintain at the administrative office a			
confidential case file for each individual.			
Provider agency case files for individuals are			
required to comply with the DDSD Individual			
Case File Matrix policy.			
2. Service Requirements. L. Training and			
Requirements. 5. Health Related			
Documentation: For each individual receiving			
Living Supports- Supported Living, the provider			
agency must ensure and document the			
following:			
a. That an individual with chronic condition(s)			
with the potential to exacerbate into a life			
hreatening condition, has a MERP developed			
by a licensed nurse or other appropriate			
professional according to the DDSD Medical			
Emergency Response Plan Policy, that DSP			
have been trained to implement such plan(s),			
and ensure that a copy of such plan(s) are			
eadily available to DSP in the home;			
o. That an average of five (5) hours of			
documented nutritional counseling is available			
annually, if recommended by the IDT and			
clinically indicated;			
c. That the nurse has completed legible and			
signed progress notes with date and time			
ndicated that describe all interventions or			
nteractions conducted with individuals served,			
	1	1	

as well as all interactions with other healthcare

providers serving the individual. All interactions		
providers serving the individual. All interactions		
must be documented whether they occur by		
phone or in person; and		
d. Document for each individual that:		
i. The individual has a Primary Care Provider		
(PCP);		
ii. The individual receives an annual physical		
examination and other examinations as		
specified by a PCP;		
iii. The individual receives annual dental check-		
ups and other check-ups as specified by a		
licensed dentist;		
iv. The individual receives a hearing test as		
specified by a licensed audiologist;		
v. The individual receives eye examinations as		
specified by a licensed optometrist or		
ophthalmologist; and		
vi. Agency activities occur as required for follow-		
up activities to medical appointments (e.g.		
identified in these standards.		
Chanter 12 (IMI S) 2 Service Beguirements		
·		

F. The MERP shall be written in clear, jargon free language and include at a minimum the following information: 1. A brief, simple description of the condition or illness. 2. A brief description of the most likely life threatening complications that might occur and what those complications may look like to an observer. 3. A concise list of the most important measures that may prevent the life threatening complication from occurring (e.g., avoiding allergens that trigger an asthma attack or making sure the person with diabetes has snacks with them to avoid hypoglycemia). 4. Clear, jargon free, step-by-step instructions regarding the actions to be taken by direct support personnel (DSP) and/or others to intervene in the emergency, including criteria for when to call 911. 5. Emergency contacts with phone numbers. 6. Reference to whether the individual has advance directives or not, and if so, where the advance directives are located. Developmental Disabilities (DD) Waiver Service Standards effective 4/1/2007 **CHAPTER 1 II. PROVIDER AGENCY** Requirements: D. Provider Agency Case File for the Individual: All Provider Agencies shall maintain at the administrative office a confidential case file for each individual. Case records belong to the individual receiving services and copies shall be provided to the receiving agency whenever an individual changes providers. The record must also be made available for review when requested by DOH, HSD or federal government

representatives for oversight purposes. The individual's case file shall include the following

requirements...1, 2, 3, 4, 5, 6, 7, 8,

Supported Living Agency Requirements G.	
Residence Requirements for Living	
Supports- Supported Living Services: 1.	
Supported Living Provider Agencies must	
assure that each individual's residence is	
maintained to be clean, safe, and comfortable	
and accommodates the individual's daily living,	
social, and leisure activities. In addition, the	
residence must:	
a. Maintain basic utilities, i.e., gas, power, water,	
and telephone;	
b. Provide environmental accommodations and	
assistive technology devices in the residence	
including modifications to the bathroom (i.e., shower chairs, grab bars, walk in shower, raised	
toilets, etc.) based on the unique needs of the	
individual in consultation with the IDT;	
c. Ensure water temperature in home does not	
exceed safe temperature (110°F);	
d. Have a battery operated or electric smoke	
detectors and carbon monoxide detectors, fire	
extinguisher, or a sprinkler system;	
e. Have a general-purpose First Aid kit;	
f. Allow at a maximum of two (2) individuals to	
share, with mutual consent, a bedroom and	
each individual has the right to have his or her	
own bed;	
g. Have accessible written documentation of	
actual evacuation drills occurring at least three	
(3) times a year. For Supported Living	
evacuation drills must occur at least once a year	
during each shift;	
h. Have accessible written procedures for the	
safe storage of all medications with dispensing	
instructions for each individual that are	

consistent with the Assisting with Medication		
Delivery training or each individual's ISP; and		
i. Have accessible written procedures for		
emergency placement and relocation of		
individuals in the event of an emergency		
evacuation that makes the residence unsuitable		
for occupancy. The emergency evacuation		
procedures must address, but are not limited to,		
fire, chemical and/or hazardous waste spills, and		
flooding.		
CHAPTER 13 (IMLS) 2. Service Requirements		
R. Staff Qualifications: 3. Supervisor		
Qualifications And Requirements:		
S Each residence shall include operable safety		
equipment, including but not limited to, an		
operable smoke detector or sprinkler system, a		
carbon monoxide detector if any natural gas		
appliance or heating is used, fire extinguisher,

Service Domain: Medicaid Billing/Reimbursement – State financial oversight exists to assure that claims are coded and paid for in accordance with the reimbursement methodology specified in the approved waiver.

TAG #1A12

All Services Reimbursement (No Deficiencies Found)

NMAC 8.302.1.17 Effective Date 9-15-08

Record Keeping and Documentation Requirements - A provider must maintain all the records necessary to fully disclose the nature, quality, amount and medical necessity of services furnished to an eligible recipient who is currently receiving or who has received services in the past.

Detail Required in Records - Provider Records must be sufficiently detailed to substantiate the date, time, eligible recipient name, rendering, attending, ordering or prescribing provider; level and quantity of services, length of a session of service billed, diagnosis and medical necessity of any service . . . Treatment plans or other plans of care must be sufficiently detailed to substantiate the level of need, supervision, and direction and service(s) needed by the eligible recipient.

Services Billed by Units of Time -

Services billed on the basis of time units spent with an eligible recipient must be sufficiently detailed to document the actual time spent with the eligible recipient and the services provided during that time unit.

Records Retention - A provider who receives payment for treatment, services or goods must retain all medical and business records relating to any of the following for a period of at least six years from the payment date:

- (1) treatment or care of any eligible recipient
- (2) services or goods provided to any eligible recipient
- (3) amounts paid by MAD on behalf of any eligible recipient; and
- (4) any records required by MAD for the administration of Medicaid.

Billing for **2012**: Living Supports (Supported Living); Inclusion Supports (Customized Community Supports) services was reviewed for 6 of 6 individuals. Progress notes and billing records supported billing activities for the months of May, June, and July 2017.

Date: March 15, 2018

To: Matt Poel, Chief Executive Officer

Provider: Great Livin', LLC

Address: 2901 Juan Tabo Blvd. NE, Suite 208 State/Zip: Albuquerque, New Mexico 87112

E-mail Address: matt@greatlivin.com

Region: Metro

Survey Date: August 18 - 25, 2017

Program Surveyed: Developmental Disabilities Waiver

Service Surveyed: 2012: Supported Living, Customized Community Supports

Survey Type: Routine

Team Leader: Chris Melon, MPA, Healthcare Surveyor, Division of Health

Improvement/Quality Management Bureau

Team Members: Lora Norby, Healthcare Surveyor, Division of Health Improvement/Quality

Management Bureau

Dear Mr. Poel;

The Division of Health Improvement/Quality Management Bureau has received, reviewed and approved the supporting documents you submitted for your Plan of Correction. The documents you provided verified that all previously cited survey Deficiencies have been corrected.

The Plan of Correction process is now complete.

Furthermore, your agency is now determined to be in Compliance with all Conditions of Participation.

To maintain ongoing compliance with standards and regulations, continue to use the Quality Assurance (self-auditing) processes you described in your Plan of Correction.

Consistent use of these Quality Assurance processes will enable you to identify and promptly respond to problems, enhance your service delivery, and result in fewer deficiencies cited in future QMB surveys.

Thank you for your cooperation with the Plan of Correction process, for striving to come into compliance with standards and regulations, and for helping to provide the health, safety and personal growth of the people you serve.

Sincerely,

Amanda Castañeda

Amanda Castañeda Plan of Correction Coordinator Quality Management Bureau/DHI
